Born to Travel Drew Carruthers, 2022-09-01. Living in other countries provided me with an insight to what really goes on in the world and to discover what people really think. Most of the countries I lived in have barren or hostile environments, but I saw the beauty that these countries offered. I just had to look for it. Not everyone is free to live their lives the way they want, and not every country is democratic, but is it all that bad living in those countries that see the world different to us? Is what we read or see in the media a true picture of how people live and what they think? For forty years I lived and worked in the Middle East, the jungles of Borneo, and the Special Economic Zones (SEZs) in China. Most people in the west would not visit, far less work and live in these places. My travels changed my perception of the world. Possibly reading about it will change yours.

Pursued Michael J Reiland, 2017-06-15. Michael Rudy is a professional assassin who is comfortable with his ruthless job until the day he decides he has had enough. After he loots cash meant for an impending drug deal and flees America for Paris to live out the rest of his days in peace, an unanticipated darkness follows him. Even after he is reunited with Stacy, the only woman he has ever loved, their reignited passion emerges from tragedy. Stacy and her associate Arnaud begin to suspect there is something too coincidental between Michael's appearance in Paris and their organizations' downfall. The wrong people are dying, and no one seems to know why or who is behind it. As Michael, Stacy, and Arnaud all attempt to follow the seemingly unconnected events, friends turn into enemies, and contacts go cold. While Michael is forced to choose between lying to Stacy or to the people who want him to kill again, Stacy is compelled to question whether her love for Michael can withstand the chaos that surrounds them. Even if they survive, will their passion for each other continue? *Pursued* weaves betrayal and blackmail with passion and love amid the streets of Paris as a renowned assassin discovers it may be more difficult to escape his past than he realized.
