Sermon On The Mount A Theological Interpretation Suny Series In Religious Studies:

The Sermon on the Mount Carl G. Vaught, 1987-01-23 This book focuses on the Sermon on the Mount as the locus classicus of the teachings of Jesus It argues that the Sermon is an expression of the divine perfection in which it is grounded The center of the book is the injunction contained at the center of the sermon itself Be perfect as your father in heaven is perfect Perfection of this kind is a human response to a divine gift Consequently all the Beatitudes and obedience to all the ethical prescriptions in the sermon should be understood as expressions of divine perfection and as finite reflections of God's own work in the world The Sermon on the Mount requires a transformation of the spirit before its message can become intelligible Journal of Biblical Literature ,1987 *Integrating Theology, Church, and Ministry in a Chinese Seminary* Peter L. H. Tie, Kevin S. Chen, 2024-10-21 A perennial challenge for theological education is the integration of what is learned in the classroom with students church life and ministry Is there a connection How can greater connection be fostered Many seminaries earnestly wrestle with these questions Whereas some of the underlying issues are common to all seminaries others are influenced by the cultural context in which theological education church life and ministry take place In addition to cultural factors the history, lifestyle and current state of the church and of theological education are different in each context The integration of theology church and ministry is crucial to the effectiveness of a Chinese seminary The great need for theological education for Chinese Christian leaders has rightly been sounded and should continue to be but simultaneously seminaries must think seriously about how to promote quality theological education Beginning with a programmatic article by Dr David Dockery a leading proponent for effective integration this book represents the efforts and reflection of experienced scholar practitioners who work out a vision for integration in the context of a diaspora Chinese seminary in San Jose California The Talmud - A Personal Take Daniel Boyarin, 2018-01-15 This collection of Daniel Boyarin's previously uncollected essays on the Talmud represents the different methods and lines of inquiry that have animated his work on that text over the last four decades Ranging and changing from linguistic work to work on sex and gender to the relations between formative Judaism and Christianity to the literary genres of the Talmud in the Hellenistic context he gives an account of multiple questions and provocations to which that prodigious book gives stimulation showing how the Talmud can contribute to all of these fields The book opens up possibilities for study of the Talmud using historical, classical, philological, anthropological, cultural studies, gender and literary theory and criticism As a kind of intellectual autobiography it is a record of the alarms and excursions of a life in the Talmud Books in Series ,1985 Vols for 1980 issued in three parts Series Authors and Titles *American Book Publishing Record* ,1995 **Index to Book Reviews in Religion** ,1999 **The Western Christian Advocate** ,1903 **The Christian Century** ,1925 **Whitaker's Books in Print** ,1998 **Christian Advocate** ,1929 □□ □□ □□ □□ □□ ,2006 *Subject Guide to Books in Print* ,1996 *The Congregationalist* ,1926 Religion Index Two ,1994 *The Critic* Jeannette Leonard Gilder, Joseph Benson Gilder, 1893
