Senator Allen Ellender Of Louisiana A Biography:

Senator Allen Ellender of Louisiana Thomas A. Becnel, 1996-01-01 Allen J Ellender born in 1890 on a sugar plantation in Terrebonne Parish Louisiana rose to become one of the most dominant men in the U S Senate This biography based on prolonged examination of the voluminous Ellender Papers and extensive research in other primary and secondary sources including interviews with people who knew Ellender during various stages of his lengthy career makes an important contribution to our understanding of Louisiana and national politics during much of this century Ellender began life in a farm family and never lost his close ties to rural Louisiana Still he sought a career as a lawyer and served as city attorney and district attorney before being elected to the Louisiana state legislature in 1924 Originally an opponent of Huey Long Ellender converted to Longism after Huey was elected governor in 1928 But because he refused to condone questionable oil leasing practices on state lands he was bypassed as Long s state political heir in the thirties He was elected instead to the U S Senate where he served until his death in 1972 In *Senator Allen Ellender of Louisiana* Thomas A Becnel methodically traces the extended career of this contradictory politician a man who though essentially a conservative was surprisingly liberal on many issues He supported progressive legislation in areas such as education public housing censorship and the separation of church and state He was also one of the first senators to criticize his colleague Joseph McCarthy Yet throughout his career he remained a staunch advocate of racial segregation During Ellender s long tenure in the Senate in which he served under Presidents Roosevelt Truman Eisenhower Kennedy Johnson and Nixon through the Great Depression World War II the Cold War McCarthyism the Korean conflict the civil rights movement and the Vietnam War he was intimately involved in decisions and debates that have shaped the recent history of the country Becnel astutely places Ellender in the context of the history of his time and the social economic and political milieu of his state The result is a careful balanced portrait of one of the most influential legislators of this century

The Southern Manifesto John Kyle Day,2014-07-09 On March 13 1956 ninety nine members of the United States Congress promulgated the Declaration of Constitutional Principles popularly known as the Southern Manifesto Reprinted here the Southern Manifesto formally stated opposition to the landmark United State Supreme Court decision Brown v Board of Education and the emergent civil rights movement This statement allowed the white South to prevent Brown s immediate full scale implementation and for nearly two decades set the slothful timetable and glacial pace of public school desegregation The Southern Manifesto also provided the Southern Congressional Delegation with the means to stymie federal voting rights legislation so that the dismantling of Jim Crow could be managed largely on white southern terms In the wake of the Brown decision that declared public school segregation unconstitutional seminal events in the early stages of the civil rights movement like the Emmett Till lynching the Montgomery bus boycott and the Autherine Lucy riots at the University of Alabama brought the struggle for black freedom to national attention Orchestrated by United States Senator Richard Brevard Russell Jr of Georgia the Southern Congressional Delegation in general and the United States Senate s Southern Caucus in particular fought vigorously and successfully to counter the initial successes of civil rights workers and maintain Jim Crow The South s defense of white supremacy culminated with this most notorious statement of opposition to desegregation The Southern Manifesto Massive Resistance and the Fight to Preserve Segregation narrates this single worst episode of racial demagoguery in modern American political history and considers the statement s impact upon both the struggle for black freedom and the larger racial dynamics of postwar America
