Tribulations William E. Dewberry,2007-09-13 In everyones life span there are some good times some difficult times and some in between times People tend to have a better memory of the good times and the difficult times but it is the difficult times that bring the pain and sorrow See how an enduring faith in God brings one man through seventy years of such experiences Journey with him as he endures the tribulations of the Great Depression the loss of family and home and lastly his dark and fearful walk through the valley of the shadow of death Learn how his love for family and his lasting faith in God helped him survive those troublesome times

Tales from a Dog Catcher Lisa Duffy-Korpics,2009-04-01 The Cold War had recently drawn to a close and Lisa Duffy Korpics s career as a dogcatcher would soon be history too but for very different reasons and indeed with infinitely more pleasant memories In *Tales from a Dog Catcher* she brings together these experiences in a magical book that is funny touching and heartrending by turns Set in a small Hudson River town north of New York City this book comprises twenty two real life stories about people and their experiences with animals stories that both entertain and charm and feature all creatures great and small from plenty of dogs and cats and peeping Tom raccoons to a duck and a turkey and an imagined mountain lion Animal lovers of all kinds can read how A decades long feud between two longtime enemies who use each other s dogs to hurt each other culminates in a dramatic courtroom battle where they unwittingly end up helping each other A call on an elderly woman to surrender twenty three cats provokes a surprising revelation A language and culture barrier yields a situation where a woman ends up watering her cats like plants All ends well save for some damp kittens but the laughter continues for miles The police chief forces the animal control officer ACO into a presentation at the local high school for students with behavioral problems After a few awkward moments the ACO finds herself at ease Drawn to these engaging teenagers she realizes that sometimes what you are meant to do in life is not always something that you choose Sometimes it chooses you In the tradition of James Herriot s *All Creatures Great and Small* and John Grogan s *Marley Me* Lisa Duffy Korpics s *Tales from a Dog Catcher* is an unforgettable look at the lives of everyday people and animals who whether by accident or design come into contact with the sad comical and often profound world of an animal control officer

Seventh Regiment Gazette ,1923 **Journey to South Vietnam** John Williams,2017-02-06 This book provides a different perspective on the Vietnam conflict Journey to South Vietnam is a story of real life events including my career in the military services the United States Marine Corps USMC and the United States Air Force USAF These compelling and life altering experiences seemed to defy the imagination I was also searching for my god I volunteered for South Vietnam when the United States was in turmoil and the military was not respected by the media or the American public I worked behind the lines at Da Nang Air Base and not in the field where the action occurred but still a bounty was placed on my head for 10 000

While serving in the Marine Corps I was transferred to the Caribbean Sea in an operation during the Dominican Republic crisis CARIB 4 65 During that time my friends and fellow marines were being killed on a mountain known as Monkey Mountain or Hill 621 This hill is situated south of the Son Tra Mountain Range It overlooks Da Nang Harbor and China Beach in the Republic of South Vietnam Their base camp was overrun by the North Vietnamese Army NVA and the Vietcong VC After I was discharged from the marines I felt I needed to get more involved in combat I wanted to go back into the military to be placed into the gauntlet of fire It wasn't until much later that I realized I was struggling with PTSD I joined the air force and within a few months volunteered for Da Nang South Vietnam near where a lot of my friends perished I tried to inject a little humor in the work situation but it was always misinterpreted During this phase of my life I had many close encounters but God's presence was always there As I look back I now realize that God intervenes not just in my life but in all of our lives
