SEQUELS, AN ANNOTATED GUIDE TO NOVELS IN SERIES. 2D ED. Janet Husband,1990 *The Invention of the Sequel* William H. Hinrichs,2011 This book proposes a new way of tracing the history of the Early Modern Spanish novel through the prism of literary continuation It identifies and examines the Golden Age narratives that invented the sequel and the narrative genres that the sequel in turn invented This book proposes a new way of tracing the history of the Early Modern Spanish novel through the prism of literary continuation It identifies and examines the Golden Age narratives that invented the sequel and the narrative genres that the sequel in turn invented The author explores the rivalries between apocryphal and authorized sequelists that forged modern notions of authorship and authorial property The book also defines the sequel s forms and functions filling a major gap in literary theory in general and Peninsular literary studies in particular Notably the author demonstrates that the sequel develops first and foremost in Early Modern Spain an unacknowledged and unexamined contribution to Western letters With its panoramic scope this study serves as an introduction to the central novelistic genres and texts of Early Modern Spain From this foundational starting point it alsooffers a general framework for understanding imaginative expansion in subsequent time periods and literary traditions William H Hinrichs is a founding faculty member and Assistant Professor of Modern Languages at Bard High School Early College Queens **Crash Course in Readers' Advisory** Cynthia Orr,2014-12-05 One of the key services librarians provide is helping readers find books they ll enjoy This crash course will furnish you with the basic practical information you need to excel at readers advisory RA for adults and teens The question can you recommend a good book can be one of the most daunting you face notwithstanding the fact that recommender tools are ubiquitous Often uncertainty arises because although librarians are called on to perform such services daily readers advisory is a skill set in which most have no formal training This guide will remedy that It is built around understanding books reading and readers and will quickly show you how to identify reading preferences and advise patrons effectively You ll learn about multiple RA approaches such as genre appeal features and reading interests and about essential tools that can help with RA Plus you ll discover tips to help you keep up with this ever changing field There is no other professional book that covers the full spectrum of skills needed to perform the RA service that is in such great demand in libraries of all kinds Helping readers find what they want is a sure way to serve patrons and build your library s brand You

will come away from this easy to understand crash course with the solid background you need to do both *The Readers' Advisory Guide to Genre Fiction* Joyce G. Saricks, 2001 Covering fifteen popular genres each chapter includes a definition of the genre its characteristics and appeal elements such as character development story line and frame and its key authors and subgenres **A Reference Guide for English Studies** Michael J. Marcuse, 2023-11-15 The Worlds of Carol Shields David Staines, 2014-12-02 Carol was a very fine writer and a remarkable human being a wonderful person whose work I closely followed for more than 20 years I interviewed her frequently over those years with virtually every work she produced novel radio drama play book of stories So I had a good sense of the span of her work and also her evolution as a stylist But the key reason I wanted to make a book focusing on her life and work is that we were friends Eleanor Wachtel This book strikes the right balance between intimate accounts and literary analysis It opens with reminiscences by close friend Eleanor Wachtel which are followed by a study of Shields poetry by her daughter and grandson then by various aspects of her fiction including a detailed examination of her plays It closes with reminiscences by four close friends Jane Urquhart Joan Clark Wayson Choy and Martin Levin The 23 contributors offer new insights new theories and new perspectives about Shields illuminating career Only one piece her obituary written by Margaret Atwood has been previously published Romance Fiction Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and the outlines the best selling genre of all time romance fiction More than 2 000 romances are published annually making it difficult for fans and the librarians who advise them to keep pace with new titles emerging authors and constant evolution of this dynamic genre Fortunately romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it including fans searching for reading material as well as for library staff scholars and romance writers themselves This title updates the last edition of *Romance Fiction A Guide to the Genre* published in 1999 While the emphasis is on newer titles many of the important older classics are retained keeping the focus of the book on the entire genre instead of only those titles published during the last decade Specific changes include new chapters on linked and continuing romances a new section on Chick Lit in the Contemporary Romance chapter an expansion of coverage on the alternative reality subset This is THE romance genre guide to have **Writing and Publishing** Carol Smallwood, 2010 Have you ever considered writing or reviewing for the library community Are you interested in publishing a book on your favorite author or hobby Do you need to write and publish for tenure If so *Writing and Publishing* is for you Practical how to guidance covering fiction poetry children s books magazines self publishing literary agents personal blogging and other topics will help you write As an expert for other library professionals Creative copy and information about your library Copy for websites blogs and online columns Bibliographic essays and lists Book reviews formal and informal *Writing and Publishing* will serve as a great resource whether in taking the anxiety out of writing or refining your style you ll use this book as much as your pen or keyboard Second Takes Carolyn Jess-Cooke, Constantine Verevis, 2012-02-01 Sequels serials

and remakes have been a staple of cinema since the very beginning and recent years have seen the emergence of dynamic and progressive variations of these multi film franchises Taking a broad range of sequels as case studies from the Godfather movies to the Pirates of the Caribbean franchise *Second Takes* confronts the complications posed by film sequels and their aftermaths proposing new critical approaches to what has become a dominant industrial mode of Hollywood cinema The contributors explore the sequel s investments in repetition difference continuation and retroactivity and particularly those attitudes and approaches toward the sequel that hold it up as a kind of figurehead of Hollywood s commercial imperatives An invaluable resource to the film student critic and fan *Second Takes* offers new ways of looking at the film sequel s industrial aesthetic cultural political and theoretical contexts *Library and Information Science* Michael Bemis,2014-03-03 This unique annotated bibliography is a complete up to date guide to sources of information on library science covering recent books monographs periodicals and websites and selected works of historical importance *The Readers' Advisory Guide to Mystery* John Charles,Candace Clark,Joanne Hamilton-Selway,Joanna Morrison,2012 Revision of The mystery readers advisory the librarian s clues to murder and mayhem John Charles Joanna Morrison and Candace Clark Chicago American Library Association 2002 [Reference Sources for Small and Medium-Sized Libraries](#) Jack O'Gorman,2014-02-25 Focusing on new reference sources published since 2008 and reference titles that have retained their relevance this new edition brings O Gorman s complete and authoritative guide to the best reference sources for small and medium sized academic and public libraries fully up to date *Pre- and Post-Retirement Tips for Librarians* Carol Smallwood,2012 Smallwood s volume offers insight inspiration and tips for those already retired as well as those thinking about retiring **To Be Continued** Hope Apple,Merle L. Jacob,2000-10-10 Keeping track of prolific authors who write fiction series was quite challenging for even the most ardent fan until *To Be Continued* debuted in 1995 Noew readers will be happy that the soon to be released second edition has added 1 600 new books and 400 new series *To Be Continued* Second Edition maintains the first volume s successful formula that featured concise A to Z entries packed with useful information including titles publishers publication dates genre categories annotations and subject terms Among the genre categories that can be found in *To Be Continued* are romance science fiction crime novel horror adventure fantasy humor western war Christian fiction and others
