overwhelming power of suggestion and its potential in achieving personality transformation The novel demonstrates how the phenomena known as Stockholm Syndrome can effect drastic changes in behavior of an unwary victim It shows the frightening possibility of how even a tycoon and political rising star like Michael Tanner might be converted to a radical accomplice of fanatics determined to eradicate humankind for a greater good The question remains did Michael Tanner take on the purpose of another or might he simply have become in touch with his true self Freycinet Melanie Calvert,2012 Freycinet is about obsessive love and cruel murder in the Tasmanian wilderness as Ginny O Byrne experiences disturbing visions of torturous fates for two missing young women The exquisitely beautiful surrounds of Freycinet are also the site of the thin tenuous shimmery line that separates memory and forgetting permanence and transience sanity and insanity Back cover The Bargain Viti Lee Tackett,2009-02-24 And leaving all others be faithful unto her til death do you part Ginny stood there listening to the words the preacher said Would Lucas agree to the vows he had just heard could he say the words I do He said them Now it was up to her Could she bring herself to say them Could she agree to a marriage that was only a bargain between them They were strangers but here they stood ready to commit to a lifetime with each other The time had come She must give an answer an answer that would determine the rest of her life I do She said them The words that would make her one with this man standing here beside her Had she lied to God Had he What happened to people who lied to God When Ginny Carver a young woman who was raised with wealth and had only known a lifestyle that goes along with having money and Lucas Kane a poor country preacher who struggles just to support his family are brought together by desperate circumstances can they find a way to survive in a loveless marriage Will the commitment they made and their need for each other be strong enough to see them through the hard times ahead When a man from Ginnys past returns and offers her the love she craves and the lavish lifestyle she was used to will her commitment to God and to the marriage keep her faithful to Lucas and the vows she took on her wedding day **Such a Good Mother** Helen Monks Takhar,2022-08-02 Some women would do anything for their children This provocative novel goes straight for the jugular of modern motherhood Lindsay Cameron author of Just One Look from the author of the addictive People thriller Precious You Mothers and hustlers can be a lethal combination and the perfect recipe to keep you up all night Amanda Eyre Ward New York Times bestselling author of The Jetsetters Rose O Connell is barely surviving Her marriage is rocky her son isn t fitting in at his new school the prestigious Woolf Academy and their tiny apartment in a rapidly gentrifying neighborhood can barely contain her family As she struggles to make ends meet on her junior bank teller wages Rose finds that life as the only mom in a name tag and uniform at the Woolf s shiny school gates isn t easy Not so for those in the elite and secretive Circle a tight knit group of wealthy mothers led by the charismatic and glamorous Amala Kaur who rule the school When the mysterious death of one of the Circle s members creates a vacancy Rose dares to hope she could fill it and transform her life Amala s shocking decision to invite Rose into her clique provokes resentment among the Circle especially when her fortunes self esteem and status start
