Sharper Than a Serpent's Tooth Simon R. Green, 2006-02-28 My name is John Taylor I m a PI for hire in the Nightside the dark and corrupt city within the city of London Where the sun never shines and where pleasure and horror are always on sale for the right price Not a nice place to visit or a nice place to live So you wouldn't think I would care that it was about to be destroyed by none other than my very own long missing not quite human mom But I do I was born here I live here and I got friends here They might not all be acceptable in polite company but they re my friends nonetheless I know that I m the only one who can stop her The trick is how to do it without fulfilling this prophecy that says whatever action I take not only is the Nightside doomed but the rest of the world will soon follow *The Serpent's Tooth* B. M. Croker, 2022-11-24 Excerpt As a child Letty had promised to be rather pretty and Mrs Fenchurch believed that with her own social advantages she would marry her off ere long but before arriving at this happy period she resolved to make the poor relation useful in the house She should dust china arrange flowers pour out tea help in the garden and take over the Mothers Sewing Club Her own hands were more than full both at home and abroad indeed the influence of Mrs Fenchurch now radiated far and wide she was secretary here treasurer and chairwoman there and was often sorely pressed for time Oh yes Letty would have her uses but all the same a girl in the house a girl who was always en evidence to whom one must be a sort of model and sheep dog would undoubtedly be an intolerable nuisance *Serpent's Tooth* Saylor Smith, 2001-09-26 This penetrating look at one man's search for his missing father includes spelunking murder mystery and a strange but beautiful woman When the lovely Cassiday Swanson brings Craig Minter evidence that his father's disappearance may have been the result of foul play he sets out on a strange journey of discovery about his father and more importantly about himself *The Journey to the West, Revised Edition, Volume 3* Cheng'en Wu, 2012-12-17 The story of Xuanzang the monk who went from China to India in quest of Buddhist scriptures *The Serpent's Tooth* B. M. (Bithia Mary) Croker, 2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *The Journey to the West, Revised Edition, Volume 3* Anthony C. Yu, 2013-04-05 Read the legendary Chinese classic that inspired the hit game Black Myth Wukong Anthony C Yu's translation of The Journey to the West initially published in 1983 introduced English speaking audiences to the classic Chinese novel in its entirety for the first time Written in the sixteenth century The Journey to the West tells the story of the fourteen year pilgrimage of the monk Xuanzang one of China's most famous religious heroes and his three supernatural disciples in search of Buddhist scriptures Throughout his journey Xuanzang fights demons who wish to eat him communes with spirits and traverses a land riddled with a multitude of obstacles both real and fantastical An adventure rich with danger and excitement this seminal work of the Chinese literary canon is by turns allegory satire and fantasy With over a hundred chapters written in both prose and poetry The Journey to the West has always been a

complicated and difficult text to render in English while preserving the lyricism of its language and the content of its plot But Yu has successfully taken on the task and in this new edition he has made his translations even more accurate and accessible The explanatory notes are updated and augmented and Yu has added new material to his introduction based on his original research as well as on the newest literary criticism and scholarship on Chinese religious traditions He has also modernized the transliterations included in each volume using the now standard Hanyu Pinyin romanization system Perhaps most important Yu has made changes to the translation itself in order to make it as precise as possible One of the great works of Chinese literature The Journey to the West is not only invaluable to scholars of Eastern religion and literature but in Yu s elegant rendering also a delight for any reader
