

Sentimientos Intensos Intense Feelings

Hector Ramiro Ordoñez Zuñiga

Sentimientos Intensos Intense Feelings:

Disability Studies and Spanish Culture Benjamin Fraser, 2013 *Disability Studies and Spanish Culture* is the first book to explore representations of intellectual disabilities Down syndrome autism alexia agnosia in contemporary Spanish films novels a graphic novel comic and public expositions by disabled artists

Toolkit for Counseling Spanish-Speaking Clients Lorraine T. Benuto, 2017-11-14 This timely practical reference addresses the lack of Spanish language resources for mental health professionals to use with their Latino clients Geared toward both English and Spanish speaking practitioners in a variety of settings this volume is designed to minimize misunderstandings between the clinician and client and with that the possibility of inaccurate diagnosis and or ineffective treatment Coverage for each topic features a discussion of cultural considerations guidelines for evidence based best practices a review of available findings a treatment plan plus clinical tools and client handouts homework sheets worksheets and other materials Chapters span a wide range of disorders and problems over the life course and include reproducible resources for Assessing for race based trauma Using behavioral activation and cognitive interventions to treat depression among Latinos Treating aggression substance use abuse and dependence among Latino Adults Treating behavioral problems among Latino adolescents Treating anxiety among Latino children Working with Latino couples Restoring legal competency with Latinos The Toolkit for Counseling Spanish Speaking Clients fills a glaring need in behavioral service delivery offering health psychologists social workers clinical psychologists neuropsychologists and other helping professionals culturally relevant support for working with this under served population The materials included here are an important step toward dismantling barriers to mental health care

Poetry of Belle Accents Hector Ramiro Ordoñez Zuñiga, 2023-10-05 A collection of 50 bilingual poems intended to help the learning process This work focuses on improving speaking skills As a poetry book it reflects the nature of love the lack of it however it shows the actual view of feelings The poetic language brings joy or delusion each poem hails love hope and wishes Poetry of Belle Accents takes the reader to discover passion on a personal level As a textbook it aids learners in improving their speaking skills Short poems take the reader to command language features related to orthoepy It includes a list of words associated with the A1 C2 levels of the Common European Framework This book increases vocabulary for those intending to sit a language certification For teachers it includes an outline to plan lessons using literature Plus seven activities to employ poetry during class time

Queer Rebels Łukasz Smuga, 2022-01-31 *Queer Rebels* is a study of gay narrative writings published in Spain at the turn of the 20th century The book scrutinises the ways in which the literary production of contemporary Spanish gay authors Jos Luis de Juan Luis G Mart n Juan Gil Albert Juan Goytisolo Eduardo Mendicutti Luis Antonio de Villena and Ivaro Pombo engages with homophobic and homophile discourses as well as with the vernacular and international literary legacy The first part revolves around the metaphor of a rebellious scribe who queers literary tradition by clandestinely weaving changes into copies of the books he makes This subversive writing act named Mazuf s gesture after the protagonist of Jos Luis de Juan s

This *Breathing World* 1999 is examined in four highly intertextual works by other writers. The second part of the book explores Luis Antonio de Villena and Ivano Pombo who in their different ways seek to coin their own definitions of homosexual experience in opposition both to the homophobic discourses of the past and to the homonormative regimes of the commercialised and trivialised gay culture of today. In their novels Mazuf's gesture involves playing a sophisticated queer game with readers and their expectations. *Just Because I Am / Solo porque soy yo* Lauren Murphy Payne, 2020-02-13 Help little ones build self esteem and self confidence in both English and Spanish. This English Spanish bilingual book of sweet simple affirmations for children helps them respect their bodies, acknowledge their needs, name their feelings and build their self esteem. *Just Because I Am Solo porque soy yo* invites little ones to love, accept and feel good about themselves exactly as they are. A section for adults includes activities and discussion questions in both languages. **Congress Volume**

Stellenbosch 2016, 2017-12-19 This volume presents the main lectures of the 22nd Congress of the International Organization for the Study of the Old Testament IOSOT held in Stellenbosch, South Africa, in September 2016. Sixteen internationally distinguished scholars present their current research on the Hebrew Bible, including the literary history of the Hebrew text, its Greek translation and history of interpretation. Some focus on archaeological and iconographic sources and the reconstruction of ancient Israelite religion, while others discuss the formation of the biblical text and its impact for cultural memory. The volume gives readers a representative view of the most recent developments in the study of the Old Testament. **El relato breve en las letras hispánicas actuales**, 2021-10-11

En este número se reúnen nueve artículos inéditos sobre aspectos del relato breve, cuento y microrrelato en la literatura española e hispanoamericana del último cuarto del siglo XX. Encabezan el volumen tres colaboraciones agrupadas juntas, sea por ser de orientación esencialmente teórica e histórica, sea por presentar una visión de conjunto de un género en un país. Los seis artículos que siguen son comentarios a obras particulares. Los nueve trabajos son representativos al constituir un conjunto caracterizado por la variedad de enfoques y métodos de aproximación a obras de doce destacados escritores e escritoras actuales, sin contar a los que se citan de manera lateral de España, Argentina, Perú, México y Venezuela. *Juan Carlos Onetti, Manuel Puig and Luisa Valenzuela* Linda

Craig, 2005 Onetti, Puig and Valenzuela have not had the same level of international acclaim as Borges, García Márquez or Vargas Llosa. This book has separate sections on each of the three writers which balance close readings of selected passages with tightly woven theoretical analysis. **Spanish American Women's Use of the Word** Stacey Schlau, 2022-10-18

Women's participation both formal and informal in the creation of what we now call Spanish America is reflected in its literary legacy. Stacey Schlau examines what women from a wide spectrum of classes and races have to say about the societies in which they lived and their place in them. Schlau has written the first book to study a historical selection of Spanish American women's writings with an emphasis on social and political themes. Through their words she offers an alternative vision of the development of narrative genres: critical, fictional and testimonial, from colonial times to the present.

The authors considered here represent the chronological yet nonlinear development of women's narrative. They include Teresa Romero Zapata, accused before the Inquisition of being a false visionary; Inés Suárez, nun and writer of spiritual autobiography; Gertrudis Gómez de Avellaneda, author of an indigenist historical romance; Magda Portal, whose biography of Flora Tristán furthered her own political agenda; Dora Alonso, who wrote revolutionary children's books; Domitila Barrios de Chungara, political leader and organizer; Elvira Orphé, whose novel unpacks the psychology of the torturer; and several others who address social and political struggles that continue to the present day. Although the writers treated here may seem to have little in common, all sought to maneuver through institutions and systems and insert themselves into public life by using the written word, often through the appropriation and modification of mainstream genres. In examining how these authors stretched the boundaries of genre to create a multiplicity of hybrid forms, Schlaug reveals points of convergence in the narrative tradition of challenging established political and social structures. Outlining the shape of this literary tradition, she introduces us to a host of neglected voices as well as examining better-known ones who demonstrate that for women, simply writing can be a political act.

Growing Up in Public Ezequiel García, 2016-08-03 Ezequiel García explores the trials and tribulations of transitioning into his 30s as a working artist where the only thing more uncertain than the source of his next paycheck is the future of his hometown Buenos Aires. García's visual storytelling alternates among finely crafted, architecturally breathtaking depictions of Buenos Aires, revelatory intimate self-examination, and phantasmagorical metaphorical flights drawn in nuanced expressive grungy brush strokes.

The Gothic Fiction of Adelaida García Morales Abigail Lee Six, 2006 By highlighting features common to the Gothic classics and the works of Adelaida García Morales, this monograph aims to put the Gothic on the map in Hispanic Studies. The Gothic as a literary mode extending well beyond its first proponents in eighteenth-century England is well established in English studies but has been strangely underused by Hispanists. Now Abigail Lee Six uses it as the paradigm through which to analyse the novels of Adelaida García Morales, while not suggesting that every novel by this author is a classic Gothic text, she reveals certain constants in the work that can be related to the Gothic, even in novels which one might not classify as such. Each of the novels studied is paired with an English language Gothic text such as *Dracula*, *Frankenstein*, and *Dr Jekyll and Mr Hyde*, and then read in the light of it. The focus of each chapter ranges from psychological aspects such as fear of decay or otherness or the pressures linked to managing secrets to more concrete elements such as mountains and frightening buildings and to key figures such as vampires, ghosts, or monsters. This approach sheds new light on how García Morales achieves probably the most distinguishing feature of her novels: their harrowing atmosphere.

ABIGAIL LEE SIX is Professor of Hispanic Studies at Royal Holloway University of London.

Poetry of Belle Dreams Hector Ramiro Ordoñez Zuñiga, 2022-07-28 A collection of 54 bilingual poems intended to help the learning process. This work focuses on improving speaking skills. As a poetry book, it reflects the nature of love, the lack of it, however, it shows the actual view of feelings. The poetic language brings joy or delusion; each poem hails love, hope, and

wishes Poetry of Belle Dreams takes the reader to discover passion on a personal level As a textbook it aids learners in improving their speaking skills Short poems take the reader to command language features related to orthoepy It includes a list of words associated with the A1 C2 levels of the Common European Framework This book increases vocabulary for those intending to sit a language certification For teachers it includes an outline to plan lessons using literature Plus seven activities to employ poetry during class time *La novela psicológica en Hispanoamérica* Alberto Rábago-Martínez,1981
