Sent From The Father Meditations On The Fourth Gospel:

Sent from the Father José Comblin, 1979 Sent from the Father José Comblin, 1981 **The Son-Father Relationship and Christological Symbolism in the Gospel of John** Adesola Joan Akala, 2014-07-31 This volume examines Johannine symbolism within the lens of Jesus relationship with the Father After demonstrating that the Gospel narrative symbolically portrays Jesus as the Son of God who is relationally inseparable from his Father the study shows how the Son Father Relationship SFR is at the center of the network of Christological symbols in the Gospel of John Using an innovative narrative framework this book unveils the creative and symbolic introduction of the SFR in the Prologue Jn 1 1 18 its development through the words and actions of Jesus teaching ministry within the Johannine narrative and its culmination in the Prayer Jn 17 the SFR motif then concludes in the remainder of the Gospel This narrative framework reveals how the SFR shapes the literary style and theological strategy of the Gospel and acts as an integrative force by giving structure and cohesion to the Gospel s symbolic system Two key features presented in this book are a theory of symbolism and a network of symbols The specially formulated Theory of Johannine Symbolism explains the theoretical and theological underpinnings of the Gospel s symbolic network called John s Christological Symbolology Through the symbolic network the author of the Gospel fulfills the theological purpose stated in Jn 20 31 that hearer readers believe in Jesus the Christ as the Son of God and thereby experience eternal life **The Missions of Jesus and the Disciples According to the Fourth Gospel** Andreas J. Köstenberger, 1998 In this exegetical study of the Gospel of John Andreas Kostenberger strives to discover and articulate a thoroughly biblical theology of mission which would have contemporary implications for how the church responds to Christ s mandate *Like a Hammer Shattering Rock* Megan McKenna, 2013-02-05 Renowned Catholic author Megan McKenna celebrates her 50th book with a controversial interpretation of the Gospels of Mark Matthew Luke and John and what they mean for the Church and society today In many ways modern audiences have become so familiar with the gospels that we ve stopped listening and integrating their wisdom into our everyday lives Acclaimed author Megan McKenna explores the messages of the four gospels in the context of daily life when they were originally written and interprets their meaning for our modern world While some argue for the development of new gospels for the 21st century McKenna argues that we haven t paid due attention to the ones we already have in many cases we ve ignored sections of these teachings entirely and twisted their meaning to suit our own agendas McKenna breaks it down gospel by gospel and shows us how the lessons of Jesus s apostles continue to resonate **Missio Dei** Thomas Schirrmacher, 2018-05-10 The important term Missio Dei Mission of God needs a biblical foundation The sending of God by God is a foundational motive in the New Testament Even at the very beginning of salvation history shortly after creation God became the first missionary In Jesus God is the missionary par excellence and in the Holy Spirit God is the most successful missionary Mission is part of the nature of God and therefore mission can only be described holistically and in a manner that transforms human mission into the image of God s mission In

three chapters three important themes regarding the Missio Dei are discussed 1 The recent history of the term in missiology 2 the biblical and systematic foundations 3 the debate between the Western and Eastern wings of Christianity over the filioque that is the question whether the Holy Spirit was sent by the Father alone or by the Father and by Jesus His Son

The Cry of the Earth and the Cry of the Poor Kathleen P. Rushton, 2020-07-10 Focused around the lectionary readings from the Gospel The Cry of the Earth and the Cry of the Poor suggests that far from being a Gospel which sits at a safe remove from every day life it can in fact be preached as an urgent call to hear the voices of the oppressed in our world

Psalm 118 in the Gospel of John Andrew C. Brunson, 2003 Andrew Brunson examines the presence and function of Ps 118 in the Gospel of John placing particular emphasis on its interpretation in a New Exodus context which has previously not been developed in the Fourth Gospel Following a comprehensive survey of Ps 118 s Jewish setting its role in the festivals and its use in the Synoptic Gospels special attention is given to the quotations in the Entrance Narrative The author argues that John portrays Jesus as bringing an end to Israel s state of continuing exile by fulfilling the role reserved to Yahweh in the New Exodus This culminates in the Entrance to Jerusalem where Jesus embodies the return of Yahweh to reign among his people A literary study of the coming sent theme in John underscores the extent to which Jesus is identified ontologically and functionally with the Father A previously unnoticed allusion to Ps 118 and Jubilees in John 8 56 is explored and attention is paid to establishing the presence and developing the function of several neglected allusions to the psalm in 10 7 10 10 24 25 and 11 41 42

Missionary Methods Craig Ott, J.D. Payne, 2013-06-15 One hundred years ago Roland Allen authored his landmark study *Missionary Methods* St Paul s or Ours The 2012 annual conference of the Evangelical Missiological Society celebrated this centennial by addressing this ever relevant topic The present volume brings to readers insights from that conference examining the theological foundations historical precedence and practical challenges regarding missionary methods Missiologists missionary practitioners and strategic leaders alike will benefit from these essays which give fresh perspective on methods for fulfilling the Great Commission in our day

The Sacred Place of Exile Carla Brewington, 2013-02-01 The person of exile may be considered a wanderer a nomad a refugee or a rebel People of exile can be the marginalized the disenfranchised the outcast the left out and the pushed away Different terms are used but what defines them all is separation Exile is a dangerous and dominant theme that runs through Scripture through the lives of the people of Israel and through the universal church Women who have known the sacred place of exile are uniquely qualified to form a women s mission The case is made for a momentum shift in missiological thinking There is a desperate and aching need for a women s mission which could lead the way to a women s missionary movement The emergence of such a mission movement is indeed fraught with skepticism and suspicion from many of those inside the church and leaders in the missionary world But the radical disruptive costly following of Jesus to those outside the camp is our calling

Confident Witness--changing World Craig Van Gelder, 1999 In *Confident Witness Changing World* twenty two scholars and skilled

ministry practitioners explore this complex question not only theoretically but also in practical terms immediately useful to pastors and church leaders *The Priority of John* John A. T. Robinson, 2011-03-01 It has been the fate of many books on John to be left unfinished for its interpretation naturally forms the crowning of a lifetime I have myself been intending to write a book on the Fourth Gospel since the fifties before I broke off reluctantly to be Bishop of Woolwich though I am grateful now that I did not produce it prematurely at that time It means however that I shall be compelled to refer to and often recapitulate material directly or indirectly related to the Johannine literature which I have written over the years some of it indeed while I was bishop Many scholars in fact if not most now think that the author of the Gospel himself never lived to finish it and have seen the work as the product of numerous hands and redactors As will become clear I prefer to believe that the ancient testimony of the church is correct that John wrote it while still in the body and that its roughnesses self corrections and failures of connection real or imagined are the result of its not having been smoothly or finally edited If so I am in good company At any rate who could wish for a better last testimony from his friends than that his witness is true John 21 24 In other words he got it right historically and theologically from the Introduction At the time of his death in December 1983 John Robinson had completed the text of the book on which his 1984 Bampton lectures were to be based so that it is possible to see the full details of his extremely controversial argument that the Gospel of John was the first Gospel to be written Dr Robinson himself once described the dawning of his conviction that this was the case as a Damascus Road experience and his presentation of the evidence is made with all the customary vigor with which he would argue for something in which he deeply believed The objections which need to be overcome to stand on its head what has long been one of the fundamental assumptions of New Testament scholarship are substantial but here once again Dr Robinson shows that so much of what is taken as established fact in that area is no more than preference and presumption Certainly he will provoke rethinking on a whole series of topics from the chronology of Jesus ministry to the nature of his teaching As The Listener said of the equally controversial Redating the New Testament The greatest pleasure Dr Robinson gives is purely intellectual His book is a prodigious virtuoso exercise in inductive reasoning and an object lesson in the nature of historical argument and historical knowledge This sequel equals if not excels its predecessor in those respects and is a fitting tribute to a brilliant New Testament scholar The manuscript was prepared for publication by Dr Chip Coakley Dr Robinson's pupil now Lecturer in Religious Studies in the University of Lancaster **Liberation Theology at the Crossroads** Paul E.

Sigmund, 1992-09-03 Liberation theology originated in Catholic Latin America at the end of the 1960s in response to prevalent conditions of poverty and oppression Its basic tenet was that it is the primary duty of the church to seek to promote social and economic justice Since that time it has grown in influence spreading to other areas of the Third World along with bitter controversy about its ties to Marxist ideology and violent revolution Drawing on both English and Spanish sources this critical study examines the history method and doctrines of liberation theology Sigmund considers the movement's origins in

political circumstances in Latin America and provides case studies of its role in such events as the revolution and counter revolution in Chile and in the revolutionary movements in El Salvador and Nicaragua Examining the thought of major liberation theologians as well as the critical responses of the Vatican Sigmund shows that liberation theology is a complex phenomenon comprising a variety of kinds and degrees of radicalism He discerns a general trend away from the Marxist rhetoric that has often characterized the movement in the past and towards the kind of grassroots populist reform typified by the Basic Christian Communities Movement

Third World Liberation Theologies Deane W. Fernald, 2004-04-15 Here for the first time is a systematic survey of the principal liberation theologians from Asia Africa and Latin America Exposing the rich variety of Third World liberation theologies the author highlights points of agreement and divergence in approaches and context and critically assesses the most often heard criticisms of liberation theology With its companion volume *Third World Liberation Theologies A Reader* this survey represents the most comprehensive introduction in any language to what may well be the most significant theological development of this century

Profiles in Liberation Deane W. Fernald, 2004-02-05 Liberation theology has emerged in recent years as one of the most controversial and significant developments in the global church In this concise but comprehensive volume readers will meet 36 of the most prominent liberation theologians from Asia Africa and Latin America Building on his vast research extensive correspondence and in depth interviews Deane William Fernald creates vibrant biographical portraits of these colorful and committed voices who address a theology for today's world

Called as Partners in Christ's Service Sherron Kay George, 2004-06-07 Using a study of the Gospel of John as a framework Sherron George affirms that God's mission in partnership by its very nature must be ecumenical This book is intended for all Christians engaged in mission with God and others It is offered as a theological and practical tool to all in the global church who engage in re-inventing partnership in mission for the twenty first century

Why Mission? Dean Flemming, 2015-11-03 Recent years have seen heightened interest in how to read scripture from a missional perspective This book addresses that question by exploring both how the New Testament bears witness to the mission of God and how it energizes the church to participate in that mission It also makes a distinctive contribution by applying a missional reading to a variety of New Testament books offering insights into New Testament theology and serving today's discussions about mission and the church Dean Flemming has written a game changing book on the interpretation of scripture for the mission of the church This relatively slim but rich volume is absolutely mandatory reading for all serious

students of the New Testament and for all who wish to understand the church's participation in the mission of God. It should be on the syllabus of every ecclesially focused course on the New Testament and every biblically attuned course in ecclesiology and in missiology.

Michael J Gorman, Raymond E Brown, Professor of Biblical Studies and Theology, St Mary's Seminary and University, Baltimore, MD. I am always grateful when another book by Dean Flemming appears. His writing arises out of his significant cross-cultural experience, his outstanding scholarship, and his careful listening to the Spirit in the text. This book is written clearly and is full of nourishing insight.

Michael W Goheen, Professor of Missiology, Calvin Theological Seminary, Grand Rapids, MI, former Geneva Chair of Worldview Studies, Trinity Western University, Langley, BC, and Teaching Fellow in Mission Studies, Regent College, Vancouver, BC. Why mission is a critical question, one not asked or understood often enough. Here is a stirring reading of the New Testament that demonstrates a living triune God on mission, bringing redemption to the world through a living apostolic church. So much rich theological interpretation packed into a small book.

Nijay K Gupta, assistant professor of New Testament, George Fox Evangelical Seminary, Portland, OR. Since writing *The Mission of God*, I have felt guilty that it paid so much more attention to a missional reading of the Old than of the New Testament. This fine book relieves me of that guilt. This is an outstandingly clear and faithful exposition of what it means to read the New Testament from the perspective of and with the intention of participating in the mission of God as revealed in the whole Bible.
