Jesus, It was Always You Bonnie Isbell, 2023-10-17 Every woman and perhaps every man longs to be loved to be tenaciously pursued by someone who simply will not give up until they have owned the other's heart We need to know that this love is unconditional and will not become disillusioned or lose its intensity We need the security of forever Have you ever found yourself in a spiritual pit feeling lost unloved unlovable and unsure of just who you are If you long for a passionate love relationship that you can hang your identity on forever if you have never understood that the entire Bible from cover to cover is a love story of God's relentless pursuit of you if you need to know that you have a covenant partner whose love for you has no limits if you long for a solid stable place to throw down an anchor for your soul this is where your yearnings will at long last be satiated You will never be the same

Crucified with Christ Rev. Kenneth N. Lierle D.Min., C.Ed.D, 2008-10-30 Proverbs 22:6 Train up a child in the way he should go and when he is old he will not depart from it Before you can train a child you have to conceive a child Once you have conceived then you have to bring to birth After there is birth there can be growth It is expected Growth is normal and healthy Lack of growth suggest there is a problem and specialty help needs to be requested Parents are the most influential persons affecting the lives to newborn children during their formative years About age 5 the child will begin attending school to advance his education of the world around him After about twelve years of this education and growth he/she will cross the hurdle of Graduation At age 18 they are now considered an adult They may choose more education or occupation but they are expected to adapt behaviors that come with adulthood At some point it is normally expected that they will get married and have children That is what is considered normal Lack of children is a negative sign As time progresses they will grow old and eventually die Hopefully they will have left a good testimony behind Hopefully they will have been crucified Now they can experience the full power of the resurrection Are you with me so far Now apply all the above to being saved and born again and growing in grace Galatians 2:20 I am crucified with Christ nevertheless I live yet not I but Christ liveth in me and the life which I now live in the flesh I live by the faith of Son of God who loved me and gave Himself for me

Seekers after rest; or, The children of Israel from the Exodus to Solomon Harriet Maria Barclay, 1876

Seekers in the Hands of an Elusive God Jeffery M. Leonard, 2025-06-17 Some Christians experience the presence of God as readily as they feel a pleasant breeze or sunshine For others God s presence is often much more difficult to find Like the psalmists we struggle with asking Why O Lord do you stand far off Ps 10 1 At least part of the dynamic in this struggle lies in the fact that Scripture presents God as both everywhere and mysterious at the same time As Paul told the sages of the Areopagus In him we live and move and have our being yet it is God s will that we search for God grope for him and find him Acts 17 27 28 God is as present with his people as the tabernacle was with ancient Israel and yet even the tabernacle was meant to illustrate the fact that God cannot be pinned down contained or controlled We live in the tension of worshiping a God who is everywhere and yet must be sought *Seekers in the Hands of an Elusive God* explains the scriptural dynamic of this omnipresent but elusive God It is when we fail to search for God that our view of who God truly is becomes distorted and our own spiritual health diminishes when our relationship with God lacks this pursuit But how then are we called to seek God This book considers a variety of avenues in Scripture nature humanity worship silence doubt suffering death and joy In all these ways even those of us who wrestle with spiritual loneliness can join with saints of the past in pursuing the face of God

Midnight Seekers Leroy Mitchell,2025-01-28 I have always had a strong passion for writing ever since I was twelve years of age I currently have five more works to be published This book is about people who have a void in their lives and are struggling to find the purpose for which they are on the face of this earth This work covers a wide genre of people from all walks of life seeking to know their purpose and mission Some find it and some are born and die without finding their God given purpose for such a time as this However everyone who is born has a God ordained purpose Each individual has the right to seek out God until He reveals what His purpose for their life is When purpose and destiny meet spiritual pregnancy occurs leaving the seeker with unspeakable joy and full of glory This experience leaves them with a higher level of God s mystery and revelation in their lives declaring I will go before thee and make the crooked places straight I will break in pieces the gates of brass Isaiah 45 28 **A Complete Concordance to Science and Health** Albert Francis Conant,1909

The Source for Effective Church Service Planning ,2003 A comprehensive listing of service tested programming material designed to supplement a church s creative process of service planning Second edition *Christianity for Seekers and Skeptics* Clinton W. McLemore,2024-11-14 What is the difference between belief and faith Are science and religion

incompatible How much do we know about Jesus Why does God keep us so much in the dark How much can we trust the Bible especially when the New Testament is two thousand years old and the Old Testament even older Has Christianity helped or hindered civilization What about violence in the name of Christ Why does God allow suffering and tragedy Does religious faith even make sense Christianity for Seekers and Skeptics is for those in search of passionate faith that also holds up under careful scrutiny It is also for Christians who want better to understand the foundations of their faith and how to respond when others challenge it The author is an award winning psychologist who has taught at the college and university levels He has also taught in a doctoral clinical training program at a seminary This wide ranging volume reflects decades of multi disciplinary study It is a refreshingly honest approach to questions about Christian beliefs and how someone in the twenty first century can think critically and also have strong faith This is a no nonsense presentation of Christianity that tackles the hard questions head on
