Serpents Among The Ruins The Lost Era 2311:

The Lost Era: Serpents Among The Ruins David R. George III, 2012-09-04 The mysterious Tomed Incident of 2311 was the Federation's definitive confrontation with the Romulan Empire. Now fans can learn the truth behind the intrigue, heroism, and tremendous personal sacrifice surrounding this pivotal event, including the untold story of the Enterprise NCC 1701-B. In the midst of escalating political tensions among the Klingons, the Romulans, and the Federation Starfleet goes forward with the inaugural flight of the Enterprise, a prototype starship that promises to revolutionize space exploration. But the Enterprise experiment results in disaster, ravaging a region of space dangerously close to the Romulan Star Empire, apparently confirming suspicions that the Federation has begun testing a weapon of mass destruction. As the military build-up accelerates on both sides of the Neutral Zone, Captain John Harriman of the USS Enterprise NCC 1701-B is fated for a final confrontation with his oldest enemy at a flashpoint in history. With the Beta Quadrant on the brink of total war, the Federation must make a choice: a wrong move from the outbreak of total war.

Star Trek: The Original Series: Crucible: Kirk: The Star to Every Wandering David R. George III, 2007-02-27 IN A SINGLE MOMENT the lives of three men will be forever changed. In that split second defined paradoxically by both salvation and loss, they will destroy the world and then restore it. Much had come before and much would come after, but nothing would color their lives more than that one isolated instant on the edge of forever. IN A SINGLE MOMENT James T. Kirk, displaced in time, allows the love of his life to die in a traffic accident, thereby preserving Earth's history. Returning to the present, he continues a storied career as a starship captain, opening up the galaxy. But as he wanders among the stars, the incandescence that once filled his heart remains elusive. IN A SINGLE MOMENT that haunts James T. Kirk throughout his life, he preserved the timeline at the cost of his happiness. Now facing his own death, the very fabric of existence collapses across years and light years, forcing him to race against and through time itself until he comes full circle to that one bright star by which his life has always steered.

Star Trek: The Original Series: Crucible: McCoy: Provenance of Shadows David R. George III, 2006-09-01 David R. George's Crucible Trilogy explores the legacy of one pivotal crucial moment in the lives of the men at the heart of Star Trek: what led them to it and to each other, and how their destinies were intertwined. For Doctor Leonard McCoy, life takes two paradoxically divergent paths. In one, displaced in time, he saves a

woman from dying in a traffic accident and in doing so alters Earth's history. Stranded in the past, he struggles to find a way back to his own century. But living an existence he was not meant to, he will eventually have to move on and ultimately face the shadows born of his lost life. In the other, he is prevented from saving the woman's life, allowing Earth's history to remain unchanged. Returning to the present, he is nonetheless haunted by the echoes of an existence he never lived and by fears which will bring him full circle to the shadows he never faced.

Star Trek: The Original Series: Crucible: Spock: The Fire and the Rose David R. George III, 2006-11-28 IN A SINGLE MOMENT the lives of three men will be forever changed. In that split second, defined paradoxically by both salvation and loss, they will destroy the world and then restore it. Much had come before and much would come after, but nothing would color their lives more than that one isolated instant on the edge of forever. IN A SINGLE MOMENT Spock, displaced in time, watches his closest friend heed his advice by allowing the love of his life to die in a traffic accident, thereby preserving Earth's history. Returning to the present, however, Spock confronts other such crises and chooses instead to willfully alter the past. Challenged by the thorny demands of his logic, he will have to find a way to face his conflicting decisions. IN A SINGLE MOMENT that stays with Spock, he preserved the timeline at the cost of Jim Kirk's happiness. Now the death of that friend will cause Spock to reexamine the fundamental choices he has made for his own life. Unwilling to accept his feelings of loss and regret, he will seek that which has previously eluded him: complete mastery of his emotions. But while his quest for the perfect geometry of total logic will move him beyond his remorse, another loss will bring him full circle to once more face the fire he has never embraced.

Voyages of Imagination: The Star Trek Fiction Companion Jeff Ayers, 2006-12-29 Through four decades, five television series comprising over seven hundred episodes, ten feature films, and an animated series, fandom's thirst for more Star Trek stories has been unquenchable. From the earliest short story adaptations by James Blish in the 1960s, followed by the first original Star Trek novels during the seventies, and on throughout the eighties, nineties, and into the twenty-first century, fiction has offered an unparalleled expansion of the rich Star Trek tapestry. But what is it that makes these books such a powerfully attractive creative outlet to some and a compelling way to experience the Star Trek mythos anew to others? Voyages of Imagination takes a look back on the first forty years of professionally published Star Trek fiction, revealing the personalities and sensibilities of many of the novels' imaginative contributors and offering an unprecedented glimpse into the creative processes, the growing pains, the risks, the innovations, the missteps, and the great strides taken in the books. Author Jeff Ayers has immersed himself in nearly six hundred books and interviewed more than three hundred authors and editors in order to compile this definitive guide to the history and evolution of an incomparable publishing phenomenon. Fully illustrated with the covers of every book included herein, Voyages of Imagination is indexed by title and author, features a comprehensive timeline, and is a must-have for every fan.
