God Has Done is a Thanksgiving children's event designed to heighten awareness of God's many blessings. Six learning centers each including posters, projects, a guided experience, follow-up activities, and a closing prayer focus on such topics as families, nature, our religious heritage, and our bodies. Intended for kindergarten through sixth grade, this is an ideal activity for your church school and can be held during a single session. A Chrismon Service portrays the drama of redemption through symbols of Jesus in the form of Christmas ornaments. The word Chrismon is a combination of the words Christ and monogram. As appropriate scripture passages are read, each symbol is presented and explained; worshipers participate in the service by hanging them on the Chrismon tree. Eighteen designs are included so that you can make your own Chrismons based on such symbols as the Epiphany star, the Christmas rose, and the angel. The ABC's Of Christmas offers four easy programs for Christmas worship: celebrating angels, bells, colors, and gifts. Each incorporates scripture, carols, and simple props together with dramatic readings to create a meaningful worship experience that will linger in the memory long after Christmastime passes. The Angels' Point Of View is a play in two acts that looks at Jesus' conception, birth, and flight into Egypt from their perspective. Originally developed for a junior high Sunday school class, this piece is excellent for older youth and can be performed in a variety of settings. There are thirteen speaking roles, and complete directions for assembling props, costume, and scenery are included. In Search Of Christmas is a light contemporary drama that intersperses a series of brief dialogues between a husband and wife, two teenagers, and others, illustrating how we can lose the real meaning of Christmas with faith-affirming conversations among individuals who have kept the season's true spirit of joy and giving. Roles can be doubled up for the small congregation, and only a few basic props are needed. Last Year In Bethlehem: The Story Of Eli The Shepherd reminds us that the story of Christ's birth is more than a holiday tradition. It combines a dramatic monologue with hymns and candlelight for a moving Christmas Eve worship experience. On the first anniversary of the first Christmas, a gruff but friendly shepherd tells of the night that changed his life. Suggestions for costuming, makeup, and staging are included, along with historical background on shepherds during Jesus' time. O Holy Night brings together scripture, song, and poetic readings to create a touching Christmas Eve worship service that can involve several participants without requiring lengthy rehearsal. It is an especially attractive option for smaller churches without many resources, but this enchanting service will be a glorious experience for any congregation.

In Search of Salt Frederick Quinn, 2006-08-01. Relatively recent Bantu-speaking migrants to central Cameroon, the Beti have had an eventful history. Based on extensive interviews and traditional Beti Fang poetry, in addition to German and French archival sources, the author of this readable study recreates the social structure of the Beti and their self-perceptions in pre-colonial times, their disruptive encounters with first German (1880-1918) and then French (1918-1960) colonialism until Cameroon's independence.

In Search of Liberty Ronald Angelo Johnson, Ousmane K. Power-Greene, 2021-07-15. In Search of Liberty explores how African Americans since the founding of the United States have understood their struggles for freedom as part of the larger Atlantic world. The essays in this volume capture the pursuits of

equality and justice by African Americans across the Atlantic World through the end of the nineteenth century as their fights for emancipation and enfranchisement in the United States continued This book illuminates stories of individual Black people striving to escape slavery in places like Nova Scotia Louisiana and Mexico and connects their efforts to emigration movements from the United States to Africa and the Caribbean as well as to Black abolitionist campaigns in Europe By placing these diverse stories in conversation editors Ronald Angelo Johnson and Ousmane K Power Greene have curated a larger story that is only beginning to be told By focusing on Black internationalism in the eighteenth and nineteenth centuries *In Search of Liberty* reveals that Black freedom struggles in the United States were rooted in transnational networks much earlier than the better known movements of the twentieth century

In Search of the New Testament Church C. Douglas Weaver, 2008 When John Smyth organized the first Baptist church he wanted to establish the New Testament church believer's baptism was the missing link Baptists of subsequent eras often continued the search to embody New Testament Christianity Unique to surveys of Baptist life Doug Weaver highlights this restorationist theme as a way to understand Baptist identity Weaver does not force the theme but the search is ever present It is found in the insistence upon believer's baptism but also in examples like the Sabbath worship of Seventh Day Baptists the nine rites of colonial Separate Baptists the women preachers of Free Will Baptists the trail of blood of Landmarkism the social gospel of Walter Rauschenbusch the fundamentals of fundamentalism and the ministry of the European pioneer Johann Oncken Like other recent Baptist studies Weaver describes Baptist diversity Still he highlights the persistent commitment of most Baptists to an informal constellation of Baptist distinctives Alongside the quest for the New Testament church and congregational community Weaver especially highlights the Baptist commitment to religious liberty and the individual conscience This emphasis while later reinforced by Enlightenment ideals could already be found in the biblicist piety of the earliest Baptists who insisted that individual believers must have the right to choose their religious beliefs because they would stand alone before God at the final judgment Both chronological and thematic this book addresses such themes as the role of women the social gospel ecumenism charismatic influences and theological emphases in Baptist life The book's focus is America but it also includes helpful introductory chapters on early English Baptists and international Baptists

The Search for a Common Identity Brian R. Talbot, 2007-01-01 The Search for a Common Identity explores the process by which Scottish Baptists came to recognize the need for a union of Baptist churches in Scotland prior to 1869 This book identifies the major leaders in each of the three main Baptist streams in the early nineteenth century and shows how they came to the conviction that it was important for them to establish a common identity At the heart of their unity was an enthusiasm for evangelism The Baptist Home Missionary Society was formed in 1827 Its early successes demonstrated the wisdom of cooperation between the different Baptist agencies in Scotland There had been three attempts to form a union of churches that failed because differences of perspective could not be reconciled The principal achievement of the 1869 Baptist Union was in enabling Baptists with different theological opinions to come together to promote common practical objectives In short a shared sense of purpose led to the growth and establishment of the Baptist Union of Scotland
