project of prosperity and security This co option has made it difficult for the church to recognize her task to be a prophetic witness both for and against the state That only a small pocket of Christians bear witness against such an accommodation of Christian practice is disconcerting and yet it breeds hope In Living on Hope While Living in Babylon Tripp York examines a few twentieth century Christians who lived such a witness including the Berrigan brothers Dorothy Day and Eberhard Arnold These witnesses can be viewed as anarchical in the sense that their loyalty to Christ undermines the pseudo soteriological myth employed by the state While these Christians have been labeled pilgrims revolutionaries nomads subversives agitators and now anarchists they are more importantly seekers of the peace of the city whose chief desire is for those belonging to the temporal cities to be able to participate in the eternal city the city of God By examining their ideas and their actions this book will attempt to understand how the politics of the church an apocalyptic politic is necessary for the church to understand her mission as bearer of the gospel
