But his act of heroism comes into question when the mother is found dead. Now Jubal faces his greatest fear, coming under suspicion in a community that offers no second chances to people like him.

**Blue flame** Robert A Webster, 2020-12-02 This fast-paced Supernatural Thriller takes you from battles raging beneath turbulent seas to the dark stillness of space where mortals, angels, and demons battle to mold the populace of planet earth. Death comes to us all, whatever creed, colour, religion, or gender we are; it is an inescapable fact. For most of us, our work on this mortal plane is over, but for a few, their job has just begun. Introducing P A T H Paranormal Assisted Treasure Hunters, three psychically gifted individuals brought together to form a powerful mediatory force between the Mortal World and the Spiritual Plane. Assisted by their spirit protectors and commissioned by lost souls, they find treasures hidden by the souls during their lifetime, which they give to their mortal beneficiaries. This fast-paced supernatural thriller follows a sinister plot planned during World War 2 and instigated in the present day as the team needs to discover the connection between the demon spirit of the twentieth century's greatest despot and his son, the current US President. In Book 1, Return of The Reich, in its race to discover another planet to colonise for its overstretched population, humanity overlooked one thing.
