Serbia Through The Ages East European Monograph:

Serbia Through the Ages Alex N. Dragnich, 2004 This book presents a brief history of Serbia The book examines the dual political threads throughout the 1800 s the gradual liberation from Ottoman rule and the replacement of that authority by Serbs and the determined efforts by Serbs to limit their own rulers in such a way as to eventually result in a parliamentary democracy which was accomplished by the end of the century In the twentieth century the Serbs joined other South Slavs in the First and Second Yugoslavia with the latter collapsing at the end of the century The book is aimed at correcting misconceptions about the role of the Serbian people in various events in their history

Crises In The Balkans Constantine P Danopoulos, 2019-03-07 Written from the perspectives

of regional and international participants this book explores the causes and consequences of chronic conflicts in the Balkans Assessing the likelihood of a region wide conflagration the contributors examine the ongoing carnage in Bosnia the looming crisis over Kosovo the dispute between Greece and Macedonia over t **Crisis and Ontological Insecurity** Filip Ejdus,2019-07-01 This book develops a novel way of thinking about crises in world politics By building on ontological security theory this work conceptualises critical situations as radical disjunctions that challenge the ability of collective agents to go on These ontological crises bring into the realm of discursive consciousness four fundamental questions related to existence finitude relations and autobiography In times of crisis collective agents such as states are particularly attached to their ontic spaces or spatial extensions of the self that cause collective identities to appear more firm and continuous These theoretical arguments are illustrated in a case study looking at Serbia s anxiety over the secession of Kosovo The author argues that Serbia s seemingly irrational and self harming policy vis vis Kosovo can be understood as a form of ontological self help It is a rational pursuit of biographical continuity and a healthy sense of self in the face of an ontological crisis triggered by the secession of a province that has been constructed as the ontic space of the Serbian nation since the late 19th century

Eastern Europe David Turnock,2002-11 **Balkans into Southeastern Europe, 1914-2014** John Lampe,2014-07-15 The states and peoples of Southeastern Europe have been divided by wars over the twentieth century but they have since worked to re establish themselves into the European mainstream This timely new edition has been revised updated and expanded in the light of the latest scholarship and recent events John R Lampe now offers a comprehensive assessment of the full century from the Sarajevo assassination in 1914 through to EU membership and developments up to the present day

Rival Byzantiums Diana Mishkova, 2022-12-15 This is a comprehensive comparative view of the way the phenomenon of Byzantium has been treated by the historiographies of the polities that have emerged from its remains Bulgaria Greece Romania Serbia and Turkey from the Enlightenment to the present day Synthesising a sprawling mass of material largely unknown to academic audiences it highlights the important place Byzantium's representations occupy in the identity building and historical consciousness in that part of Europe The diverse interpretations of the Byzantine phenomenon across and within these historiographic traditions are scrutinised against the backdrop of shifting geopolitical and cultural contexts in constant dialogue and competition with each other and in communication with extra regional western and Russian academic currents The book will be of value to medieval historians Byzantinists and historians of historiography as well as students of and specialists in modern politics cultural and intellectual history

The Origins of Backwardness in Eastern Europe Daniel Chirot, 1989 Reaching back centuries this study makes a convincing case for very deep roots of current Eastern European backwardness Its conclusions are suggestive for comparativists studying other parts of the world and useful to those who want to understand contemporary Eastern Europe's past Like the rest of the world except for that unique part of the West which has given us a false model of what was normal Eastern Europe developed slowly The weight of established class relations geography lack of technological innovation and wars kept the area from growing richer In the nineteenth century the West exerted a powerful influence but it was political more than economic Nationalism and the creation of newly independent aspiring nation states then began to shape national economies often in unfavorable ways One of this book's most important lessons is that while economics may limit the freedom of action of political players it does not determine political outcomes The authors offer no simple explanations but rather a theoretically complex synthesis that demonstrates the interaction of politics and economics

Kosovo, A Documentary History Robert Elsie, Bejtullah D. Destani, 2018-01-30 The question of Kosovan sovereignty and independence has a history which stretches far back beyond the outbreak of war in 1998 This volume is a compilation of key documents on Kosovo from the first half of the twentieth century These texts including numerous diplomatic despatches from the British Foreign Office deal initially with the Albanian uprising against Ottoman rule in the spring of 1912 and in particular with the period of the Serbian invasion of Kosovo in late 1912 and the repercussions of the conquest for the Albanian population The documents from 1918 to the early 1920s focus mainly on endeavours by Albanian leaders including those of the so called Kosovo Committee in exile to bring the plight of their people to the attention of the outside world endeavours which largely failed Further documents reflect the situation in Kosovo up to the outbreak of World War II This collection provides new perspectives on the Kosovo question and includes many documents which have been largely unavailable up to now It sheds

new light on many of the major and minor episodes that channelled and determined subsequent events including the Kosovo War of 1998 1999 and the declaration of independence in February 2008

Multiethnic Regionalisms in Southeastern Europe Dejan Stjepanović, 2017-09-18 This book is based on a comparative study of regionalisms in Croatia's regions of Dalmatia and Istria as well as Serbia's Vojvodina. The monograph's main focus is on regionalist political party strategies since 1990 and within that each case study considers history and historiography, inter-group relations, economics and region building. The analysis demonstrates that many of the common assumptions about the causal determinants of territorial autonomy projects and outcomes as well as about a teleological and unidirectional path from regionalism to nationalism do not stand up to scrutiny. The author introduces original concepts such as plurinational, multinational and sectional regionalism to theories of nationalism and territorial politics. This book will appeal to scholars and upper level students interested in territorial politics, federalism, nationalism and comparative politics.

Theology at War and Peace Mark D. Chapman, 2016-10-14 This book is the first detailed discussion of the impact of the First World War on English theology. Assessing the close relationships between English and German theologians before the First World War, Chapman then explores developments throughout the war. A series of case studies make use of a large amount of unpublished material showing how some theologians sought to maintain relationships with their German colleagues while others, especially from a more Anglo-Catholic perspective, used the war as an opportunity to distance themselves from the liberal theology which was beginning to dominate the universities before the war. The increasing animosity between Britain and Germany meant that relations were never healed. English theology became increasingly insular, dividing between a more home-grown variety of liberalism and an ascendant Anglo-Catholicism. Consequently, this book offers useful insights into the development of theology in the twentieth century and will be of keen interest to scholars and students of the history of theology.

Women and Gender in Central and Eastern Europe, Russia, and Eurasia Mary Zirin, Irina Livezeanu, Christine D. Worobec, June Pachuta Farris, 2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium. The coverage encompasses the relevant territories of the Russian, Hapsburg and Ottoman empires, Germany and Greece and the Jewish and Roma diasporas. Topics range from legal status and marital customs to economic participation and gender roles, plus unparalleled documentation of women writers and artists and autobiographical works of all kinds. The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations. Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies. The entries are cross-referenced and each volume includes indexes.
