The Experiment at Philadelphia Kurt B. Bakley, 2016-08-29. The Experiment at Philadelphia. Did Einstein discover God? If God created all things then who Created God? What Was and Happened Before the Big Bang? The Philadelphia Experiment was Einsteins experiment in which he had not only discovered in 1943 the way to make things invisible and transport them at great speeds but also positively proven scientifically physically and spiritually that the Almighty God exists. He had literally discovered God. That question is there a god? Thats been going through peoples minds for so long was discussed on the street corner talked about on the porch on a hot summers night and is now a proven fact. Yes there is a god. Did Einstein in the Philadelphia Experiment make contact with UFO beings who gave him advance knowledge of all things which Einstein later destroyed fearing what the world would do with that knowledge? Are the first fourteen chapters of this book about the advance knowledge Einstein received? Does it reveal the deepest darkest secrets of God and Satan and how the universe works? Does it answer these questions Many have asked since the beginning of the world Which is known as the mystery of God? Why am I here? Whats the true meaning of life? How was everything created? Who are God and the devil? If God created all

who created God If he is the first in creation where and how did he come into existence Why does God allow evil in the world Why do good things happen to bad people and bad things to good people Why if we all came from Adam and Eve who were Jewish are there Gentiles Are Gentiles children of devils Is that why the Jews are Gods chosen race Why in the Garden of Eden was the knowledge of good on the tree forbidden How old is the earth Why is God known as the Trinity Why have religions down through the ages done such evil What when and how did the big bang start What happened to Satan Who is he really and what did he do in the past What are his beliefs and ways What is he and God literally made of What is the meaning of the great pyramids and the sphinx Is there scientific proof that God exists Read this whole book for the answers to all these tough questions and be sure to read the introduction first before reading the rest of this book It will help you better understand this whole book

Facing the Wall Mary S. King,2009-10 Trauma be it accident abuse or war has happened in all our lives This story will give you a deeper understanding of PTSD Post Traumatic Stress Disorder and yes PTSD can be catchy A candid and true story Facing The Wall A Mission a never ending journey is recipient of The Kirkus Star from Kirkus Reviews A star is assigned to books of remarkable merit as determined by the impartial editors of Kirkus Reviews Best of Indie Books 2010 www.ptsd.va.gov Book Review A Vietnam vet s wife fights a long battle with her husband s post traumatic

stress disorder in this poignant memoir When her husband Jim a 27 year old Marine returned intact from Vietnam in 1969 the author hoped that the couple could resume their lives as before But although Jim bore no physical scars from his year in combat his psychic wounds ran deep Indeed he hardly seemed to have left the war He was plagued by nightmares and flashbacks in which he would call for medevac choppers or imagine himself surrounded by enemies He veered between hypervigilance and catatonic staring insisted on sitting with his back to a wall so he could survey his perimeter and was spooked by both loud noises and silence only the soothing sound of crickets could convince him there was nothing lying in wait Over the decades Jim s illness took a heavy toll he lost jobs and eventually became unemployable withdrew emotionally from his wife and sons and endured periodic hospitalizations In the author s telling the Veterans Administration long ignored the Vietnam era PTSD epidemic and was more a hindrance than a help in coping with Jim s problems In her clear eyed memoir King draws a subtle layered portrait of her lost soul of a husband Sometimes he seems unreachable sunk in memories of Vietnam and of his buddies who didn t make it back or in guilt over his own survival and unable to carry out the simplest project but he also devotedly serves as a volunteer fireman and pulls himself together to help his wife through crises and grief It is as much the author s story as Jim s as she struggles to hold the family together and fathom the stranger her husband has become and to reclaim her own personality from the ravages of secondary PTSD With America s latest conflicts still generating victims this is a very timely book an anguished unsparing but ultimately hopeful view of the heartbreak of PTSD An absorbing firsthand saga of war s invisible casualties Kirkus Discoveries **End Time Signs** Kurt B.
