Sentinels Of History Reflections On Arkansas Properties On The National Register Of Historic Places:

Sentinels of History Mark K. Christ, Cathryn H. Slater, 2000-01-01 Sentinels of History was conceived of as a way to mark the turn of the millennium by the Arkansas Historic Preservation Program This generously illustrated book contains thirty nine essays each of which showcases an important Arkansas site and is written by a noted authority Also included is a location map for these sites and a full appendix providing location information county by county for the more than two thousand surviving properties in Arkansas as of June 1999 that appear on the National Register The essays are as wide ranging as Roger Kennedy s placement of the Toltec Mounds at the time of Charlemagne Donald Harington s sensitive look at the bigeminal architecture of the Wolf dogtrot cabin and Neil Compton s egalitarian tribute to the Boxley Valley Historic District on the Buffalo National River At least one current color photo of the site and one historic image are included with each essay In addition illustrations of the locations or structures listed in the appendix are scattered throughout sections In all Sentinels of History serves as a lavish inventory of historic properties in Arkansas at the end of the twentieth century

Sentinels of History Mark K. Christ, Cathryn H. A Pictorial History of Arkansas's Old State House Mary L. Kwas, 2011-04-01 Arkansas s Old State House arguably the most famous building in the state was conceived during the territorial period and has served through statehood A History of Arkansas s Old State House traces the history of the architecture and purposes of the remarkable building The history begins with Gov John Pope s ideas for a symbolic state house for Arkansas and continues through the construction years and an expansion in 1885 After years of deterioration the building was abandoned by the state government and the Old State House then became a medical school and office building Kwas traces the subsequent fight for the building s preservation on to its use today as a popular museum of Arkansas history and culture Brief biographies of secretaries of state preservationists caretakers and others are included and the book is generously illustrated with early and seldom seen photographs drawings and memorabilia

Digging for History at Old Washington Mary L. Kwas, 2009-02-01 Positioned along the legendary

Southwest Trail the town of Washington in Hempstead County in southwest Arkansas was a thriving center of commerce business and county government in the nineteenth century Historical figures such as Davy Crockett and Sam Houston passed through and during the Civil War when the Federal troops occupied Little Rock the Hempstead County Courthouse in Washington served as the seat of state government A prosperous town fully involved in the events and society of the territorial antebellum Civil War and Reconstruction eras Washington became in a way frozen in time by a series of events including two fires a tornado and being bypassed by the railroad in 1874 Now an Arkansas State Park and National Historic Landmark Washington has been studied by the Arkansas Archeological Survey over the past twenty five years Digging for History at Old Washington joins the historical record with archaeological findings such as uncovered construction details evidence of lost buildings and remnants of everyday objects Of particular interest are the homes of Abraham Block a Jewish merchant originally from New Orleans and Simon Sanders from North Carolina who became the town s county clerk The public and private lives of the Block and Sanders families provide a fascinating look at an antebellum town at the height of its prosperity Arkansas Jeannie M. Whayne,Thomas A. DeBlack,George Sabo,Morris S. Arnold,2019-04-26 Distilled from Arkansas A Narrative History the definitive work on the subject since its original publication in 2002 Arkansas A Concise History is a succinct one volume history of the state from the prehistory period to the present Featuring four historians each bringing his or her expertise to a range of topics this volume introduces readers to the major issues that have confronted the state and traces the evolution of those issues across time After a brief review of Arkansas s natural history readers will learn about the state s native populations before exploring the colonial and plantation eras early statehood Arkansas s entry into and role in the Civil War and significant moments in national and global history including Reconstruction the Gilded Age the Progressive Era the Elaine race massacre the Great Depression both world wars and the Civil Rights Movement Linking these events together Arkansas A Concise History offers both an understanding of the state s history and a perspective on that history s implications for the political economic and social realities of today Educating the Masses C. Calvin Smith,Linda Walls Joshua,Linda Walls Jackson,2005-09-01 Under segregation and in its aftermath black teachers and principals created havens of dignity and uplift for their students and communities In Arkansas where even education for white children has always been underfunded the work of these administrators has been particularly heroic This book researched and prepared by the Research Committee of the Retired Educators of Little Rock and Other Public Schools outlines the challenges to generations of black administrators in the state and it maps their achievements It also offers the first reference guide to the personnel who have educated generations of black children through the most extreme of circumstances Arkansas Politics and Government Diane D. Blair,Jay Barth,2005-01-01 Published a decade and a half after the late Diane D Blair s influential book Arkansas Politics and Government this freshly revised edition builds on her work which highlighted both the decades of failure by Arkansas s government to live up to the state s motto of Regnat Populus The

People Rule and the positive trends of democracy Since the first edition Arkansas has seen the two term U S presidency of a native son the retirement of players who defined the state s politics in the modern era the further realignment of the state s electorate the passage of the nation s most extreme legislative term limits the complete overhaul of the state s court system and the declaration that the state s public education system was unconstitutionally inadequate and inequitable While maintaining the basic structure of Blair s original work with its focus on important historical patterns and the ways in which the past continues to shape the present the second edition details the causes and consequences of recent changes in Arkansas and asks whether they are profound and permanent or merely transitory variations in symbol and style Jay Barth argues that although Arkansas currently expresses a healthier representative democracy than throughout most of its history its political and governmental entities are still sharply limited as effective instruments of the people

The War at Home Mark K. Christ,2020-04-10 The War at Home brings together some of the state s leading historians to examine the connections between Arkansas and World War I These essays explore how historical entities and important events such as Camp Pike the Little Rock Picric Acid Plant and the Elaine Race Massacre were related to the conflict as they investigate the issues of gender race and public health This collection sheds new light on the ways that Arkansas participated in the war as well as the ways the war affected Arkansas then and still does today

"All Cut to Pieces and Gone to Hell" Mark K. Christ,2003 Dogwood trees were in full bloom as Union General Frederick Steele led 8 500 soldiers out of comfortable quarters in Little Rock and into the pine and scrub woodlands of southwest Arkansas Steele s intended target was Shreveport Louisiana He planned to join another Union force coming from Fort Smith bringing his projected complement to 12 500 troops and then link with another Federal army in Louisiana

"This Day We Marched Again" Jacob Haas,2014-03-01 A testament to the valor and determination of a common soldier On September 17 1861 twenty two year old Jacob Haas enlisted in the Sheboygan Tigers a company of German immigrants that became Company A of the Ninth Wisconsin Infantry Regiment Over the next three years Haas and his comrades marched thousands of miles and saw service in Arkansas Kansas Missouri and the Indian Territory including pitched battles at Newtonia Missouri and Jenkins Ferry Arkansas Haas describes the war from the perspective of a private soldier and an immigrant as he marches through scorching summers and brutally cold winters to fight in some of the most savage combat in the west His diary shows us an extraordinary story of the valor and determination of a volunteer soldier Though his health was ruined by war Haas voiced no regrets for the price he paid to fight for his adopted country

The Die Is Cast Mark K. Christ,2010-03-01 Five writers examine the political and social forces in Arkansas that led to secession and transformed farmers clerks and shopkeepers into soldiers Retired longtime Arkansas State University professor Michael Dougan delves into the 1861 Arkansas Secession Convention and the delegates internal divisions on whether to leave the Union Lisa Tendrich Frank who teaches at Florida Atlantic University discusses the role Southern women played in moving the state toward secession Carl Moneyhon of the University of Arkansas at Little Rock

looks at the factors that led peaceful civilians to join the army Thomas A DeBlack of Arkansas Tech University tells of the thousands of Arkansans who chose not to follow the Confederate banner in 1861 and William Garret Piston of Missouri State University chronicles the first combat experience of the green Arkansas troops at Wilson s Creek **CRM** ,2002
