Sensing Your Hidden Presence:

Sensing Your Hidden Presence Ignacio Larrañaga, 1992 **Eternal Shadows or Shadow Makers** Fr. Steve Peterson OSJ, 2012-07 Everything in our solar system casts a shadow The Earth the moon and the planets cast a shadow The only thing that does not cast a shadow is the sun The sun shines its light on one half of the planets while the other half is in the shade of its own shadow All living and non living things expose only half of themselves to the light of the sun Their other half remains in its shadow Plants and animals are born with a shadow live with a shadow and must die with a shadow Man is born with a shadow however he does not have to live and die with a shadow like the rest of the living creatures He can choose to stay confined within the shadows of earthly things or go beyond the shadows to become something like the sun But this quest takes a little something extra than most ordinary men seem to look for or even believe is possible to achieve Early on in childhood Fr Peterson wanted to fly Little did he know that his innocent desire to fly was an extraordinary shadowless thing called prayer A real and very extraordinary ear heard his plea So God's heart the only one in nature who produces no shadow was moved to help show him how to go beyond the shadows of worldly things frightful things and even deadly things *The Reform of Renewal* Benedict C.F.R. Groeschel, 2011-04-11 This clear and unequivocal call for personal reform as the basis of authentic renewal in society and in the Church is rooted in several sources The work of an internationally recognized Biblical scholar Rudolph Schnackenburg is woven in with the observations of contemporary social critics as well as behavioral scientists The author does not spare anyone's feelings in an attempt at a critical and objective analysis of the serious problems of the Catholic Church and mainstream religious denominations in America This book definitively places the onus for reform on the individual Christian striving to follow the Gospel in our materialistic and selfish culture Because of its roots in Scripture and in the long history of reform in the Church this book offers the reader a well founded hope that the first signs of real renewal in the Church are beginning to appear Includes index Father Groeschel has written the book for the Church in the 90's He is right on target He has said clearly and prophetically what must be said before it is too late namely that all true Christian renewal must be rooted in personal ongoing conversion I found reading the book as valuable as making a retreat Father Richard Roach S J Marquette University By his frequent use of appealing concrete examples and comparisons Groeschel shows conclusively that true lasting renewal in the Church can only happen by continual repentance and reform in our individual lives Father Kenneth Baker Editor Homiletic and Pastoral Review *From Suffering to Peace* Ignacio Larrañaga, 1997 *He and I* Gabrielle Bossis, 1969 The famous account of Gabrielle Bossis dialogues with Jesus As simple reflections on the Gospels this book is a daily companion that encourages growth in one's personal relationship with the Lord Beginning Contemplative Prayer Kathryn J. Hermes, 2019-03-25 In this practical guide best selling author Kathryn J Hermes FSP demonstrates how to begin a life of contemplative prayer You don't have to be a mystic to learn this type of prayer just a person who is seeking a deeper communion with God Sr Kathryn has helped thousands of people

Redeeming Power of Presence Andrew Carey, 2010-11-07 Real life change real peace and real love that lift us above the things of the world in the same way that Jesus walked isn't this how we were meant to walk in life Do you desire new revelations that expand you further into the mysteries of Christ The Redeeming Power of Presence is not simply about becoming aware of the Lord's presence but about our learning to become present and available to Him in a way that makes His powerful presence accessible to us Experience this narrow way that Jesus walked before us that loses the old self's life by walking simply in the present moment where the powerful presence of I Am reigns As you read experience this living water and pathway to more of the mysteries of Christ that believers are just now beginning to awaken to in their walk with Christ
