

## SERPENT'S CHILDREN

The Serpent's Children are devious infiltrators, serpentine spies who scheme to overthrow humanoid societies. They arose in an ancient era, humans who willingly gave themselves to malign snake gods, and ruled powerful empires in their day. Modern children are the inheritors of those decadent kingdoms, inveterate schemers in thrall to dark powers.

Their physiques vary widely, as the creatures themselves are magical mutations, twisted into snakelike forms by the power of their ophidian gods. Those who have encountered serpent's children in the flesh report that their reptilian features can vary substantially.

### SERPENT'S CHILDREN TRAITS

#### ABILITY SCORE INCREASE

Your Intelligence and Charisma scores both increase by 1.

#### TYPE

You are a Monstrosity.

#### AGE

Serpent's children tend to have similar lifespans to humans, reaching adulthood in their late teens and living about a century at most.

#### ALIGNMENT

Serpent's children tend strongly towards Lawful Evil, operating in tightly-knit secret societies reliant on vile rituals. But adventurers almost by definition break the mold - some are wicked schemers, but many rebel at their species' traditions.

#### SIZE

Serpent's children are Medium creatures, though their size can vary. More humanoid children tend to be similar in size to humans. The most serpentine may be legless, towering up to seven or eight feet on ten-foot-long snake tails.

#### SPEED

Your base walking speed is 30 feet.

#### LANGUAGES

You can speak, read, and write Common, Ophidian, and your choice of Draconic or Abyssal.

#### POISON RESISTANCE

You have resistance to poison damage and advantage on saving throws against the poisoned condition.

Joseph Foulkes Winks,1837 **The Shaping of a Life** Phyllis Tickle,2009-03-25 Lively entertaining and inspiring THE SHAPING OF A LIFE is in the tradition of the beloved bestsellers by Kathleen Norris and Anne Lamott an intimate lyrical and thought provoking memoir from one of the most respected and admired writers on religion in America today In THE SHAPING OF A LIFE Phyllis Tickle recounts her life with honesty and humor richly conveying both the external events and the internal insights and emotions She shares stories of her childhood in eastern Tennessee as the only child of the dean at the local college including her first inkling of the power and comfort of prayer and her realization that prayer required a disciplined routine that it is best practiced by a composed mind and spirit She writes of the sense of freedom and independence she discovered at college where she fell in love with the language and the teachings of The Book of Common Prayer and decided to leave the Presbyterianism of her childhood and join the Episcopal Church As Tickle chronicles her deepening understanding of prayer and the rewards of marriage family and a spiritual life she reaches across the boundaries that separate one denomination from another and presents a portrait of spiritual growth and transformation that will appeal to devout practitioners and their less religious neighbors as well Within a very personal story Tickle reveals the keys that will help readers of all faiths find the path that leads from the everyday world of doing to the special place of simply being

The Secret Code of the King James Bible Abdullahi Mubarak,2012-12-07 This book I believe for the first time reveals knowledge that has been buried in the Bible under a secret code There have been many attempts to uncover this code and all previous attempts have contributed in a positive way to this writing The book is my personal contribution to improvement of mankind through the acknowledgment of the truth and the defeat of falsehood I am not though writing this with rose colored glasses There will always be those who hate the Truth for personal worldly gains those who take comfort in falsehood those who would follow blindly what their ancestors believed true or false those who worship at the altar of their base desires and those who benefit from evil in the world The ultimate victory of Truth over falsehood is with God Almighty and I wish that the reader is guided to the Truth This book is also a way to thank God Almighty for guiding me away from falsehood and this book is for others like me **Greek Myths** Martin J Dougherty,2023-03-20 From Hades in the Underworld to Pegasus in

*Children, the Magazine for Parents* ,1927 *Being Called* David Bryce Yaden,Theo D. McCall,J. Harold Ellens,2015-08-18 This unique book is an essential resource for interdisciplinary research and scholarship on the phenomenon of feeling called to a life path or vocation at the interface of science and religion According to Gallup polls more than 40 percent of Americans report having had a profound religious experience or awakening that changed the direction of their life What are the potential mental spiritual and even physical benefits of following the calling to take a particular path in life This standout book addresses the full range of calling experiences from the A ha moments of special insight to pondering what one is meant to do in life to intense spiritual experiences like Saint Paul on the road to Damascus Drawing upon the collective knowledge and insight of expert authors from Australia China Eastern Europe Italy the UK and the United States the work provides a comprehensive examination of the topic of callings suitable for collegiate students professors and professional scholars interested in topics at the interface of science and religion It will also benefit general readers seeking the expertise of psychologists neuroscientists and theologians from various backgrounds and worldviews who explain why it is important to do what you were meant to do *Children's Catalog* H.W. Wilson Company,1986 *The History of the Buddha's Relic Shrine* Parākrama Paṇḍita,Stephen C. Berkwitz,2007 Buddhist chronicles have long been had a central place in the study of Buddhism Scholars however have relied almost exclusively on Pali works that were composed by elites for learned audiences to the neglect of a large number of Buddhist histories written in local languages for popular consumption The Sinhala Thupavamsa composed by Parakama Pandita in thirteenth century Sri Lanka is an important example of a Buddhist chronicle written in the vernacular Sinhala language Furthermore it is among those works that inform public discussion and debate over the place of Buddhism in the Sri Lankan nation state and the role of Buddhist monks in contemporary politics In this book Stephen Berkwitz offers the first complete English translation of the Sinhala Thupavamsa Composed in a literary dialect of Sinhala it contains a richly descriptive account of how Buddhism spread outside of India replete with poetic embellishments and interpolations not found in other accounts of those events Aside from being an important literary work the Sinhala Thupavamsa is a text of considerable historical and religious significance It comprises

several narrative strands that relate the life story of the Buddha and the manner in which Buddhist teachings and institutions were established on the island of Sri Lanka in ancient times The central focus of this work concerns the variety of relics associated with the historical Buddha particularly how the relics were acquired and the presumed benefits of venerating them The text also relates the mythological history of the Buddha s previous lives as a bodhisattva and concludes with a prediction about the future Buddha Maitreya Reflection on Buddhist ethics and instruction on the Dharma or the Buddha s teaching are found throughout the work indicating that this historical narrative was meant both to recall the past and give rise to religious practice among contemporary readers and listeners This new translation makes a significant work more widely accessible in the West and adds to our knowledge of how local Buddhist communities imagined and represented their religious and cultural heritages in written works

Struggles for Peace and Justice Karl-Julius Reubke, 2020-06-16 This work by Karl Julius Reubke embodies labours of experience and reflection spanning almost 20 years It is rich with many kinds of detail but above all Reubke s work accomplishes something the late German philosopher Hans Georg Gadamer called a *Horizontverschmelzung* a merging of horizons in service of an act of understanding Reubke a German himself a former chemist a follower of Rudolph Steiner a self taught Sanskrit scholar and translator of ancient texts sympathetically merges those horizons with an equally complex set of horizons arising from India the post colonial search for a coherent tradition in one of the oldest civilizations the emergence of early modern spiritual and nationalist thinking the complex challenges posed by Gandhi s ethico spiritual vision and then finally from the contemporary India driven and riven by the forces of globalization the horizon of a civil social movement inspired by Gandhi and Vinobha namely Ekta Parishad Reubke describes this movement inspired and led by PV Rajagopal from the inside with a personal touch and a uncannily reflective eye All of this is an accomplishment of some note and worthy of our attention especially as we now turn to confront how we as people of the planet will face the ecological disaster our way of living has created This too is a task of comprehension which Hannah Arendt described as the work of the unpremeditated facing up to and resisting of reality whatever it may be Paul Schwartzentruber Independent Scholar and Activist Halifax Canada If you wish to know what Satyagraha is all about read this candid reflective account of the struggle for freedom and justice Gandhi and his contemporaries waged during the twentieth century and P V Rajagopal and Ekta Parishad have been engaged in during the 21st Extremely timely and morally challenging Manoranjan Mohanty Former Professor of Political Science University of Delhi New Delhi India This book is invaluable in challenging us to develop nonviolent mass movements addressing the needs of those who are oppressed and suffering the most the impoverished the exploited those thrown off their lands adivasis women and why such movements are necessary for greater peace and justice Douglas Allen Professor of Philosophy The University of Maine USA This brilliant book the first major scholarly study of Ekta Parishad demonstrates how rights based mass mobilisations in contemporary India adapt Gandhian ideas in their struggle for justice and in negotiating state politics and policies with grit and compassion
