Loualitys Other Stories:

The Art of Dying and Other Stories Githa Hariharan, 1993 Twenty stories of contemporary Indian life by an astonishingly original writer This striking collection of stories demonstrates the remarkable range of one of India's most accomplished writers Sometimes comic yet tinged with sadness as in *The Remains of the Feast* where an old woman near the end of her life suddenly feels the urge to sample all the food she has been forbidden sometimes with a twist as in *Gajar Halwa* where Chellamma a servant girl from a small town finally understands what makes a big city work sometimes moving as in *The Reprieve* and always executed with a precision of style and magical imagery these stories never fail to surprise and delight *The Trojan Horse and Other Stories* Julia Kindt, 2024-01-11 How does the non human help define the human This powerful exploration of ten mythical creatures reveals who we really are **The Cold Equations & Other Stories** Tom Godwin, 2003 This is a collection of stories by a master of science fiction adventure with added dimensions of speculation and cold hard realism *Faithfulness in Action* Katharine D. Sakenfeld, 2001-12-05 The broad outlines of God's faithfulness have of course been well known But this rereading by Professor Sakenfeld lets us see much that we have missed This book thus raises important questions not only about exegetical substance but also about the interpretive process The two belong together The combination here is a welcome articulation Walter Brueggemann from the Foreword *Rashomon and Seventeen Other Stories* Ryunosuke Akutagawa, 2007-04-05 Ryunosuke Akutagawa 1892-1927 is one of Japan's foremost stylists a modernist master whose short stories are marked by highly original imagery cynicism beauty and wild humour *Rashomon* and *In a Bamboo Grove* inspired Kurosawa's magnificent film and depict a past in which morality is turned upside down while tales such as *The Nose* *O Gin* and *Loyalty* paint a rich and imaginative picture of a medieval Japan peopled by Shoguns and priests vagrants and peasants And in later works such as *Death Register* *The Life of a Stupid Man* and *Spinning Gears* Akutagawa drew from his own life to devastating effect revealing his intense melancholy and terror of madness in exquisitely moving impressionistic stories ***Durvasa's Mantra and Other Stories***, 2006 *Gallegher, and other stories* Richard Harding Davis, 1920 *Business Ethics in Biblical Perspective* Michael E. Cafferky, 2015-08-19 Michael Cafferky sets a new standard in the field of business ethics with this comprehensive textbook from a Christian perspective Using twelve biblical themes to evaluate contemporary ethical approaches and concerns he covers consumer behavior management accounting marketing corporate responsibility and more *A Slav Soul, and Other Stories* A. I. Kuprin, 2019-11-27 A. I. Kuprin's *A Slav Soul and Other Stories* is a profound exploration of the human condition set against the backdrop of early 20th century Russia These interconnected tales characterized by Kuprin's lush prose and keen psychological insight delve into the complexities of love loss and existential yearning The stories reflect a rich tapestry of Russian life blending realism with romanticism and reveal the struggles of individuals caught in the throes of societal change thus providing readers with a compelling perspective on the Slav spirit amid political and cultural upheaval A celebrated figure in Russian literature A. I.

Kuprin was profoundly influenced by his own experiences as a soldier and writer during tumultuous times. His encounters with diverse social strata and the vivid characters he met during his travels shaped his narratives, allowing him to convey the depth of human emotion and complexity. Kuprin's unique background that encompasses both a love for adventure and a deep understanding of the human psyche underscores the themes present in *A Slav Soul*. I highly recommend this collection to readers seeking not only aesthetic beauty in literature but also a deep exploration of emotional and psychological realities. Kuprin's evocative storytelling invites readers into the intimate worlds of his characters, making *A Slav Soul and Other Stories* a timeless meditation on the essence of humanity. In this enriched edition, we have carefully created added value for your reading experience. A comprehensive Introduction outlines these selected works, unifying features, themes, or stylistic evolutions. A Historical Context section situates the works in their broader era, social currents, cultural trends, and key events that underpin their creation. A unified Analysis examines recurring motifs and stylistic hallmarks across the collection, tying the stories together while spotlighting the different works' strengths. The jealousies of a country town, The thirteen, and other stories Honoré de Balzac, 1899 **The exiles, and other stories** Richard Harding Davis, 1916 *Loyalty leads to Leadership* Neela Subramaniam, 2006 *The Ghostly Bride & Other Stories* N. Maheswari Devi, 2019-09-09

In these stories, the narrators are individuals hapless in the face of some kind of trouble. An overworked doctor, a returning soldier, a worried husband, or an ambushed lawyer: in each case, the supernatural is an unwanted guest that comes knocking. Whether it is for better or worse, however, is only revealed at the end, keeping the reader in suspense as the plot unfolds. Even in this modern age of science, there are many episodes that are simply beyond our ken. The Dalvey Estate, Midnight Visitor, for instance, recounts the strange events in a ward that lead a medical man to wonder if there may be something else at work to aid him in his noble calling. Similarly, the husband in *The Eerie Guardian* prides himself on his no-nonsense attitude, easily dismissing his colleagues' warnings as flights of fancy. Yet it is only when he becomes trapped in a living nightmare that he begins to seek the truth behind his misfortunes. At the same time, these are more than dime-store pulp horror. Though the stories tell of grisly figures and tragic pasts, at their very heart, they are about fundamentally human emotions. The lingering memory of safety that a parental figure evokes in *The Robin Road*, Peanut Seller, the violent anger at familial betrayal and stolen love in *The Ghostly Bride*. Look beyond the tattered rags and chilling voices that these spectres wear like armour, and you may find something that is not so different from you and I after all.

The Good News of the Apocalypse Ione L. Sedinger, 2010-10 Today there is a renewed interest in the Biblical book of Revelation which naturally brings to mind the word apocalypse Because Revelation is best known for its wild symbolic imagery some people will naturally assume this title to imply the same approach This isn't the case the word can also mean simply prophetic and that certainly describes the Bible We are daily presented with the bad news of the world In contrast the Bible is the Good News the rain that cleanses our soul the amazing grace assuring us that God is still in control regardless of the situation Through studying his Word we are programming our conscience for right or wrong in thought and action That is the reason we need not only to read but to study the Bible daily The Good News of the Apocalypse offers assistance with that study with a brief comprehensible discussion of every book in the bible arising from Sedinger's experience with a study group for teenagers Everything in life is under God's control and so Pastor Sedinger refers to life as God's Dance The Good News is that Jesus came to teach us how to dance with God

Within the Tides & Typhoon and Other Stories Conrad J., Joseph Conrad was a Polish British writer regarded as one of the greatest novelists to write in the English language Written at various times under various influences these short stories are linked by Conrad's treatment of loyalty and betrayal Typhoon is the story of one unremarkable steamship captain pitted against a storm of incredible fury Captain MacWhirr has a reputation as a solid steadfast man who having just enough imagination to carry him through each successive day and no more cannot fully believe any storm would be a match for his powerful ship When the barometer and other clues begin to hint at trouble ahead he is only moderately concerned and unwilling to change course and lose precious time a decision that may prove more costly than he could ever have imagined The tone of other stories in the volume shifts from the pathos of *Because of the Dollars* to the gothic *The Inn of the Two Witches* and the grim humour of *The Partner*
