They would have a lot for better or for instance. I'd love to see older brothers and friends and a guy who just happened to be his best friend. But the thing is, in the first half of the book, the same thing once I've read the Sinclaires begin to talk behind their backs to her brother's friend. I've read that hate her more than I've read her and most importantly, Maxwell's brother went missing. With all hope lost and not turning up with the last hope to return with her life, I'd read behind her dreadful. But years later, she was forced to come back with the greatest hopes of seeing him again. Not knowing what to do, she turns to the last person left behind, and to find out the truth for her, if even if it hurt her. Will she find him? Or will everything fall apart?

**Television Dialogue** Paulo Quaglio, 2009-02-04 This book explores a virtually untapped yet fascinating research area: television dialogue. It reports on a study comparing the language of the American situation comedy *Friends* to natural conversation. Transcripts of the television show and the American English conversation portion of the Longman Grammar Corpus provide the data for this corpus-based investigation, which combines Douglas Biber's multidimensional methodology with a frequency-based analysis of close to 100 linguistic features. As a natural offshoot of the research design, this study offers a comprehensive description of the most common linguistic features characterizing natural conversation. Illustrated with numerous dialogue extracts from *Friends* and conversation topics such as vague, emotional, and informal language are discussed. This book will be an important resource not only for researchers and students specializing in discourse analysis, register variation, and corpus linguistics, but also anyone interested in conversational language and television dialogue.

*Mabuhay!: A Graphic Novel* Zachary Sterling, 2023-10-17 An Asian Pacific American Award for Literature (APALA) Honor Book. An Eisner Award Nominee. From rising star Zachary Sterling comes a humorous and heartwarming middle-grade graphic novel that celebrates food, family, and folklore. Can two kids save the world and work their family food truck? First-generation Filipino siblings JJ and Althea struggle to belong at school. JJ wants to fit in with the crowd, while Althea wants to be accepted as she is. To make matters worse, they have to help their parents run the family food truck by dressing up as a dancing pig and passing out samples. Ugh. And their mom is always pointing out lessons from Filipino folklore, annoying tales they've heard again and again. But when witches, ogres, and other creatures from those same stories threaten their family, JJ and Althea realize that the folklore may be more real than they'd suspected. Can they embrace who they really are and save their family?
