

SERGEANT YORK

LAST *of the*
LONG HUNTERS

Sergeant York Last Of The Long Hunters

Michael E. Birdwell

Sergeant York Last Of The Long Hunters:

Sergeant York Tom Skeyhill,1993 *Sergeant York* John Perry,2010-10-11 Growing up in the Tennessee hills Alvin York was equally renowned as a marksman and as a hard drinking brawler A dramatic New Year s conversion convinced him that killing was against God s will and yet this shy big boned mountaineer singlehandedly dispatched two dozen Germans and captured 132 in the closing days of World War I He earned the Medal of Honor and a ticker tape parade but refused to cash in on his fame insisting Uncle Sam s uniform ain t for sale This succinct and gripping new account of Sgt York s remarkable life includes details from exclusive interviews with the sergeant s three surviving children and information drawn from battlefield eyewitness reports and original film studio archives fresh reminders of the legacy of one of America s great Christian patriots We learn about life through the lives of others Their experiences their trials their adventures become our schools our chapels our playgrounds Christian Encounters a series of biographies from Thomas Nelson Publishers highlights important lives from all ages and areas of the Church through prose as accessible and concise as it is personal and engaging Some are familiar faces Others are unexpected guests Whether the person is D L Moody Sergeant York Saint Nicholas John Bunyan or William F Buckley we are now living in the world that they created and understand both it and ourselves better in the light of their lives Their relationships struggles prayers and desires uniquely illuminate our shared experience **Alvin York** Douglas V. Mastriano,2014-03-25 Alvin C York 1887 1964 devout Christian conscientious objector and reluctant hero of World War I is one of America s most famous and celebrated soldiers Known to generations through Gary Cooper s Academy Award winning portrayal in the 1941 film *Sergeant York* York is credited with the capture of 132 German soldiers on October 8 1918 in the Meuse Argonne region of France a deed for which he was awarded the Congressional Medal of Honor At war s end the media glorified York s bravery but some members of the German military and a soldier from his own unit cast aspersions on his wartime heroics Historians continue to debate whether York has received more recognition than he deserves A fierce disagreement about the location of the battle in the Argonne forest has further complicated the soldier s legacy In *Alvin York* Douglas V Mastriano sorts fact from myth in the first full length biography of York in decades He meticulously examines York s youth in the hills of east Tennessee his service in the Great War and his return to a quiet civilian life dedicated to charity By reviewing artifacts recovered from the battlefield using military terrain analysis forensic study and research in both German and American archives Mastriano reconstructs the events of October 8 and corroborates the recorded accounts On the eve of the WWI centennial Alvin York promises to be a major contribution to twentieth century military history *Sergeant York* David D. Lee,2014-04-23 A stirring account of the heroic World War I exploits and life of Tennessean Alvin C York Reads like a good novel Southern Living In a brief encounter on October 8 1918 during the Argonne offensive Alvin C York killed 25 German soldiers and almost singlehandedly effected the capture of 132 others Returning to the United States the following spring he received a tumultuous public welcome and a flood of offers from businessmen eager

to capitalize on his acclaimed feat But York true to his character went quietly back to his home in the Tennessee mountains where he spent the remainder of his life working to bring schools and other services to those remote valleys where his neighbors lived In this definitive biography David D Lee goes beyond that single wartime episode however to consider its consequences on York s later life his efforts not always successful to better his mountain community his involvement in making a motion picture of his life his difficulties with money and taxes But Sergeant York is better known as a symbol than as an individual and in this study Lee connects the man and his life to an American heroic ideal With his rural background his refusal to take commercial advantage of his fame and his simple piety Alvin York exemplified the traditional values of an agrarian America that was in his own day already receding into the past He claimed a special place in the hearts of his countrymen Lee concludes because his life seemed to show that the virtues of the common man continued to be a vital part of American society

Unraveling the Myth of Sgt. Alvin York James Patrick Gregory,2023-01-20 On October 8 1918 seventeen soldiers from the 82nd Division American Expeditionary Force led by acting Sgt Bernard Early flanked a German machine gun nest that had inundated their unit with withering fire In this sneak attack they successfully surprised and captured more than 80 German soldiers before an unseen machine gun suddenly opened fire and killed six men Acting Cpl Alvin York a member of the patrol received the credit for taking control of the squad and single handedly killing 20 Germans capturing 132 prisoners and eliminating 35 machine guns all before leading the men back to Allied lines For this act of bravery York not only received the Medal of Honor and was promoted to sergeant but he also rose to fame and glory The 1941 movie Sergeant York starring Gary Cooper solidified York as a legend and one of the most well known military figures in American history In Unraveling the Myth of Sgt Alvin York historian James P Gregory Jr tells the story of the other sixteen soldiers who took part in the battle capture and return before fading into relative obscurity in the shadow of Sergeant York As the tale reached mythological proportions the other survivors began to speak out seeking recognition for their parts in the engagement only to be stymied by improper investigations cover ups and media misrepresentations Here Gregory recovers the story of these other men and the part they played alongside York while revealing the process of mythmaking in twentieth century America

Rural Life and Culture in the Upper Cumberland Michael Birdwell,2004-12-24 Tennessee History Book Award Finalist The Upper Cumberland region of Kentucky and Tennessee often regarded as isolated and out of pace with the rest of the country has a far richer history and culture than has been documented The contributors to Rural Life and Culture in the Upper Cumberland discuss an extensive array of subjects including popular music movies architecture folklore religion and literature Seventeen original essays by prominent scholars such as Lynwood Montell Charles Wolfe Allison Ensor and Jeannette Keith uncover fascinating stories and personalities as they explore topics including wartime hero Alvin C York Socialist Party Tennessee gubernatorial candidate Kate Brockford Stockton and even a thriving nudist colony the Timberline Lodge

Sergeant York And His People Sam K. Cowan,2023-08-22 In Sergeant York And His People by Sam K Cowan

readers are immersed in a detailed account of the life of Alvin C York a renowned World War I hero The book combines historical facts with insightful anecdotes about York s upbringing his experiences in the war and how he became a symbol of American patriotism Written in a straightforward and engaging style the book captures the essence of rural America in the early 20th century offering a vivid portrayal of York s struggle for personal and moral growth amidst the chaos of war Cowan s work not only sheds light on York s heroism but also provides a broader understanding of the societal values and challenges of the time The language and tone of the book reflect Cowan s dedication to preserving York s legacy and honoring his contributions to American history **Sergeant York And His People** is a must read for history enthusiasts and anyone interested in the complexities of human nature and heroism

Reports of the Tax Court of the United States United States. Tax Court,1955 Reports of the United States Tax Court United States. Tax Court,1955 Howard Hawks Todd

McCarthy,2007-12-01 The first major biography of one of Old Hollywood s greatest directors Sometime partner of the eccentric Howard Hughes drinking buddy of William Faulkner and Ernest Hemingway an inveterate gambler and a notorious liar Howard Hawks was the most modern of the great masters and one of the first directors to declare his independence from the major studios He played Svengali to Lauren Bacall Montgomery Clift and others but Hawks s greatest creation may have been himself As The Atlantic Monthly noted Todd McCarthy has gone further than anyone else in sorting out the truths and lies of the life the skills and the insight and the self deceptions of the work A fluent biography of the great director a frequently rotten guy but one whose artistic independence and standards of film morality never failed The New York Times Book Review Hawks s life until now rather an enigma has been put into focus and made one with his art in Todd McCarthy s wise and funny Howard Hawks The Wall Street Journal Excellent A respectful exhaustive and appropriately smartass look at Hollywood s most versatile director Newsweek **Army History** ,2000 Biography by Americans, 1658-1936 Edward H. O'Neill,2016-11-11 This volume is the most comprehensive bibliography of purely biographical material written by Americans It covers every possible field of life but by design excludes autobiographies diaries and journals Pennsylvania School Journal ,1929 *Celluloid Soldiers* Michael E. Birdwell,1999-05 During the 1930s many Americans avoided thinking about war erupting in Europe believing it of little relevance to their own lives Yet the Warner Bros film studio embarked on a virtual crusade to alert Americans to the growing menace of Nazism Polish Jewish immigrants Harry and Jack Warner risked both reputation and fortune to inform the American public of the insidious threat Hitler s regime posed throughout the world Through a score of films produced during the 1930s and early 1940s including the pivotal **Sergeant York** the Warner Bros studio marshaled its forces to influence the American conscience and push toward intervention in World War II *Celluloid Soldiers* offers a compelling historical look at Warner Bros s efforts as the only major studio to promote anti Nazi activity before the outbreak of the Second World War

Sergeant York and His People Sam Kinkade Cowan,1922 During World War I a man from Tennessee is torn between his pacifist principles and his patriotic duty He goes on to become the most

famous hero of that war Alvin C York **Sergeant York and the Great War** Tom Skeyhill, 2024-01-01 This memoir chronicles the Tennessee soldier's journey from conscientious objector to decorated World War I hero In the 1941 film *Sergeant York* actor Gary Cooper played a real American soldier Sgt Alvin C York as he served in World War I The film garnered an Academy Award for Cooper and further notoriety for York an American hero This book *Sergeant York and the Great War* chronicles York's early years in the backwoods of northern Tennessee until he was drafted into the US Army to serve overseas during World War I Also featured is York's war diary detailing life in the trenches [History Is Fascinating](#) Homer Adams, 2008-09 Prolific author Homer J Adams whose previously published books included suggestions for college students and wisdom for senior citizens now takes on a much larger and more difficult subject history People don't automatically like history writes the author but they love a good story History is a story or rather a collection of stories about people and how they lived and loved These accounts are shot through with humor and human interest which for too long has been minimized in the study of history In his new offering *History Is Fascinating And I Can Prove It* Mr Adams's selections are rich in colorful anecdotes and vivid imagery He is also a talented storyteller with a love for creating distinct character portrayals that readers can easily embrace Therein lies the readability of these historical references readers will easily absorb the storyline while becoming enchanted with the story itself and its characters For instance in the World History section there are engaging vignettes on Queen Elizabeth's Toothache Columbus and the Moon's Eclipse and Galileo Elsewhere the section on the Nineteenth Century includes *Dirty Politics 1824* and *Yankee Inventiveness* while the Current Century section includes an homage to the victims of Hurricane Katrina I hope that these brief historical accounts writes Mr Adams will add to the reader's knowledge of past events and the way people lived Book jacket *Sergeant York, His Own Life Story and War Diary* Alvin Cullum York, 1928 **Reconstructing American Historical Cinema** J.E. Smyth, 2006-10-27 In *Reconstructing American Historical Cinema From Cimarron to Citizen Kane* J E Smyth dramatically departs from the traditional understanding of the relationship between film and history By looking at production records scripts and contemporary reviews Smyth argues that certain classical Hollywood filmmakers were actively engaged in a self-conscious and often critical filmic writing of national history Her volume is a major reassessment of American historiography and cinematic historians from the advent of sound to the beginning of wartime film production in 1942 Focusing on key films such as *Cimarron* 1931 *The Public Enemy* 1931 *Scarface* 1932 *Ramona* 1936 *A Star Is Born* 1937 *Jezebel* 1938 *Young Mr Lincoln* 1939 *Gone with the Wind* 1939 *Stagecoach* 1939 and *Citizen Kane* 1941 Smyth explores historical cinema's connections to popular and academic historiography historical fiction and journalism providing a rich context for the industry's commitment to American history Rather than emphasizing the divide between American historical cinema and historical writing Smyth explores the continuities between Hollywood films and history written during the first four decades of the twentieth century from Carl Becker's famous *Everyman His Own Historian* to Howard Hughes's *Scarface* to Margaret

Mitchell and David O Selznick's *Gone with the Wind* Hollywood's popular and often controversial cycle of historical films from 1931 to 1942 confronted issues as diverse as frontier racism and women's experiences in the nineteenth century South the decline of American society following the First World War the rise of Al Capone and the tragic history of Hollywood's silent era Looking at rarely discussed archival material Smyth focuses on classical Hollywood filmmakers adaptation and scripting of traditional historical discourse and their critical revision of nineteenth and twentieth century American history *Reconstructing American Historical Cinema* uncovers Hollywood's diverse and conflicted attitudes toward American history This text is a fundamental challenge the prevailing scholarship in film history and cultural studies **Catalog of Copyright Entries. New Series** Library of Congress. Copyright Office, 1932
