Serpents Gift:

The Serpent's Gift Jeffrey J. Kripal, 2008-09-15 Because thou hast done this thou art cursed above all cattle and above every beast of the field With those words in Genesis God condemns the serpent for tempting Adam and Eve and the serpent has shouldered the blame ever since But how would the study of religion change if we looked at the Fall from the snake s point of view Would he appear as a bringer of wisdom more generous than the God who wishes to keep his creation ignorant Inspired by the early Gnostics who took that startling view Jeffrey J Kripal uses the serpent as a starting point for a groundbreaking reconsideration of religious studies and its methods In a series of related essays he moves beyond both rational and faith based approaches to religion exploring the erotics of the gospels and the sexualities of Jesus John and Mary Magdalene He considers Feuerbach s Gnosticism the untapped mystical potential of comparative religion and even the modern mythology of the X Men Ultimately The Serpent's Gift is a provocative call for a complete reorientation of religious studies aimed at a larger understanding of the world the self and the divine Christian Science Sentinel .1913 The All Sorts of Stories Book Mrs. Lang, 1911 Goddesses and Monsters Jane Caputi, 2004 The essays focus upon popular culture as it is informed by ancient and current mythic images narratives personalities icons and archetypes Topics include the cult status of the serial sex killer sexual murder as a contemporary form of religious sacrifice pornography as an everyday narrative underlying not only sexism but also racism homophobia and militarism the relation of incest to nuclearism pornography and the sacred cyborg myth and subtextual presence of ancient goddess figures in contemporary narratives including that of Princess Diana The Serpent's Gift Helen Elaine Lee, 1994 One of the most striking and heartening developments in American letters in recent years has been the flowering and attendant celebration of African American writers and of books that have introduced to readers everywhere people situations and events that have hitherto largely been ignored denied or unknown Now comes Helen Elaine Lee s supremely assured The Serpent s Gift a first novel that gives to us with the fullest emotional resonance humor and exultation in the novelist's art the intertwined stories of two families from early in this century to our own times Central to this haunting and sometimes haunted novel are the mothers a study in contrast in strength and rigidity Ruby Staples and Eula Smalls and their children LaRue Smalls adventurer storyteller and chronicler of his people his sister Vesta intimidated by life from an early age yet determined valiant even to hold her disparate family together and Ouida Staples a rare beauty who elects in the face of convention to spend her life with another woman Each will face trials and challenges and sometimes be transformed shedding like the serpent an old skin reborn by the art of invention From its opening pages which recount in eerily compelling detail the death that will bring these people together to its almost pastoral conclusion The Serpent's Gift creates a world that is both realistic in its detail and lyrical in its presentation it is a superb triumphant debut BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved The Gift of Morning Star Thomas Aguinas Devlin, 1992 When Women Held the Dragon's Tongue

Hermann Rebel, 2010-02-01 Peasants tell tales one prominent cultural historian tells us Robert Darnton Scholars must then determine and analyze what it is they are saying and whether or not to incorporate such tellings into their histories and ethnographies Challenging the dominant culturalist approach associated with Clifford Geertz and Marshall Sahlins among others this book presents a critical rethinking of the philosophical anthropologies found in specific histories and ethnographies and thereby bridges the current gap between approaches to studies of peasant society and popular culture In challenging the methodology and theoretical frameworks currently used by social scientists interested in aspects of popular culture the author suggests a common discursive ground can be found in an historical anthropology that recognizes how myths fairytales and histories speak to a universal need for imagining oneself in different timescapes and for linking one s local world with a known larger world The Serpent and the Soul Katie Souza, 2024-09-03 Healing cannot happen unless you confront the demonic strongholds attacking you After reading this book you will discover the strategies of Python and Leviathan identify their primary targets and learn how to defeat them You will gain confidence and understanding to sever the strongholds gripping your life Instead of being constricted by serpent spirits you will walk free in the power of Christ Jesus gave us the power to trample serpents and have authority of the power of the enemy in Luke 10 19 Isaiah 27 1 3 identifies Leviathan as a twisting fleeing serpent This spirit operates in relationships at all levels and twists people s words shooting darts between people and causing division Not only does it ruin relationships but healing minister Katie Souza believes it ruins our health and our daily lives The Serpent and the Soul shows you the many ways we allow the Leviathan serpent spirit into our lives and the impact it has on us Python is another serpent spirit and it constricts our finances and causes lack and misalignment in our lives and our physical bodies So many misunderstand or overlook the connection between idolatry witchcraft and these serpent spirits and the impact they have our bodies Souza has seen this time and time again throughout her years of ministry But there is good news You can break the serpents deadly grip through genuine repentance of pride unforgiveness and other doors these spirits use to gain access to your life Your relationships can thrive again and you can prosper and live in health and peace This book will impart biblical understanding of Python Leviathan and other serpent spirits and provide you with powerful prayers and spiritual tools for breaking free from their control God s healing restoration and prosperity are available to you when you break the connection of the serpent and the soul

Englisch-deutsches und deutsch-englisches Wörterbuch Lucas, 1868 A Manual of Comparative Anatomy Johann Friedrich Blumenbach, 1827 Serpent Handling Believers Thomas G Burton, 2025-03-14 In some remote churches in East Tennessee and nearby states Jesus words in the sixteenth chapter of Saint Mark are taken literally and they shall take up serpents and if they drink any deadly thing it shall not hurt them Members of these churches describe themselves as Pentecostal Holiness autonomous groups of Christians with strong traditional religious views and a fundamentalist approach to biblical interpretation Their strong faith is based largely on personal experience Handling serpents and fire laying on the

hands of healing speaking in tongues and drinking poison are seen as acts of Christian obedience that demonstrate the power of the Holy Spirit In the past these very religious people have often been distorted by the media as members of a snake religion or a snake cult because of their unorthodox beliefs and practices Thomas Burton seeks to present a more balanced view of this generally misunderstood group in this in depth study of serpent handlers and their religious culture Using both oral history and scholarly research Burton traces the evolution of Christian serpent handling from its apparent beginning in East Tennessee and explores legal and ethical issues associated with this and other unorthodox practices allowing participants to speak for themselves through personal interviews The result is both a dramatic presentation through vivid photography and a thorough analytical insight into the serpent handlers culture The Eighteen Spiritual Gifts Gerald McDaniel, 2016-02-11 One of the things that is heavily neglected in the average Christian's life is the spiritual gifts he or she has been given by God First Timothy 4 14 says Neglect not the gift that is in thee which was given thee by prophecy with the laying on of the hands of the presbytery Many of God's people do not have a clue about any spiritual gifts let alone what spiritual gift or gifts they might have Out of the many benefits that we can get from knowing our spiritual gifts is that when known it gives us a strong indication on how God intends to use us Due to this it also plays a great part in knowing God's will for the individual believer s life Putting your spiritual gift to practice and use means God will use you in a greater way with the spiritual gifts than without them Century Path ,1908 The Secret Life of Chocolate Marcos Patchett, 2024-11-05 A fascinating guide to the history and medical uses of cacao The Secret Life of Chocolate is a book about chocolate Not the sweet mass produced fatty confection most of us are familiar with though This book is about old school chocolate pre Colombian Central American bitter spicy foamy intense blow your socks off chocolate chocolate beverages made with toasted cocoa beans water and indigenous plants Today there are many different forms of drinking chocolate in Latin America most of which reflect European Spanish influence incorporating sugar cinnamon and milk The aim of this work is to peel back the years of cultural cross pollination and anatomize the original Cacao based beverages which were richer more complex more potent and darker in every sense than modern forms of chocolate This book delves into the ancient history of the human relationship with the cocoa tree Theobroma cacao it dissects the pharmacological properties of chocolate to the fullest possible extent and it divulges the mythical and magical associations of human interactions with this incredible plant

First Corinthians Bible Commentary - a Bible commentary on First Corinthians , This verse by verse commentary on First Corinthians offers a thorough but very understandable commentary on the entirety of Paul's letter to the Corinthians Since the First Corinthians letter touches on a number of different subjects this volume also offers some special studies to more fully explore what the Bible says on additional topics like civil government the role of women in the church spiritual gifts etc If you want to have a better understanding of First Corinthians this commentary will help you Here is a small sample of the text Introduction to First Corinthians 13 Some consider 1 Cor 13 the love chapter of the Bible or a parenthetical description

of love but this chapter is actually an integral part of Paul's discussion about spiritual gifts Since the Corinthians were rude jealous and boastful it was necessary for them to go beyond their present pursuit To the apostle the development of the character of the person was superior to the exercise of the gift His contrasts chap 13 are clear gifts without love vs gifts with love and the permanence of love vs the temporal nature of gifts Gromacki p 159 Stated another way verses 1 3 affirm that spiritual gifts were worthless without love verses 4.7 affirm that love was superior to the gifts and verses 8.13 assert that spiritual gifts were temporal but love abides Although 1 Cor 13 may seem familiar to many this chapter is often one of the most misunderstood parts of the New Testament The Corinthians elevation of spiritual gifts over love is seen in places such as 12 13 25 14 27 33 40 It is also found by contrasting the qualities in 1 Cor 13 with other sections of this epistle For instance love suffers long 13 4 but tongue speakers at Corinth were impatient 14 27 28 Love does not envy 13 4 but the Corinthians envied the gifts of others chapter 12 Love is not puffed up 13 4 but tongue speakers were proud compare 13 1 Love causes people to act in a kind and orderly way but some of the Corinthians behavior was disorderly 14 23 40 Love is not unseemly but the Corinthians were at risk of unseemly behavior in their families 1 Cor 7 36 as well as their Sunday assemblies 1 Cor 11 2 16 17 34 Agape love does not seek its own 13 5 but these Christians were seeking their own see 1 Cor 8 and the discussion about idol meat Love keeps people from rejoicing in evil 13 6 but the Corinthians rejoiced in evil 1 Cor 5 2 6 There were various things that provoked these brethren 13 5 and it seems they were keeping a record of evil 1 Cor 13 5 It was time for the members of this congregation to show some spiritual maturity and demonstrate the type of love that bears all things believes all things hopes in all things and endures all things 1 Cor 13 7 Littell's Living Age ,1850 Littell's **Living Age** Eliakim Littell, Robert S.
