Through a Land of Extremes Nicholas Clinch,Elizabeth Clinch,2011-06-03 Teresa and St George Littledale were an unlikely British couple who explored Central Asia in the 1890s with their fox terrier The Littledale s were very well known in their time for their extensive travels and exceptional adventures but have been almost completely forgotten this is the first book about their fascinating story St George Littledale received the Patron s Medal from the Royal Geographical Society but Teresa was overlooked For thirty years St George Littledale and his wife Teresa mounted expeditions in North America and Asia Through a Land of Extremes gives a taste for a bygone time of travel into uncharted unknown territory when adventurers lived by a combination of wit charm and luck Of independent means the Littledales began in the American Rockies Yellowstone and Alaska These trips were followed by expeditions in the late 1880s in the Caucasus the Pamirs Russian Central Asia and Mongolia Their greatest exploit was a 14 month journey to Tibet in 1895 They were attempting to reach the Forbidden City of Lhasa the great unmet goal of Central Asian explorers In order to minimize their chances of being discovered before they neared their goal St George selected a route across the desolate uninhabited Tibetan Plateau At a 19 000 foot pass they were finally blocked by 150 armed Tibetans The Tibetans allowed them to continue over the pass to a suitable stopping place The Littledales had come within 49 miles of Lhasa closer than any other foreigners since 1846 This title is part of our LEGENDS AND LORE series Click here to learn more Servant of Sahibs ,2021 Servant Of Sahibs Ghulam Rassul Galwan,2021-09-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Chambers's Journal* ,1921 **Chambers's Journal of Popular Literature, Science and Arts** ,1886
