## **Sensuous Spirituality Out From Fundamentalism:**

*Sensuous Spirituality* Virginia R. Mollenkott, 1992 A well known Evangelical feminist shares the story of her own journey to spiritual awareness Mollenkott shares her view of the self and the Divine that is sensuous and mystical that recognizes the beauty and goodness of the human core and that works for social change from a centered self **A Special Illumination** Rollan McCleary, 2004 Gay spirituality represents a hidden strand in Western thought that was only publically declared from the Gay Liberation of the 1970s Since coming out expressions of gay spirituality have proliferated in both number and diversity Beginning with gay theology within Christianity the phenomenon has now reached as far as Buddhism and neo paganism But so far critical analysis of the movement has been very limited largely because gay spirituality has been treated as a political and social movement arguing for rights and acceptance within religious circles A Special Illumination offers an indepth analysis and argues that gay spirituality should be placed at the heart of religion Divine Communion Jay Emerson Johnson, 2013-10-20 First text to place sexual ethics in a sacramental liturgical context Designed to meet the General Convention mandate for theological reflection around issues of sexuality and marriage Appropriate for study regardless of gender or orientation Before Christian communities try to address sexual ethics the more fundamental theological question demands attention What can sexual intimacy tell us about God This book invites reflection on sexual relationships within a broad theological framework marked by creation fall and redemption These classical hallmarks of Christian faith are proclaimed and enacted at every liturgical celebration of the Eucharist which offers a compelling way to engage the link between sexual intimacy and the longing for God or the hoped for promise of divine communion Encyclopedia of Lesbian and Gay Histories and Cultures Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future Encyclopedia of Lesbian Histories and Cultures Bonnie Zimmerman, 2013-08-21 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the

establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a wide range of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Take Back the Word - A Queer Reading of the Bible Robert E. Goss, Mona West, 2000-11-15 Perhaps the most revolutionary contribution of Take Back the Word is its presentation of resistant practices of reading the Bible that challenge oppressive applications of Scripture to clobber queer folk If lesbians gay men bisexuals transgender non gender conforming and questioning people are to take back the word of Scripture for themselves they must take it back in a new way Essays examine queer strategies for reading queer ethical models from the Hebrew Scriptures and queer good news stories from the Christian Scriptures

**The Oxford Handbook of Theology, Sexuality, and Gender** Adrian Thatcher, 2015 The Oxford Handbook of Theology Sexuality and Gender presents an unrivalled overview of the theological study of sexuality and gender These topics are not merely contentious and pervasive they have escalated in importance within theology Theologians increasingly agree that even the very doctrine of God cannot be contemplated without a prior grappling with each Featuring 41 newly commissioned essays written by some of the foremost scholars in the discipline this authoritative collection presents and develops the latest thinking in these areas Divided into eight thematic sections the Handbook explores methodological approaches contributions from neighbouring disciplines sexuality and gender in the Bible and in the Christian tradition controversies within the churches and within four of the non Christian faiths and key concepts and issues The final extended section considers theology in relation to married people and families gay and lesbian people bisexual people intersex and transgender people disabled people and to friends This volume is an essential reference for students and scholars which will also stimulate further research

**La Vida Sacra** James Empereur, Eduardo C. Fernández (s.j.), 2006-10-12 Presents an insightful approach to the sacraments from the perspective and actual practice of Latinos over the centuries This work offers a distinctive take on the belief and enculturation of the sacraments in the Latino experience and context It is suitable for theology courses as well as directors of ministerial programs and their students

*She Lives!* Rev. Jann Aldredge-Clanton, PhD, 2014-10-08 Meet the ministers and laypeople driving foundational Christian theological change and restoring awareness of the sacred value of women and girls

The Bible teaches that we are made in the image and likeness of God therefore I must believe that there is a male and female expression of God Claim your divinity and walk in it every day because you are fearfully and wonderfully made Rev Dr Susan Newman Claiming Our Divinity In a world filled with injustice and violence we long for a new sacred symbolism to inspire transformation Our yearning includes a widespread hunger for visions of the Female Divine in church life and worship to restore gender balance and finally achieve just equal and inclusive faith communities This collection of engrossing narratives of women and men trying to change the institutional church and society illuminates how reclaiming multicultural female images of God extends beyond the sanctuary and into the community Whether you re searching for your own place in the church or you want to explore this growing movement these fascinating pioneers invite you to join the adventure of creating rituals that include Her affirming the sacred value of all people and all creation

**Theologies of the 21st Century** David L. Smith,2014-10-02 What theologies are popular and formative of Christian thinking in the present day How should they be assessed by those Christians who want to be in the world without being of the world Theologies of the 21st Century begins with an overview of the historical roots from which current theological thinking has developed and then moves on to a detailed evaluation of the chief doctrinal and practical emphases taking an evangelical biblical perspective that seeks to be at once both critical and irenic

**Praying with Body and Soul** Jane E. Vennard,1998-10-01 Praying with Body and Soul involves the whole person our senses our bodies at rest or in motion our imaginations as well as our minds and emotions By paying prayerful attention to the body people will not only recognize the ways in which they already pray but will learn how to deepen their relationship with God Each chapter includes questions for reflection and practical exercises such as drawing walking meditation fasting making music dancing and praying in sickness and disability This guide to prayer can be used by individuals prayer partners and small groups

**Contemporary Christianity and LGBT Sexualities** Stephen Hunt,2016-05-13 The subject of gay and lesbian sexuality is perhaps the most vexed issue in the contemporary Christian Church Many churches have been forced to confront the matter both theologically and pastorally and in consequence controversies have proved divisive within the Church most notably between conservative and liberal orientated denominations as well as evangelical churches This book explores these themes from a sociological perspective addressing not only gay and lesbian sexualities but also bi and transgendered sexualities With rich empirical material being presented by a team of experts this book constitutes the first comprehensive sociological study of non hetero sexualities in relation to contemporary Christianity As such it will appeal to sociologists scholars of religion and theology as well as readers across a range of social sciences

**Bodies of Worship** Bernard J. Cooke,1999 Bodies of Worship explores how the ecclesial ritual individual and cultural bodies engaged in the Church s worship contribute to the theory and practice of both liturgical theology and pastoral ministry The authors bring solid historical and theoretical scholarship to bear on the practice and experience of the liturgy and spirituality of the Church

**Women, Ritual, and Power** Elizabeth Ursic,2014-09-30 Reveals

the triumphs and struggles of contemporary Christian congregations to express female imagery of God in worship Many Christians do not know the Bible contains female images of God because they have never heard nor seen them in church In *Women Ritual and Power* Elizabeth Ursic gives the reader insight into four Christian communities that worship God with female imagery both as a worship focus and a community identity These Methodist Presbyterian Lutheran and Catholic congregations operate within their established church denominations and are led by either ordained Protestant ministers or vowed Catholic sisters Because expressing God as She can expose strident claims for maintaining God as He this book shows not only how patriarchy continues to operate in churches today but also how it is being successfully challenged through liturgy *Women Ritual and Power* is an important contribution to the theological world Elizabeth Ursic sheds light on what has enabled churches to include female images for the divine and provides multiple narratives of the negative reactions to such images As she displays how gender is understood in Christian worship with evidence that some churches do include feminist imagery the continuing presence of patriarchy is also revealed The book is basically about the constructive function of the inclusion of feminine images for all One of the main reasons we need this book is that Ursic perceives there is a much wider larger group of Christians who would love to have more feminist images than is recognized in churches and church practices Mary McClintock Fulkerson author of *Changing the Subject Women's Discourses and Feminist Theology*

**Ford's The Modern Theologians** Rachel Muers, Ashley Cocksworth, 2024-03-18 Captures the multiple voices of Christian theology in a diverse and interconnected world through in depth studies of representative figures and overviews of key movements Providing an unparalleled overview of the subject *The Modern Theologians* provides an indispensable guide to the diverse approaches and perspectives within Christian theology from the early twentieth century to the present Each chapter is written by a leading scholar and explores the development and trajectory of modern theology while presenting critical accounts of a broad range of relevant topics and representative thinkers The fourth edition of *The Modern Theologians* is fully updated to provide readers with a clear picture of the broad spectrum and core concerns of modern Christian theology worldwide It offers new perspectives on key twentieth century figures and movements from different geographical and ecclesial contexts There are expanded sections on theological dialogue with non Christian traditions and on Christian theology's engagement with the arts and sciences A new section explores theological responses to urgent global challenges such as nationalism racism and the environmental crisis Providing the next generation of theologians with the tools needed to take theological conversations forward *The Modern Theologians* Explores Christian theology's engagement with multiple ways of knowing across diverse approaches and traditions Combines introductions to key modern theologians and coverage of the major movements within contemporary theology Identifies common dynamics found across theologies to enable cross contextual comparisons Positions individual theologians in geographical regions trans local movements and ecclesial contexts Features new and revised chapters written by experts in particular movements topics and individuals Providing in depth

critical evaluation and extensive references to further readings and research Ford's *The Modern Theologians: An Introduction to Christian Theology* since 1918 Fourth Edition remains an ideal textbook for undergraduate and graduate courses in Theology and Religious Studies such as Introduction to Christian Theology Systematic Theology Modern Theology and Modern Theologians It is also an invaluable resource for researchers those involved in various forms of Christian ministry teachers of religious studies and general readers engaged in independent study **Interdependence** HyeRan

Kim-Cragg, 2018-05-31 This book calls attention to an urgent need for postcolonial feminist approaches to practical theology It not only advocates for the inclusion of colonialism as a critical optic for practical theology but also demands a close look at how colonialism is entangled with issues of race ethnicity gender class disability and sexual orientation Seeking to highlight the importance of the interdependence of life the author challenges and contests the notion of independence as the desirable goal of the human being Lifting up the experiences of overlooked groups including children at adult centered worship queer and interracial youth in heterosexual and white normative family discourse and non human species in human centered academic and theological realms the book contributes to expanding the concerns of practical theology in ways that create healthy community for all human beings and non human fellow creatures It also takes up issues of multiple religious belonging and migration that practical theology has not sufficiently explored These illuminating new possibilities promise to renew and even transform church communities through the inclusion of often neglected groups with whom God is already present

The Other Evangelicals Isaac B. Sharp, 2023-04-18 What's the first thing that comes to mind when you hear evangelical For many the answer is white patriarchal conservative or fundamentalist but as Isaac B Sharp reveals the big tent of evangelicalism has historically been much bigger than we've been led to believe In *The Other Evangelicals* Sharp brings to light the stories of those twentieth century evangelicals who didn't fit the mold including Black feminist progressive and gay Christians Though the binary of fundamentalist evangelicals and modernist mainline Protestants is taken for granted today Sharp demonstrates that fundamentalists and modernists battled over the title of evangelical in post World War II America In fact many ideologies characteristic of evangelicalism today such as biblical womanhood and political conservatism arose only in reaction to the popularity of evangelical feminism and progressivism Eventually history was written by the winners the Billy Grahams of American religion while the losers were expelled from the movement via the establishment of institutions such as the National Association of Evangelicals Carefully researched and deftly written *The Other Evangelicals* offers a breath of fresh air for scholars seeking a more inclusive history of religion in America Q Spirit Top 23 LGBTQ Christian Books List 2023 **Feminist Theologies** Rosemary Radford Ruether, 2007-01-01 A brief and informed survey of women's studies in religion Highlights the emergence of contextual feminist theologies Contributors are the leading theologians in their field

**A Church Wide Enough for Everyone** Steven H. Propp, 2018-02-03 Robert Schaeffer and Douglas West are best friends living in Oklahoma in 1963 when they discover that they both sense a calling to

become ministers in a mainline Christian denomination But from seminary and their early years in ministry to their golden years looking back on what it takes to lead a congregation a stimulating sometimes puzzling yet often inspirational world of theological controversies and congregational concerns would unfold for these two men of God A Church Wide Enough for Everyone follows these two men on their journey to demonstrate the continuing relevance of the Christian faith in a postmodern world After moving to Berkeley California to attend college and seminary they have little time to ponder the vast social changes taking place before they immediately enter into intensive critical study of the Bible and Christian theology And as Robert is then thrust into the ordained ministry with his wife Faye both men must in their own ways face the political cultural and ideological pressures of each passing decade responding to challenges from both within the church and from outsiders Are mainline churches and Christian theology dead Or might they be revitalized in the current century A Church Wide Enough for Everyone and the inspired journeys of two ministers offers a window into how this revitalization and new understanding is possible

**Desperate for Authenticity** Patricia Hawley, 2010-08-04 Virginia Ramey Mollenkott is a pioneer in the endeavors to integrate feminism with Christian theology specifically evangelical theology Desperate for Authenticity considers her personal development alongside her theological development to provide insight into her contributions in the scholarly arena Dr Mollenkott was one of the first evangelicals who demanded that concern for marginalized and vulnerable populations of people be nurtured A foreword by Dr Mollenkott is included as a response to some of the ideas within this book

Thank you unconditionally much for downloading **Sensuous Spirituality Out From Fundamentalism**. Most likely you have knowledge that, people have seen numerous times for their favorite books bearing in mind this Sensuous Spirituality Out From Fundamentalism, but stop in the works in harmful downloads.
