Sensuality Captured by the Great Photographers of the World, 1983 **"Jacobsen's" Index of Objectionable Literature** Jacobsen's Publishers, 1968 Forthcoming Books Rose Army, 1984-03 **The Enchanting Gaze: A Historical Exploration of Female Sexuality in Western Art** Pasquale De Marco, 2025-07-25

The Enchanting Gaze A Historical Exploration of Female Sexuality in Western Art explores the ways in which women have been portrayed in Western art from the ancient period to the present day We examine the different roles that women have played in art from goddess and muses to objects of desire and domesticity We also consider the ways in which women have been depicted by male and female artists and how these representations have been influenced by the social and cultural contexts in which they were created This book is divided into ten chapters each of which focuses on a different aspect of the representation of women in art The chapters are organized chronologically beginning with the ancient period and ending with the present day Each chapter includes a brief introduction followed by a discussion of the major themes and motifs associated with the representation of women in that period The chapters also include a number of illustrations which have been selected to provide a visual representation of the different ways in which women have been depicted in art We hope that this book will provide a valuable resource for your own research and understanding of the representation of women in Western art It is a book that is both informative and thought provoking and we hope that it will shed new light on this important subject
