learned to look for hope and chase down joy discovering that in spite of our pain there are always gifts to be found even on the hardest of days Alzheimer's disease affects almost fifty million people worldwide It touches people across every walk of life So how do millions of people figure out how to love as they let go The Longest Goodbye is a collection of stories and moments not just about the clinical side of memory loss but the emotional heart journey It is a story that shows how joy and grief are often intertwined and wrapped up together in the glorious mess of life The Longest Goodbye encourages readers to remember the ones they love while they are still here and to intentionally celebrate and live through the pain and hard days It's filled with tears hope and bitter sweet moments all held together by the beautiful love of a mother and daughter holding onto a life filled with memories while learning to let go and say goodbye **Gentle Into the Darkness** Patricia Ann Conrad, 2004
