Pillow Talk Jason Alexander Ottley, 2010-09-03 If you are single chances are you are at a place where you are tired of settling and you are finally ready to find the man or woman of your dreams However is your approach getting you closer to your goal or are you just spinning your wheels Pillow Talk exposes methods singles employ in their attempt to secure lasting love And while the dating game is nothing new the rules of engagement have become much more complex In his book Ottley exposes the futile paradox of enlisting short term approaches to long lasting love Carefully exposing hidden thought patterns and motives of the heart Ottley dismantles the faulty premise that dating is built upon Then like a master craftsman Ottley carefully and candidly lays bare the steps towards how singles can develop a fulfilling rewarding and reciprocal relationship that is well worth the wait
