Look Whos Popping Up In The Jungle:

Look Who's Watching, Revised Edition Fen Osler Hampson, Eric Jardine, 2017-11-08 The Internet ecosystem is held together by a surprisingly intangible glue trust To meet its full potential users need to trust that the Internet works reliably and efficiently when providing them with the information they are seeking while also being secure private and safe When trust in the Internet wanes the network's stock of digital social capital falls and users begin to alter their online behaviour These often subtle changes in behaviour tend to be collectively highly maladaptive hindering the economic developmental and innovative potential of the globe spanning network of networks Look Who's Watching Surveillance Treachery and Trust Online confirms in vivid detail that the trust placed by users in the Internet is increasingly misplaced Edward Snowden's revelations that the United States National Security Agency and other government agencies are spying on Internet users the proliferation of cybercrime and the growing commodification of user data and regulatory changes which threaten to fragment the system are all rapidly eroding the confidence users have in the Internet ecosystem Based on a combination of illustrative anecdotal evidence and analysis of new survey data Look Who's Watching clearly demonstrates why trust matters how it is being eroded and how with care and deliberate policy action the essential glue of the Internet can be restored *Interracial Romance and Health* Byron Miller, 2022-10-31 Romantic relationships and health are fundamental for society but what happens to a person's well being when he or she chooses the wrong partner *Interracial Romance and Health* Bridging Generations Race Relations and Well Being tackles this growing public health issue which impacts millions of people in interracial relationships especially young adults With a particular focus on a group of young adults whom he calls the Bridge Kids Byron Miller provides a critical examination of how racial identity socialization and the partner selection process influence whether a person becomes interracially involved For those that do cross racial lines for romance Miller reveals that the race of one's partner can have a significant impact on their lived experiences and health outcomes Opposing the idea that interracial relationships are bad for society and an individual's health Miller argues that interracial romance has health benefits for some is generally good for society and that what is truly detrimental is the unnecessary stress people in interracial relationships feel due to their experiences with stigma racism and discrimination Miller concludes that as the prevalence of interracial romance grows so does the urgency to address these issues to protect the well being of the Bridge Kids and others in interracial romantic partnerships **Look Who's Laughing** Gail Finney, 2014-07-10 First Published in 1994 Look Who's Laughing belies the notion that in a joke the only place for a woman is in the butt Rather than analysing women's humor in isolation Gail Finney and twenty scholars map the terrain that the genders share and the areas that each hold exclusively Their essays investigate witty heroines sexual parodies domestic humor and romantic power They focus on comic drama and fiction stand up comedy cartoons and film describing the roles gender has played in the creation reception and interpretation of comedy from the sixteenth century to present They consider works by Shakespeare Oscar Wilde Zora
