Ancestral Images Stephanie Moser, 2018-09-05 Pictorial reconstructions of ancient human ancestors have twin purposes to make sense of shared ancestry and to bring prehistory to life Stephanie Moser analyzes the close relationship between representations of the past and theories about human evolution showing how this relationship existed even before a scientific understanding of human origins developed How did mythological religious and historically inspired visions of the past in existence for centuries shape this understanding Moser treats images as primary documents and her book is lavishly illustrated with engravings paintings photographs and reconstructions In surveying the iconography of prehistory Moser explores visions of human creation from their origins in classical early Christian and medieval periods through traditions of representation initiated in the Renaissance She looks closely at the first scientific reconstructions of the nineteenth century which dramatized and made comprehensible the Darwinian theory of human descent from apes She considers as well the impact of reconstructions on popular literature in Europe and North America showing that early visualizations of prehistory retained a firm hold on the imagination a hold that archaeologists and anthropologists have found difficult to shake

[In A Chat Full Of Big Shots, Staying Chill](#) Marijan Kapulica, Originally just an inconspicuous human youth in the Primordial Era, he was suddenly pulled into a Great Gods Chat Group by the Primeval Lord of Heaven Yuanshi Tianzun. Thanks to his identity as a transmigrator, he possessed a Supermarket Binding System and began his career as a profiteering merchant, buying low and selling high. He gifted a bottle of shower gel to Queen Mother of the West, who loved bathing; it was just a simple greeting gift, yet she repaid him with a Nine Leaf Ganoderma. Nuwa was troubled over her aging face. He casually offered her a hyaluronic acid facial cleanser, and in return, she insisted on giving him the Mountains and Rivers State Map. Princess Longji was dissatisfied with her figure. A cup of slimming black coffee before bed, easy fix. As for her offer of repaying him with herself, he tactfully declined. Nezha wanted a balance scooter. No problem, he accepted the Wind Fire Wheels in exchange. Zhang Tianshi was begging for a gas tank. That was simple; he asked Zhang to fill up a sack with his Immortality Pills in return. Jiang Ziya wanted fishing gear to catch a big fish. Sure, he could provide the fishing equipment and secret techniques, but in exchange, Jiang had to hand over the Investiture of the Gods and the Whip of Deities. He only wanted to be a profiteering merchant in the Primordial Era, but accidentally, he became a Great Dao Saint.
