of bedraggled Serb refugees cynically manipulated and then abandoned once the dream of a Greater Serbia was lost This first in depth account of life behind Serbian lines is not an apologia but a scrupulous explanation of how the people of a modernizing European state could become among the most reviled of the century Rejecting the stereotypical image of a bloodthirsty nation Judah makes the Serbs comprehensible by placing them within the context of their history and their hopes

Debating the End of Yugoslavia Florian Bieber, Armina Galijaš, 2016-05-13

Countries rarely disappear off the map In the 20th century only a few countries shared this fate with Yugoslavia The dissolution of Yugoslavia led to the largest war in Europe since 1945 massive human rights violations and over 100 000 victims Debating the End of Yugoslavia is less an attempt to re write the dissolution of Yugoslavia or to provide a different narrative than to take stock and reflect on the scholarship to date New sources and data offer fresh avenues of research avoiding the passion of the moment that often characterized research published during the wars and provide contemporary

perspectives on the dissolution The book outlines the state of the debate rather than focusing on controversies alone and maps how different scholarly communities have reflected on the dissolution of the country what arguments remain open in scholarly discourse and highlights new innovative paths to study the period *Yugoslavia; the Nations of To-day* John Buchan,1923 **Ideology, Legitimacy, and the New State** Sinisa Malesevic,2002 **Burn This House** James Ridgeway,2000-10-31 An account of the rise and fall of Yugoslavia by the people who live there The pieces have been written by the people protesting in the streets of Belgrade now the voices of the antiwar opposition regardless of ethnic background

Serbia's Antibureaucratic Revolution N. Vladislavljjevic,2008-08-04 The antibureaucratic revolution was the most crucial episode of Yugoslav conflicts after Tito Drawing on primary sources and cutting edge research this book explains how popular unrest contributed to the fall of communism and the rise of a new form of authoritarianism competing nationalisms and the break up of Yugoslavia *The Yugoslav Crisis in International Law* University of Cambridge. Research Centre for International Law,1997-07-28 This book brings together for the first time a comprehensive documentary record of the crisis in the former Yugoslavia tracing the responses both of the United Nations and regional organisations Many of the documents reproduced are otherwise inaccessible This volume contains all relevant UN Security Council Resolutions and Presidential Statements together with the records of the debates leading to their adoption reports on the crisis compiled by the UN Secretary General and extracts from decisions and debates in the UN General Assembly The efforts of regional organisations are reflected in general documents from amongst others the EC NATO the Western European Union the Conference on Security and Cooperation in Europe the Organisation of the Islamic Conference and the Non Aligned Movement *The Destruction of Yugoslavia* Maga,1993-03-17 Traces the story of Yugoslavia s disintegration over the entire period since Tito s death in 1980 This book explains why this once stable and seemingly harmonious country was fated to break up in a savage war for territory **Yugoslavia's Ruin** Cvijeto Job,2002 This remarkable book combines analysis and memoir to offer the unique perspective of an informed insider who lived through Yugoslavia s demise Cvijeto Job s powerful and provocative story of Yugoslavia s birth rise and brutal destruction is intertwined with his family history as he probes deeply into the causes and legacies of Yugoslavia s ruin The result is a sober assessment of the successes and unflinching critique of the failures of Tito s Yugoslavia and how policies that were intended to ameliorate the country s ethnic tensions were corrupted or abandoned ending in its undoing Job argues passionately for the intervention of the international community in Yugoslavia and offers concrete suggestions for preventing future ethnic atrocities Anyone reading his book will come to think more deeply about the ways in which the web of history and collective political culture weave the fates of nations and individuals in times of crisis
