Sentry Peak Harry Turtledove, 2000-09-01 THE STRANGEST CIVIL WAR NOVEL YOU EVER READ When Avram became King of Detina he declared he intended to liberate the blond serfs from their ties to the land The northern provinces where most of the serfs lived would not accept his lordship The hot north was a land of broad estates whose noble overlords took the serfs labor and gave back next to nothing Those provinces left Detina choosing Avram s cousin Grand Duke Geoffrey as their king in his place Avram said he had inherited all of the kingdom not just a part He refused to let Geoffrey rule the north without a challenge And the southron provinces full of merchants and smallholders stood solidly behind him So he sent armies clad in gray against the north Geoffrey raised his own army and arrayed his men in blue made from the indigo much raised on northern estates to distinguish them from the southrons Avram held the larger part of the kingdom and the wealthier part too But Geoffrey s men were bolder soldiers And the north taken all in all had better wizards than the southrons did The war raged for almost three years until Avram s General named Guildenstern and his great lieutenant Doubting George moved against the northern army under Count Thraxton the Braggart and his commander of unicorn riders Ned of the Forest which held the town of Rising Rock close by Sentry Peak At the publisher s request this title is sold without DRM Digital Rights Management

The Myth of Nathan Bedford Forrest Paul Ashdown,Edward Caudill,2006-02-16 An insightful exploration of the relentless myth of the famous Civil War general this volume scrutinizes the collective public memory of Nathan Bedford Forrest as it has evolved through the press memoirs biographies and popular culture **Marching Through Peachtree** Harry Turtledove,2001-11-01 FREE THE BLONDES America s Civil War Turned Upside Down A terrible civil war was tearing apart the kingdom of Detina a land which could no longer be half serf and half free When the new ruler King Avram announced his intent to liberate the blond serfs upon which the northern provinces depended Detina was torn in two and the rebellious north took Avram s cousin Grand Duke Geoffrey as their king Neither side could expect an easy victory The south was larger and wealthier but the north had better soldiers and more powerful wizards Led by officers

riding unicorns supplied by flying carpets both sides had been clashing for three years when Count Thraxton a conceited wizard general whose opinions of his spell casting ability far outstripped the reality bungled a spell which backfired disastrously against his own side giving the Unionists a decisive victory But the war was far from over Thraxton the idiot had been relieved of command which meant that the south faced a far more competent general Joseph the Gamecock And Joseph and his troops were determined to hold Peachtree Province against the loyalist troops They had occupied Rockface Rise which offered only two narrow places where the Unionists could come at them and had further fortified it with trenches and catapults When the southern army attacked they would face formidable obstacles both natural and manmade as well as the repeating crossbows of the troops and the deadly sorcerous storm and lightning wielded by the northern wizards Still the very survival of Detina as one united realm was at stake and King Avram s forces had no choice but to attack no matter what the odds no matter how desperate the situation At the publisher s request this title is sold without DRM Digital Rights Management

Advance and Retreat Harry Turtledove, 2002-12-01 THE NORTH SHALL RISE AGAIN When Avram became King of Detina he declared he intended to liberate the blond serfs from their ties to the land This noble assertion immediately plunged the kingdom into a civil war that would prove long and bloody and set brother against brother The northern provinces dependent on their serf s labor seceded choosing Avram s cousin Grand Duke Geoffrey as their king To save the kingdom Avram sent armies clad in gray against the slave holding North battling Geoffrey s army arrayed in blue Though King Avram held more land and wealth than Geoffrey Geoffrey s men were better soldiers and the North had better and more powerful wizards Still as the war raged on greater population and superior organization began to tell and the tide turned against the North Even so the war is far from over The South still faces two formidable leaders General Bell whose loss of a leg has only strengthened his resolve and Ned of the Forest whose unicorn riders are the most dangerous force on the Northern side And though the Southern sorcerers have become more adept at war spells use of sorcery is unpredictable as the North learned earlier when its forces held an almost impregnable position

but retreated in terror when an overconfident sorcerer's spell went awry Though victory seems in sight for the South its armies must now battle the North on its own ground ground which will prove treacherous and deadly At the publisher's request this title is sold without DRM Digital Rights Management *Don Forest* Katherine M. Annotation Don Forest Quest for the Summits tells the story of one of the most colorful perhaps eccentric people of the Canadian West who is also an award winning mountaineer Yet Don Forest didn't take up the sport until he was in his mid 40s At a time when most men are thinking of retiring from strenuous activities Don was busy setting records He was the first person to climb all 27 of the 11 000 foot peaks in the Canadian Rockies and Columbia Mountains in one year and in 1991 at age 71 he was the oldest person to climb Mount Logan Canada's highest mountain In 1992 he celebrated his 72nd birthday with friends cake and champagne on the summit of Holy Cross Mountain a 9000 foot high mountain in southwest Alberta Kathy Calvert's biography of Don Forest runs the gamut of emotion Her narrative swings from the humor in Don's eccentricities and the pathos of Don's dealing with close friends lost in the mountains to the pride and satisfaction felt when Don's climbing career was recognized by his peers across Canada 3XT Harry Turtledove, 2004-07-01 **Banff Highway Project, Environmental Assessment (EA)st Gate to Km 13 ,1979**
