Sentinel Jane's Information Group Staff,1996-09-01 **India's Sentinel: Select Writings of Air Commodore Jasjit Singh AVSM, VrC, VM (Retd)** Dr Manpreet Sethi,Dr Shalini Chawla,2014-07-15 Air Commodore Jasjit Singh was one of India's foremost strategic analysts The only constant for him in over three decades of research analyses and writing was the centrality of national interest Indeed the man never let the nation down whether as an air warrior or a strategist ever ready to voice his views irrespective of how the wind was blowing and always remaining practical in approach Ever an optimist he believed that India would inevitably rise to power by the sheer size of its economy and human resource potential A greater concern for him however was the need to sensitize his compatriots to the national security challenges that would arise as the country rose and to equip them with the capability to optimally address these He did so through his writings and talks This book is a modest compilation of his select writings on two specific issues nuclear strategy and Pakistan since he considered these as critical amongst India's many security challenges Of course the range of Jasjit Singh's writings and the expanse of his knowledge is immense and beyond capture in one book But this is a small effort in the direction of spreading his message ideas to the current and future generation of scholars and policy makers Hopefully it will encourage students of national security to look for more of his writings beyond the few that we have been able to carry in this volume **Intermarium** Marek Jan Chodakiewicz,2017-09-08 History and collective memories influence a nation its culture and institutions hence its domestic politics and foreign policy That is the case in the Intermarium the land between the Baltic and Black Seas in Eastern Europe The area is the last unabashed rampart of Western Civilization in the East and a point of convergence of disparate cultures Marek Jan Chodakiewicz focuses on the Intermarium for several reasons Most importantly because as the inheritor of the freedom and rights stemming from the legacy of the Polish Lithuanian Ruthenian Commonwealth it is culturally and ideologically compatible with American national interests It is also a gateway to both East and West Since the Intermarium is the most stable part of the post Soviet area Chodakiewicz argues that the United States should focus on solidifying its influence there The ongoing political and economic success of the Intermarium states under American sponsorship undermines the totalitarian enemies of freedom all over the world As such the area can act as a springboard to addressing the rest of the successor states including those in the Caucasus Central Asia and the Russian Federation Intermarium has operated successfully for several centuries It is the most inclusive political concept within the framework of the Commonwealth By reintroducing the concept of the Intermarium into intellectual discourse the author highlights the autonomous and independent nature of the area This is a brilliant and innovative addition to European Studies and World Culture *Jane's Sentinel Security Assessment* ,2003 *Opening Pandora's Box: Ethnicity and Central Asian Militaries* ,
