Looking For Little Egypt:

Looking for Little Egypt Donna Carlton, 1994 **Looking for de Soto** Joyce Rockwood Hudson, 2012-02-01 In 1984 Joyce Rockwood Hudson accompanied her husband anthropologist Charles Hudson on a 4 000 mile trek across the Southeast His objective was to retrace and verify the route taken by Hernando de Soto four and a half centuries earlier The effort would bring into question and ultimately supplant much of what was earlier thought to be the course of the Spanish explorer s journey This is the journal Joyce Hudson kept during that trip A kind of scholar s version of Blue Highways the book is a warmly humane and almost daily account of the people the Hudsons met the places they saw and the things they did as they searched for De Soto s trail beneath railroad tracks and two lane blacktops along riverbanks and mountain ridges Thus it is largely a travel story about rural and small town life in eleven states from Florida to Texas Descriptions of the region s everchanging terrain vegetation and climate fill the book colored at times by Joyce Hudson s troubled musings about Americans increasing disconnectedness from the land and irreverence for the past Conveying the rewards and frustrations of lives spent in painstaking scholarly inquiry Looking for De Soto also offers a firsthand glimpse into the daily work of anthropologists and archaeologists the exchanges of ideas the ventures through swamps and down deeply rutted farm roads the endless porings over maps charts and notes As if writing a detective story the author suspensefully paces the narrative with the accrual of geographical artifactual and documentary evidence punctuating it with false leads and other setbacks as mile after mile of the trail is redrawn The story even has its villains pothunters and private collectors the builders of canals and dams that alter the courses of rivers and inundate ancient village sites and the owners of corporate farms who have leveled and eradicated ceremonial mounds with their massive agricultural machinery Finally a sense of the headlong cultural collision between Europeans and Native Americans pervades the book De Soto and his six hundred conquistadores were the first Europeans to explore the interior of the southeastern United States and the only ones to witness its aboriginal society at its zenith Hudson s evocation of this encounter so central to the history of the New World may well send readers on their own excursions into the past Looking for De Soto is a fascinating journey through today s South illuminated by a richly informed perspective on its earlier days

Salomania and the Representation of Race and Gender in Modern Erotic Dance Cecily Devereux, 2023-04-25 Salomania and the Representation of Race and Gender in Modern Erotic Dance situates the 1908 dance craze which The New York Times called Salomania as a crucial event and a turning point in the history of the modern business of erotic dance Framing Salomania with reference to imperial ideologies of motherhood and race it works toward better understanding the increasing value of the display of the undressed female body in the 19th and early 20th centuries This study turns critical attention to cultures of maternity in the late 19th century primarily with reference to the ways in which women are defined in relation to their genitals as patriarchal property and space and are valued according to reproduction as their primary labour Erotic dance as it takes shape in the modern representation of Salome insists both that

the mother is and is not visible in the body of the dancer a contradiction this study characterizes as reproductive fetishism Looking at a range of media the study traces the modern figure of Salome through visual art writing early psychoanalysis and dance from hootchie kootch to the performances dancer Maud Allan called mimeo dramatic to mid 20th century North American films such as Billy Wilder s *Sunset Boulevard* and Charles Lamont s *Salome Where She Danced* to the 21st century HBO series *The Sopranos*

From the 1 New York Times bestselling author of *The Splendid and the Vile* comes the true tale of the 1893 World's Fair in

characterized America's rush toward the twentieth century The architect was Daniel Hudson Burnham the fair's brilliant
director of works and the builder of many of the country's most important structures including the Flatiron Building in New
York and Union Station in Washington D C The murderer was Henry H Holmes a young doctor who in a malign parody of the

between opera and popular music seems immense today a century ago opera was an integral part of American popular music culture and familiarity with opera was still a part of American cultural literacy During the Ragtime era hundreds of humorous Tin Pan Alley songs centered on operatic subjects either directly quoting operas or alluding to operatic characters and vocal stars of the time These songs brilliantly captured the moment when popular music in America transitioned away from its European operatic heritage and when the distinction between low and high brow popular musical forms was free to develop with all its attendant cultural snobbery and rebellion Author Larry Hamberlin guides us through this large but oft forgotten repertoire of operatic novelties and brings to life the rich humor and keen social criticism of the era In the early twentieth century when new social forces were undermining the view that our European heritage was intrinsically superior to our native vernacular culture opera that great inheritance from our European forebearers functioned in popular discourse as a signifier for elite culture Tin Pan Opera shows that these operatic novelty songs availed this connection to a humorous and critical end Combining traditional European operatic melodies with the new and American rhythmic verve of ragtime these songs painted vivid images of immigrant Americans liberated women and upwardly striving African Americans striking emblems of the profound transformations that shook the United States at the beginning of the American century Popular Culture and the Enduring Myth of Chicago, 1871-1968 Lisa Krissoff Boehm, 2004 This book is an examination of the image of Chicago in American popular culture between the Great Chicago Fire of 1871 and Chicago's 1968 Democratic National Convention **Pin-Up Grrrls** Maria Elena Buszek, 2006-05-31 DIVA visual history about how feminist artists have appropriated and incorporated the signification of the pin up genre within their own work div **Painted Cities** Alexai Galaviz-Budziszewski, 2014-04-14 To those outside it Pilsen is a vast barrio on the south side of Chicago To Alexai Galaviz Budziszewski it is a world of violence and decay and beauty of nuance and pure chance It is a place where the smell of cooking frijoles is washed away by that of dead fish in the river where vendettas are a daily routine and where a fourteen year old immigrant might hold the ability bring people back from the dead Simultaneously tough and tender these stories mark the debut of a writer poised to represent his city's literature for decades to come *I'm Glad I Look Like a Terrorist: Growing up Arab in America* Ray Hanania, 2015-08-06 I'm Glad I Look Like A Terrorist is a humorous and realistic look at the American ethnic experience by an award winning Palestinian American journalist Hanania describes the subtle and not so subtle bigotry facing Arab Americans and offers some solutions for improving America's perceptions of Arabs An award winning writer journalist and columnist Hanania has also performed standup comedy lampooning his Palestinian Jewish marriage The book uses humor often to help appreciate and understand the Arab experience in America and follows his life growing up on Chicago's Southeast Side in a prominent Jewish neighborhood through high school military service during the Vietnam War to his career as a political journalist who covered Chicago City Hall from 1977 through 1992 You can get more information on Hanania by visiting his website at www.Hanania.com **Dancing Across Borders** Anthony Shay, 2008-05-13

Moving Performances Jeanne Scheper, 2016-12-13 Fabulous yet fierce imperious yet impetuous boss yet bitchy divas are figures of paradox Their place in culture is equally contradictory as they are simultaneously venerated and marginalized hailed as timeless but then frequently forgotten or exhumed as cult icons by future generations Focusing on four early twentieth century divas Aida Overton Walker Lo e Fuller Libby Holman and Josephine Baker who were icons in their own time *Moving Performances* considers what their past and current reception reveals about changing ideas of race and gender Jeanne Scheper examines how iconicity can actually work to the diva s detriment reducing her to a fetish object a

grotesque or a figure of nostalgia Yet she also locates more productive modes of reception that reach to revive the diva's moving performances imbuing her with an affective afterlife As it offers innovative theorizations of performance reception and affect *Moving Performances* also introduces readers to four remarkable women who worked as both cultural producers and critics deftly subverting the tropes of exoticism orientalism and primitivism commonly used to dismiss women of color Rejecting iconic depictions of these divas as frozen in a past moment Scheper vividly demonstrates how their performances continue to inspire ongoing movements
