Sensitivity Of The Spirit:

Sensitivity Of The Spirit R.T. Kendall, 2015-06-23 We must learn the difference between being sensitive to the Holy Spirit and being aware of the sensitivity of the Holy Spirit Drawing on the story of Mary and Joseph moving ahead of Jesus Dr Kendall explains how easy it is for us to make assumptions in the natural and run on ahead of the Holy Spirit When you find yourself ahead of God's timing and moving forward with your own personal plans you must stop and go back You can find the road back from anywhere and that road is called repentance It points you in the direction of peace the Spirit R. T. Kendall, 2000 The Mystery of Spiritual Sensitivity Carol Brown, 2011-07-28 You are designed to touch God and supernatural The high sensitivity required to sense and feel what other people experience is what makes life painful it also makes it possible to sense feel and hear from God Christians are not immune to mood swings emotional upheavals feeling burned out and burned up But you are mysteriously and uniquely designed with a high degree of spiritual sensitivity Because of this you are one who can join Jesus in the work He began and continues to do in the earth today Author Carol Brown explains The Mystery of Spiritual Sensitivity what this sensitivity looks like and what it feels like how this sensitivity affects you and the common human reflex reactions to this sensitivity You will be excited and relieved to discover that God gave you this spiritual awareness to develop spiritual maturity yours and others So release yourself to the Spirit of God and learn how to respond to this most precious gift we have received from our heavenly Father **Highly Sensitive** Carol Brown, 2011-07-28 God Created Some People To Be Highly Sensitive Discover why you are the way you are and enjoy your gift Highly Sensitive Understanding Your Gift of Spiritual Sensitivity is a valuable companion piece to Carol Brown s previous book The Mystery of Spiritual Sensitivity This volume not only provides a precise summary of the topics covered in the prequel true identity burden bearing aspects of high sensitivity healing but counsels you on the steps and spiritual practices that will help you the highly sensitive burden bearer to shine in your gifting Highly Sensitive propels you forward into a healing and maturing process that involves a steep but exhilarating learning curve well worth the journey This book is in response to many readers asking me Now what Where do I do from here writes author Carol Brown Highly Sensitive examines and frankly discusses five growth areas most burden bearers have in common 1 Having confidence that you hear from God 2 Trusting God self and others 3 Discerning between burdens and my own stuff 4 Making and keeping boundaries 5 Identity sense of worth and belonging All of the dots are connected through personal testimonies biblical support and spiritual insight you will clearly see God's bigger picture for your life This book looks at how empathetic burden bearing affects the individual and how you can recover and repair damage from negative responses to high sensitivity on emotional spiritual and psychological levels 10 Ways to Cultivate Sensitivity to the Holy Spirit Ezekiel Benson, 2019-03-07 One of the distinguishing features of a believer is the grace to be led and guided by the Spirit of God But this is not the case with a vast majority of believers Too many of God's people are predominantly led and guided by corrupt carnal senses Many are led

and guided by presumptions men pleasing motivations assumptions greed wickedness evil desire to outdo and destroy others in order to be at the top fear doubt pride selfishness covetousness everything they do is motivated by a longing to have what rightfully belongs to others false prophets fleeces and idols in their heart To walk and live in the Spirit of God demands that we be led and guided by the Spirit of God The key to walking and living victoriously in the Spirit is to be able to develop sensitivity to the Holy Spirit and grace to obey His leading instructions and guidance Sensitivity to the Holy Spirit is very important if a believer must prosper succeed and live victoriously as a Christian Sensitivity to the Holy Spirit doesn t just happen As a believer you are expected and required to cultivate and develop a strong sensitivity to the Holy Spirit This book was therefore written to show you how to cultivate sensitivity to the Holy Spirit the way God intended so as to live a victorious and a prosperous Christian life The Spirit Universe: A Christian View, The Work of the Spirit Michael Welker, 2006 This book is the result of a consultation entitled Pneumatology exploring the work of the Spirit from contemporary perspectives held in New York City in November 2004 Acknowledgments The Mystery of Spiritual **Sensitivity** Carol A. Brown, 2008 The high sensitivity required to sense and feel what other people experience is what makes life painful it also makes it possible to sense feel and hear from God By Love Transformed R. T. Rajput, 2007 A Handbook of Physics Measurements Ervin Sidney Ferry, Oscar William Silvey, George William Sherman, 1926 Theological Renewal for the Third Millennium Veli-Matti Karkkainen, 2022-08-12 Amos Yong has stated that Veli Matti K rkk inen has become one of the more important theologians to be reckoned with in our time This becoming has developed over the course of many decades with prolific contributions in essays monographs lectures and other mediums The goal of this book then is to offer a curated selection of K rkk inen s essays for both new and established reader of K rkk inen This volume offers an accessible introduction to K rkk inen s diverse contribution for readers who are only familiar with his popular survey texts or are new to his work overall And yet for those familiar with his theology this volume provides insights into the journey his theological contributions have taken over the last fifteen years and serves as a kind of intellectual storyboard leading into his five volume constructive systematics In sum this book seeks to offer a wide ranging taste of K rkk inen s trajectory that will inspire more research into his work and ever more attention to his important constructive contributions to global twenty first century Worship as Warfare: Conquering through the Sound of Surrender Gerard Assey, 2025-06-05 In a world theology where battles rage in both visible and invisible realms Worship as Warfare Conquering through the Sound of Surrender unveils the life transforming truth that worship is more than a song it is a strategy From the wilderness journey of Israel to the prison songs of Paul and Silas Scripture reveals that surrendering to God in worship unlocks supernatural power shifts atmospheres and conquers darkness This book equips believers to fight spiritual battles not with striving but through intimacy obedience and the prophetic sound of heaven With deep biblical insight real life testimonies and practical tools it calls forth a new generation of worship warriors those who intercede declare and transform nations through praise Whether you re a worship leader intercessor or everyday believer this is your invitation to build altars of fire raise your voice in victory and experience God's presence as your greatest weapon. The sound of surrender is rising Will you be part of it The Feeler James W. Goll, 2021-03-09 James Goll is one of the most accurate prophets I know Sid Roth It's Supernatural The Scriptures give us a full color picture of a God who is moved by emotions such as yearning love and compassion Our human emotions reflect the emotional qualities of our Creator who made us in His own image Feelings have a vital place in any believer's life not just in those who have a more sensitive nature due to their personalities. The Feeler by James W Goll delivers a remarkable biblical perspective on our emotions and how they help us to discern and act on God's voice We experience the love joy and presence of God with our feelings Our emotions have an impact on our bodies our level of

holiness our relationships and our decisions The Bible tells us we need to have our senses trained to discern good and evil Hebrews 5 14 NASB What are we training Both our natural senses and our spiritual senses Our physical senses with the addition of knowing correspond to our spiritual senses in these ways Eyes sight visions and dreams Ears hearing voices and sounds Heart touch emotions and feelings Tongue taste good and evil Nose smell good and bad Mind knowing divine thoughts and impressions This book will show you how to listen for and recognize the often subtle ways God's Spirit speaks to believers as well as how to discern good and evil spirits With consecrated gifts and senses you can reach out to the body of Christ and to the world at large in both spiritual and practical ways making you much better equipped to fulfill your role as an ambassador of the gospel Raising Spiritual Children: Cultivating a Revelatory Life Patricia Mapes, Greg Mapes, 2009-10 Raising Spiritual Children is a practical resource for parents who want to raise their children to be whole healthy and capable of using their spiritual gifts with wisdom What does it mean to have spiritual gifting How can we help our spiritually gifted children's stay on the right path What do our children's dreams mean This book answers these questions and many more Book jacket Christian, the Choice Is Yours Ron McNeel, 2013-02-20 Life is all about choices You choose where to live your occupation spouse and the names of your children just to highlight a few Some choices are easy to make while others are difficult and require a lot of thought and consideration Some choices lead to good outcomes while others do not The best choice an individual could ever make is to receive Christ as personal Savior That decision guarantees the believer a home in Heaven with God for eternity Although the eternal issue is settled there are many choices that face the believer during his her journey through life These choices will not alter the believer s eternal destiny but can have a major impact on the quality and effectiveness of the Christian life Wrong choices made by the believer can result in a life that is marred by defeat and unhappiness This book is about personal choices for the believer Although the principles presented in this book are for all Christians the words are directed to you for self examination Victory in your Christian life will be determined by the choices you make God has a plan for your life and a way to achieve it but Satan also has a plan Whose plan you follow depends on your choices This battle over control of your life will continue until you are finally at home in Heaven The goal of this book is to equip you with guiding principles from God's Word to explain how you can have God's promised victory and live a meaningful and fruitful Christian life You can follow God s plan and experience this victory or choose Satan's plan and live defeated The choice is yours **What Lies Within** Jessica Carrazco, 2022-08-01 The popular question that many of us can recall being asked as a child was aEURoeWhat do you want to be when you grow up aEUR The frame of mind that gave birth to this question was shaped in the garden of Eden impressing upon man the need to become something in order to be somebody Many of our answers hinged upon a perception that was created while we learned to compare ourselves to others From that point on lives have been spent searching and reaching outwardly attempting to become rather than identifying refining and investing into that which is If you want to obtain the confidence to walk out your
