**Company of Liars** Karen Maitland, 2009-05-12 In this extraordinary novel Karen Maitland delivers a dazzling reinterpretation of Chaucer's Canterbury Tales an ingenious alchemy of history mystery and powerful human drama The year is 1348 The Black Plague grips the country In a world ruled by faith and fear nine desperate strangers brought together by chance attempt to outrun the certain death that is running inexorably toward them Each member of this motley company has a story to tell From Camelot the relic seller who will become the group's leader to Cygnus the one armed storyteller from the strange silent child called Narigorm to a painter and his pregnant wife each has a secret None is what they seem And one among them conceals the darkest secret of all propelling these liars to a destiny they never saw coming Magical heart quickening and raw Company of Liars is a work of vaulting imagination from a powerful new voice in historical fiction Praise for Company of Liars Maitland brings to life a medieval England of muddy streets and half naked children fighting each other for pieces of dog dung to sell to the tanners as sheep stealers swing purple faced from the gallows She neatly catches the spirit of primitive superstition that governed every aspect of 14th century life and then rolls on with it for her own story telling ends Company of Liars is a richly evocative page turner which brings to life a lost and terrible period of British history with a disturbing final twist worthy of a master of the spine tingler such as Henry James Daily Express UK Transports readers back to the days of the Black Death Paying homage to The Decameron and The Canterbury Tales this is a gripping read As a reader you are taken as close to the plague as you would ever wish to go Bookseller
