All Crowley wants is to retire and catalog the creatures he's never before encountered in the Americas. All Lucas Slate wants is to understand what is happening to his body and mind and why there is an endlessly changing song echoing through his head that will not leave him in peace. Dark Gods, Ghosts, Werewolves, and Spectral Trains are a few of the obstacles between what they want and what they get. Collected for the first time, the stories *Black Train Blues*, *The Devoted*, *Blank White Page*, *Songs in the Key of White*, and *What Rough Beast* co-authored by Charles R. Rutledge continue the story started in *BOOMTOWN*. An additional never before published short story *Where Did We Go Wrong* finishes this collection of tales. But his secret will destroy ours. I always thought my life was perfect. A wonderful family, a successful business, and a beautiful home. My husband Victor and I were so happily married we thought we could help transform other people's lives at our boutique marriage retreat. This tranquil hotel with the soothing sound of the waterfall outside is the perfect setting for couples to repair their fractured relationships. Our marriage has always been the shining example of honesty and trust. Or at least that's what I thought. An unnamed woman was by his side when Victor died, and she now lies in a coma. Who is she? And what was she doing with my husband? As I begin to unravel Victor's secrets, I realise that my perfect marriage might never have been perfect at all.
