The Warship Mary Rose David Childs, 2014-04-30 This new paperback edition brings the history of Henry VIII's famous warship right up to date with new chapters on the stunning presentation of the hull and the 19 000 salvaged artefacts in the new museum in Portsmouth Mary Rose has along with HMS Victory become an instantly recognisable symbol of Britain's maritime past while the extraordinary richness of the massive collection of artefacts gleaned from the wreck has meant that the ship has acquired the status of some sort of time capsule as if it were a Tudor burial site But she is much more than an archaeological relic she was a warship and a revolutionary one that served in the King's navy for thirty four years almost the entire length of his reign This book tells the story of her eventful career placing it firmly within the colourful context of Tudor politics court life and the developing administration of a permanent navy And though the author also brings the story right down to the present day with chapters on the recovery the fresh ideas and information thrown up by the massive programme of archaeological work since undertaken and the new display just recently opened at Portsmouth Historic Dockyard it is at heart a vivid retelling of

her career and at the end her dramatic sinking With this fine narrative and the beautiful illustrations the book will appeal to the historian and enthusiast and also to the general reader and museum visitor Orientaciones para el desarrollo del currículo integrado hispano-británico en educación primaria María Teresa Agudo,2006 Obra que proporciona pautas comunes para unificar objetivos contenidos y criterios de evaluación en los centros participantes History 3-11 Hilary Cooper,2006-11-21 Replacing the bestselling *The Teaching of History in Primary Schools* acclaimed author Hilary Cooper returns with this invaluable resource showing how to sustain a dynamic history curriculum in the classroom **Making Multimedia in the Classroom** Vivi Lachs,2013-02-01 Multimedia authoring offers a motivating and imaginative approach to subject matter where students can develop skills in group work and problem solving This teachers guide explores the process of students authoring multimedia presentations on computer using images text sound animation and video as an integrated part of their curriculum work It offers a theoretical basis detailed practical advice and many classroom examples Each chapter covers a different aspect of multimedia authoring including planning multimedia into the curriculum case studies and examples of student multimedia presentations classroom management of the project assessment and evaluation choosing software and resources This book encourages teachers to be imaginative about their subject and gives an important strategy for student motivation It comes with a CD ROM which can be used in the classroom as an introduction to multimedia work Essential reading for all primary and secondary teachers **The Extraordinary Events of an Ordinary Life** Jeanne Chaeley,2022-12-06 Wasdale England 1966 Vicky is twelve years old the youngest daughter of a well to do farmer and already dreaming of more Her inner life is complex she worships her eldest brother Chris and envies her glamorous older sister Toni Life breathes promise when you re young and Vicky s story starts with that promise *Summer at Sea Glass Cove* Jenny Kane,2024-06-06 I loved this book so much NetGalley reviewer 5 Welcome to Sea Glass Cove Marine archaeologist Lauren Sunshine is used to life on the go Her suitcase is always packed ready to explore the country s underwater heritage so when a shipwreck is found off the Dorset coast she is thrilled to be leading the excavation team Philippa Silver Phil to the folk of Sea Glass Cove has devoted her life to the Museum by the Sea But funding is tight and despite subletting half of the museum to her best friend Jules s sea glass shop she fears for the museum s future Phil hopes the wreck discovery could bring more visitors but there s a problem the museum s too small to house its treasures Thankfully new friend Lauren seems as determined as she is to save the museum But when Phil s brother Ollie catches Lauren s eye she begins to wonder if she has more than one reason to be interested in life at Sea Glass Cove **Plato's Alarm Clock** James M. Russell,2018-11-01 Discover the true history of some of the most extraordinary inventions of the ancient world including mysterious devices that we can t recreate today and the original versions of modern technology **History 5** Rhona Whiteford,2005-02 Images of Rule David Howarth,1997-04-07 In a survey which ranges widely from the building of Henry VII s palaces to the proposed monument to Charles I by Wren David Howarth examines aspects of the visual arts in the

English Renaissance to consider what they meant for those who commissioned them and those at whom they were directed A variety of artefacts are considered for what they can tell us of the values of the court in early modern England The Men of the Mary Rose A J Stirland,2005-04-21 The Mary Rose was one of King Henry VIII s favourite warships until she sank during an engagement with the French fleet on 19 July 1545 Her rediscovery and raising were seminal events in the history of nautical archaeology Apart from the Captain and the Vice Admiral nothing is known about the crew of the Mary Rose the only evidence about her complement of 415 men rests with their skeletal remains In The Men of the Mary Rose A J Stirland uses archaeological and skeletal evidence to give the reader a welcome insight into the soldiers of the Mary Rose from their ages and height to their health diet and physical condition This book examines the building sinking and raising of the Mary Rose and her historical context before moving on to the examination of what the remain of the crew can reveal to us about the fighting men of that period Many new findings have been made through analysis of their bones including the effects of some activities and occupations on the skeletons of the men This is the first book to deal with the men who made up the crew of the Mary Rose It provides an exciting glimpse of Tudor life and the Tudor navy relating archaeological findings to existing documentary evidence opening a fascinating window into one of Henry VIII s great ships and a frozen moment of sixteenth century time This book will appeal both to professionals in the area and to those for whom Tudor history holds a general fascination

modern society culture and belief This collection of essays showcases how over an illustrious career spanning more than fifty years Professor Bernard Capp FBA has shaped and continues to influence the direction of studies in early modern English social and cultural history Initially influenced by the historiographical agendas set in the 1960s by Christopher Hill and Sir Keith Thomas over the last five decades Capp has produced important studies of religious radicalism print culture gender and sibling relations the culture wars of the 1650s and the maritime world Collectively this body of work enabled him not only to recover the experiences of the marginalised but also to highlight the importance of topics previously deemed at best of marginal interest to historians of seventeenth century England The contributions to this volume produced by a new generation of historians whose doctoral work Capp supervised and examined are similarly wide ranging and innovative Engaging in dialogue with Capp s work as well as those he has been in dialogue with himself the authors provide novel studies of hermits sailors and surgeons as well as shedding fresh light on topics such as the politics of the parish the lives of plebeian women men s emotions and the cultural worlds of Jane Shore and John Taylor the Water Poet Like Capp the authors use evidence from legal records life writings and cheap printed texts to recover marginalised voices and reconstruct the everyday lives of those overlooked and misunderstood by their contemporaries and by historians By doing so they demonstrate how one of the greatest historians of seventeenth century England continues to inspire the production of innovative studies of early modern society culture and belief
