There She Goes Again Aviva Dove-Viebahn, 2023-12-15 There She Goes Again interrogates the representation of ostensibly powerful women in transmedia franchises examining how presumed feminine traits love empathy altruism diplomacy are alternately lauded and repudiated as possibilities for effecting long lasting social change By questioning how these franchises reimagine their protagonists over time the book reflects on the role that gendered exceptionalism plays in social and political action as well as what forms of knowledge and power are presumed distinctly feminine The franchises explored in this book illustrate the ambivalent post feminist representation of women protagonists as uniquely gifted in ways both gendered and seemingly ungendered and yet inherently bound to expressions of their femininity At heart There She Goes Again asks under what terms and in what contexts women protagonists are imagined envisioned embodied and replicated in media Especially now in a period of gradually increasing representation women protagonists demonstrate the importance of considering how we should define and whether we need feminine forms of knowledge and power
