Harold L. Senkbeil,2019-06-26 Drawing on a lifetime of pastoral experience The Care of Souls is a beautifully written treasury of proven wisdom which pastors will find themselves turning to again and again Harold Senkbeil helps remind pastors of the essential calling of the ministry preaching and living out the Word of God while orienting others in the same direction And he offers practical and fruitful advice born out of his five decades as a pastor that will benefit both new pastors and those with years in the pulpit In a time when many churches have lost sight of the real purpose of the church The Care of Souls invites a new generation of pastors to form the godly habits and practical wisdom needed to minister to the hearts and souls of those committed to their care *The Pastor According to God's Heart. Campbell, 2021-09-30 For those in local church ministry it is often a pressing matter to find the time to take care of their own souls More often than not pastors tend to prioritize sermon preparation and delivery as their primary tasks when actually their first task should be their own spiritual health It is for this purpose that this book is written to encourage pastors to soul care before sermon preparation If pastors will prepare their own hearts the sermon will fall in line and permeate the hearts of the listeners
