Separated Brethren William Joseph Whalen, 1972 *Separated Brethren* William Joseph Whalen, 1961 **Ecumenical Theology in Worship, Doctrine, and Life** David S. Cunningham, Ralph Del Colle, Lucas Lamadrid, 2000-01-06 This book presents twenty essays written in honor of the noted theologian and ecumenist Geoffrey Wainwright Cushman Professor of Christian Theology at Duke University The editors have assembled a remarkable international roster of contributors and have organized the volume around three major themes in Wainwright's work worship liturgy and mission Contributors include Nicholas Lossky Eberhard Jungel Dietrich Ritschl and Gunther Gassman **We Gather Together** Neil J. Young, 2016 Tracing the interactions among evangelicals Catholics and Mormons from the 1950s to the present day *We Gather Together* recasts the story of the emergence of the Religious Right showing that it was not a brilliant political strategy of compromise and coalition building hatched on the eve of a history altering election Rather it was the latest iteration of a much longer religious debate that had been going on for decades Evangelicals Catholics and Mormons found common cause and pursued similar ends in debates about abortion school prayer the Equal Rights Amendment and tax exemptions for religious schools but they were far from a unified bloc cracks in the alliance shaped the movement from the very beginning This provocative book will reshape our understanding of the most important religious and political movement of the last 30 years **The Ecumenical Movement** Michael Kinnamon, Brian E. Cope, 1996-12-31 Included in this collection of documents from the twentieth century ecumenical movement are passages from texts produced by assemblies conferences and studies of the World Council of Churches and similar bodies covering three areas of historical concern within modern ecumenism faith and order life and work and mission and evangelism **The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume Six** James Leo Garrett Jr., 2022-09-26 James Leo Garrett Jr has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians In *The Collected Writings of James Leo Garrett Jr 1950 2015* the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship the even handed treatment the biblical fidelity the wide historical breadth and the honest sincerity that have made the work and person of James Leo Garrett Jr so esteemed and revered among so many for so long Volume 6 contains Garrett's writings on Roman Catholicism writings that arise from his own careful study of and interactions with the Catholic Church Spanning sixty five years and touching on topics from Baptist history theology ecclesiology church history and biography religious liberty Roman Catholicism and the Christian life *The Collected Writings of James Leo Garrett Jr 1950 2015* will inform and inspire readers regardless of their religious or denominational affiliations My Journal of the Council Yves Congar, 2012-12-31 Yves Congar was a theological advisor to the preparatory commission for Vatican II and attended all sessions of the Council 1962 1965 as a theological expert His daily journal provides a window into the Council's workings and into the development of what would become a series of historical documents and declarations Theologian Yves Congar silenced and exiled in 1955 was in 1960 made a

The American Ecclesiastical Review Herman Joseph Heuser,1963 The Unexpected Christian Century Scott W. Sunquist,2015-09-29 In 1900 many assumed the twentieth century would be a Christian century because Western Christian empires ruled most of the world What happened instead is that Christianity in the West declined dramatically the empires collapsed and Christianity's center moved to Africa Asia Latin America and the Pacific How did this happen so quickly Respected scholar and teacher Scott Sunquist surveys the most recent century of Christian history highlighting epochal changes in global Christianity He also suggests lessons we can learn from this remarkable global Christian reversal Ideal for an introduction to Christianity or a church history course this book includes a foreword by Mark Noll **Searching for Christian Unity** Cardinal Walter Kasper,2007 A collection of talks given during a conference near Rome marking the 40th anniversary of the Decree on Ecumenism of the Second Vatican council Unitatis redintegratio *Doing the Truth in Charity* Thomas F. The Principles of Hindu Law Jogendra Chunder Ghose,1917

Witness To The World David J. Bosch,2006-10-01 A great deal of uncertainty exists in the church as to what mission really is The shifts in political power away from the traditionally Christian West the call for a moratorium and the other critical voices from the Third World churches and the increasing self assurance and missionary consciousness among adherents of non Christian religions all these have given rise to the question whether Christian mission work still makes sense and if it does what form it should take Is mission identical to evangelism in the sense of proclaiming eternal salvation Does it include social and political involvement and if so how Where does salvation take place only in the Church or in the individual or in society or in the world or in the non Christian religions The picture is one of change and complexity tension and urgency The answers we give to these questions must be consonant with the will of God and relevant to the situation in which we find ourselves
