Modern Real Estate Charles H. Wurtzebach, Mike E. Miles, 1991-02-14 Offers the most comprehensive overview of real estate principles available Includes all areas taught in undergraduate level courses plus such additional subjects as secondary mortgage markets real estate and portfolio theory and institutional real estate investment With 125 boxed articles on an array of intriguing topics from hyperinflation to the disappearance of our great cities it provides an eclectic view of the many issues that give real estate its distinctive flavor Updated throughout to reflect changes in the field this Fourth Edition includes a new chapter on asset management and is flexible enough to be used in both beginning and advanced courses

International Real Estate Valuation, Investment, and Development Valerie Jean Nurcombe, 1987 This volume fills an important gap in publications for the real estate professional by providing for the first time a clearly organized current bibliography to the literature of real estate valuation International in scope the bibliography includes journal articles and books that deal directly with the subject of property valuation or with factors that affect valuation Primary emphasis is placed on materials written specifically for a professional audience although publications aimed at the popular market are included when they cover significant topics otherwise poorly documented Throughout the focus is on literature published from 1975 forward *Real Estate Sales Handbook* Gail Lyons, 1994-03 This 10th edition has been updated to reflect trends in the industry including real estate as an investment computer technology and expanding your services beyond residential sales An indispensable guide

Inside Real Estate Peter O'Malley, 2017-05-23 The real world of modern real estate exposed *Inside Real Estate* is a down to earth consumer guide for anyone navigating the property market in the digital age Written by industry veteran Peter O'Malley this book exposes the truth about modern real estate and shows you how to work the market to optimize your financial benefit Forget what you've seen or heard the media's hype surrounding real estate doesn't accurately reflect the reality on the ground With the rise of digital platforms foreign buyers and property booms and busts the agent's role is changing amidst a rapidly evolving field media spin benefits agents more than consumers but this book offers step by step guidance on silencing the noise and working with reality Exposing common practices and blowing myths

wide open this book shows you what the property market is today and how to take advantage of it to buy sell or invest in your best financial interest Cut through the hype and learn the truth behind the myths Understand the agent s new and changing role in a disrupted industry Learn the tips traps and tactics that could sink or save your investment Deal with rising and falling markets as a buyer or seller The industry s digital disruption is not going away and certain aspects of the market have been permanently changed as a result The good news is that property is still a smart financial move and it is possible to come out ahead regardless of the market s behaviour but first you need to separate spin from reality Inside Real Estate takes you behind the curtain to help you navigate the market with clear eyes and a solid understanding of the real world market

Real Estate Brokerage Management John Bruce Lindeman,1988 Beyond Real Estate Licensing: Case Study Analysis of Behavioral Assessment Relationship Applied to Human Performance Conrad R. Richards,2010-02-16 Conrad s new book Beyond Real Estate Licensing Case Study Analysis of Behavioral Assessment Relationship Applied to Human Performance is an outgrowth of his doctoral studies The specific problem this research addresses pertains to whether behavioral readiness has an impact upon real estate brokerage sales performance Although real estate students may score high on the real estate licensing examinations it may not prove the students ability to perform in a real estate brokerage performance sales environment The most important performance criteria in real estate sales could be conceived as a developed personality capacity and alignment of motivational values It is also noted that learning sales facilitators can not guarantee the knowledge transfer to performance unless behavioral readiness is presented Therefore behavioral assessment analysis can be considered as an integral aide to performance improvement The purpose of this study was to establish the organizational responsibility towards behavioral assessment analysis during the pre employment phase The results of this study indicate that behavioral assessments may improve the overall recruitment and selection capability and to identify the necessary behavioral readiness that is necessary for knowledge transfer into sales performance **Real Estate & Property Sales**
