Refugees Nathan Bell,2021-03-18 There have never been more refugees across the world from Myanmar to Syria than at this moment Many more millions of refugees are likely to be displaced by the effects of climate change Why has politics failed to produce adequate responses to these challenges and not heeded the lessons of refugee crises of the past Are human rights and international law or more radically the case for open borders sufficient to address them Nathan Bell argues for nothing less than a new concept of the political that societies liberal or not in the mode of the sovereign state or some other form embrace an ethos of responsibility for others where the right to seek asylum becomes foundational for politics itself Such a proposal is at the antipodes of Schmitt s friend enemy distinction such that hospitality and not hostility forms the basis of political decision making This book comprises two halves the first establishes the theoretical basis of the ethos of responsibility with particular reference to the writings of Hannah Arendt Emmanuel Levinas and Jacques Derrida while the second half examines these theorists in the context of historical and contemporary case studies Finally the book calls for a politics of hauntology in memory of the missing those who might have been rescued and those yet to come who are already among the disappeared In this urgent work Bell demonstrates that a radical reconfiguration of the understanding of politics is required in order to safeguard the future and human dignity of stateless persons

France since 1870 Charles Sowerwine, 2018-01-25 This thoroughly revised updated and expanded new edition of an established text surveys the cultural social and political history of France from the Franco Prussian War of 1870 and the Paris Commune through to Emmanuel Macron's presidency Incorporating the newest interpretations of past events Sowerwine seamlessly integrates culture gender and race into political and social history This edition features extended coverage of the 2007-8 financial crisis the rise of the political and cultural far right and the issues of colonialism and its contemporary repercussions This is an essential resource for undergraduate and taught postgraduate students of history French studies or European studies taking courses on modern French history or European history This text will also appeal to scholars and readers with an interest in modern French history Richly informative and lucidly presented Sowerwine's *France since 1870* offers essential reading for students and researchers Particularly powerful is the new final chapter which draws on historical expertise to explore and explain the literary and political malaise of contemporary France

Jessica Wardhaugh University of Warwick UK This third edition is unparalleled in its reach and excellence as a history of modern France from 1870 to the present Sowerwine seamlessly integrates culture gender and race into political and social history His incorporation of the newest interpretations of past events as well as the historical perspective he lends to current events such as terror attacks new laws regarding labor and marriage modern globalization neo liberalism as well as to France's darkening mood make this highly readable book a true masterpiece

Elinor Accampo University of Southern California USA Her recent social and economic challenges have cast deep shadows into the story of modern France that Charles Sowerwine tells so clearly Those dark questions about culture politics and society have their full place in this This scholarly but accessible reassessment of French history since 1870 This edition raises new questions about France's story directly and compellingly and remains the key text for readers who are curious about modern France

Julian Wright Northumbria University UK Following on the fine precedent set by earlier editions this masterful survey offers students and the public alike a readable and illuminating account of the tortuous and ever intriguing path of French history since 1870

George Sheridan University of Oregon USA
