Ireland: The Matter of Monuments Colleen M. Thomas,Paula Murphy,2024-04-19 This collection considers Irish monuments from the medieval to the modern era The essays presented here acknowledge the plurality of values associated with Irish monuments Taking a holistic approach to the topic the volume contains contributions from art historians archaeologists historians and heritage practitioners The multidisciplinary and intersectoral contributions are placed in dialogue with one another providing a discussion of Irish monuments that is unique in its comprehensiveness The integration of research on early Irish monumental work with that of the more modern period situating all Irish monuments on a continuum of shared concerns is a significant pioneering element in this field The range of perspectives represented in the book reflects the complexity of cultural heritage in contemporary life and opens the conversation to include a wider range of views It will be a valuable resource for scholars students learned societies public bodies communities in Ireland and for anyone interested in sculpture An Open Access version of Kathleen James Chakraborty s chapter New states and old statues Ireland s monuments in an international context is available on the Liverpool University Press website [Directory of Museums, Galleries and Buildings of Historic Interest in the United Kingdom](#) ,2008 *County Louth and the Irish Revolution* Donal Hall,Maguire Martin,2017-04-10 *County Louth and the Irish Revolution 1912 1923* explores the local activism of the IRA and how revolution was experienced by rural and urban labourers RIC men republican women cultural activists and Big House families Events were increasingly shaped for all these groups by the developing reality of partition transforming a marginal county into a borderland and creating a zone of new violence and banditry The expert contributors to the first ever local history of the county during this period bring to light a wealth of fascinating stories that will appeal to the general public and historians alike Critically these stories reveal new findings about the early military skirmishes in County Louth by republican figures such as Se n MacEntee and Frank Aiken the controversial sectarian massacre at Altnaveigh and how the Civil War made a fiery battlefield of Dundalk and Drogheda *County Louth and the Irish Revolution 1912 1923* documents the complexity of the local experience as the national revolution merged with long established antagonisms and traditions the effects of which have shaped the county ever since [Tracing Your Irish Family History on the Internet](#) Chris Paton,2013-10-19 A thorough and informative guide with as many references to websites for Northern Irish genealogy as for the Republic of Ireland Who Do You Think You Are Magazine Ireland has experienced considerably more tragedy when it comes to the preservation of resources for family historians than its close neighbor Britain Many of the

nation's primary records were lost during the civil war in 1922 and through other equally tragic means. But in this new book Chris Paton, the Northern Irish born author of the bestselling *Tracing Your Family History on the Internet*, shows that not only has a great deal of information survived, it is also increasingly being made available online. Thanks to the pioneering efforts of the Public Record Office of Northern Ireland, the National Archives of Ireland, organizations such as FindmyPast Ireland, Ancestry.co.uk and RootsIreland, and the massive volunteer genealogical community, more and more of Ireland's historical resources are accessible from afar. As well as exploring the various categories of records that the family historian can turn to, Chris Paton illustrates their use with fascinating case studies. He fully explores the online records available from both the north and the south from the earliest times to the present day. Many overseas collections are also included, and he looks at social networking in an Irish context where many exciting projects are currently underway. His book is an essential introduction and source of reference for anyone who is keen to trace their Irish roots. Chris Paton has produced this much needed book for researchers tracing Irish roots, pulling together all the current online resources and expert advice into one handy guide. *Family Tree Magazine*

Elves and Fairies Matthias Egeler, 2025-10-03 An enchanting history of the otherworld of elves and fairies from the nature spirits of Iceland and Ireland to Avalon and Middle Earth. Originating in Norse and Celtic mythologies, elves and fairies are a firmly established part of Western popular culture. Since the days of the Vikings and Arthurian legend, these sprites have undergone huge transformations. From J.R.R. Tolkien's warlike elves based on medieval legend to little flower fairies whose charms even Sir Arthur Conan Doyle succumbed to, they permeate European art and culture. In this engaging cultural history, Matthias Egeler explores these mythical creatures of Iceland, Ireland, Scotland, and England, and their continental European cousins. Egeler goes on a journey through enchanted landscapes and literary worlds. He describes both their friendly and their dangerous, even deadly, sides. We encounter them in the legends of King Arthur's round table and in Shakespeare's *A Midsummer Night's Dream*, in the terrible era of the witch trials, in magic's peaceful conquest of Victorian bourgeois salons, in the child-friendly form of Peter Pan, and even as helpers in the contemporary fight against environmental destruction.

Tracing Your Irish Family History on the Internet, Second Edition Chris Paton, 2020-11-12 A simple, easy-to-use guide to tracing your Irish ancestry via the Internet. In this fully updated second edition of his best-selling guide to researching Irish history using the Internet, Chris Paton shows the extraordinary variety of sources that can now be accessed online. Although Ireland has lost many records that would have been of great interest to family historians, he demonstrates that a great deal of information survived and is now easily available to the researcher. Thanks to the pioneering efforts of the Public Record Office of Northern Ireland, the National Archives of Ireland, organizations such as FindmyPast Ireland, Ancestry.co.uk and RootsIreland, and the volunteer genealogical community, an ever-increasing range of Ireland's historical resources are accessible from afar. As well as exploring the various categories of records that the family historian can turn to, Chris Paton illustrates their use with fascinating case studies. He fully explores

the online records available from both the north and the south from the earliest times to the present day Many overseas collections are also included and he looks at social networking in an Irish context where many exciting projects are currently underway Paton s book is an essential introduction and reference for anyone who is keen to trace their Irish roots **Philip Monahan** Aodh Quinlivan,2006 **Empire, Early Photography and Spectacle** Elisa deCourcy,Martyn Jolly,2020-11-23 James William Newland s 1810 1857 career as a showman daguerreotypist began in the United States but expanded into Central and South America across the Pacific to New Zealand and colonial Australia and onto India Newland used the latest developments in photography theatre and spectacle to create powerful new visual experiences for audiences in each of these volatile colonial societies This book assesses his surviving vivid portraits against other visual ephemera and archival records of his time Newland s magic lantern and theatre shows are imaginatively reconstructed from textual sources and analysed with his short rich career casting a new light on the complex worlds of the mid nineteenth century It provides a revealing case study of someone brokering new experiences with optical technologies for varied audiences at the forefront of the age of modern vision This book will be of interest to scholars in art and visual culture photography the history of photography and Victorian history *British Archives* J. Foster,J. Sheppard,2016-04-30 British Archives is the foremost reference guide to archive resources in the UK Since publication of the first edition more than ten years ago it has established itself as an indispensable reference source for everyone who needs rapid access on archives and archive repositories in this country Over 1200 entries provide detailed information on the nature and extent of the collection as well as the organization holding it A typical entry includes name of repository parent organization address telephone fax email and website number for enquiries days and hours of opening access restrictions acquisitions policy archives of organization major collections non manuscript material finding aids facilities conservation publications New to this edition email and web address expanded bibliography consolidated repository and collections index **Lincolnshire Past & Present** ,2006 *British Archives* Janet Foster,Julia Sheppard,1995-09-27 Since it was first published in 1982 British Archives has established itself as the premier reference work to holdings of archives and manuscript collections throughout the UK The 3rd edition has been extensively revised and enlarged with more than 150 new entries further widening the range of the book Entries are structured to show the archives of the organisation as distinct from deposited collections and significant non manuscript material and additional details of fax number and conservation provision are included for the first time All the existing entries have been significantly updated together with the select bibliography and list of useful addresses of various organisations involved in the care and custody of archives The introduction provides an invaluable guide to researchers using archives including a summary of the relevant legislation and a detailed description of the usual holdings of county and other local authority record offices Photography and the Law Michael O'Flanagan,2018-10-12 Photographers and publishers of photographs enjoy a wide range of legal rights including freedom of expression and of publication They have a right to create

and publish photographs They may invoke their intellectual moral and property rights to protect and enforce their rights in their created and or published works These rights are not absolute This book analyses the various legal restrictions and prohibitions which may affect these rights Photography and the Law investigates the legal limitations faced by professional and amateur photographers and photograph publishers under Irish UK and EU Law Through an in depth discussion of the personal rights of the public including the right not to be harassed the book gives a clear analysis of the current legal standpoint on the relationship between privacy and freedom of expression Additionally the book looks at the reconciliation of photographers rights with the state s interest in public security and defence alongside the enforcement of ethical and moral codes Comparative legal standing in the European Union is used as a springboard to further analyse Irish and UK statutes and case law including recent reforms and current proposals for future change The book ends with pertinent suggestions of the necessary reforms and enactments required to rebalance the relationship between the personal rights of individuals the state s duties and the protection of photographers and photograph publishers rights By clearly explaining the theoretical and conceptual reasoning behind the current law alongside proposed reforms the book will be a useful tool for any student or academic interested in photography law privacy and media law alongside professional and amateur photographers and photograph publishers

The Iconography of Sir Isaac Newton to 1800 Milo Keynes, 2005 Catalogue and iconography of the extraordinary wealth of images of Sir Isaac Newton both before and after his death Sir Isaac Newton 1642 1727 is rare among figures of the past for the number of authentic paintings engravings and images of him which survive He was painted by some nine different artists in the latter part of his life and after his death both portraits and sculptures continued to proliferate the amazing demand for representations of his image demonstrating his immense fame This iconography lavishly illustrated in both colour and black and white and involving the disciplines of History of Art and History of Science catalogues 231 icons in two sections and is thus an invaluable guide to the images Part I contains 122 portraits and Part II 109 sculptures about fifty of which were produced before his death the rest from then until 1800

Masters of the Post Duncan Campbell-Smith, 2011-11-03 The origins of the Post Office go back to the early years of the Tudor monarchy Brian Tuke a former King s Bailiff in Sandwich was acknowledged as the first Master of the Posts by Cardinal Wolsey in 1512 and went on to build up a network of postmasters across England for Henry VIII Over the following five hundred years the Royal Mail expanded to an unimaginable degree to become the largest employer in the country and the face of the British state for most people in their everyday lives But it also faced the demands of an increasingly commercial marketplace With the election of Margaret Thatcher in 1979 the possibility of privatising the Royal Mail has prompted passionate arguments and has added immeasurably to the difficulties of running it In charting the whole of this extraordinary story Duncan Campbell Smith recounts a series of remarkable tales including how postal engineers built the first programmable computer for the wartime code breakers of Bletchley Park and how the Royal Mail managed to successfully continue delivering post to the

front lines during two world wars but also how they failed to avert the Great Train Robbery of 1963 He brings to life many of the dominant personalities in the Royal Mail's history from Rowland Hill who imposed a uniform penny post and set the great Victorian expansion on its way to Tony Benn who championed the modernisation of the service in the 1960s and Tom Jackson who led the postal workers' biggest union through fifteen frequently stormy years up to 1982 This is the first complete history of the Royal Mail up to the present day based on its comprehensive archives and including the first detailed account of the past half century of Britain's postal history made possible by privileged access to confidential records Today's debate over the future of the Royal Mail is shown to be just the latest chapter in a centuries-old conflict between its roles raising revenue and serving the public Will its employees remain like Brian Tuke's postmasters' servants of the Crown This book could hardly appear at a more timely moment

The Early Development of Irish Society: the Evidence of Aerial Photography

Edward R. Norman, John Kenneth Sinclair Saint Joseph, John Kenneth Sinclair St. Joseph, 1969 *A Secret Map of Ireland*
Rosita Boland, 2010-04-17 When the award-winning Irish Times journalist Rosita Boland was a schoolgirl she had in common with all Irish children a map of Ireland Iconic in its pinks, greens and yellows the Educational Company map was a staple of the Irish schoolhouse As the author matured and changed so did the unique country she grew to know first hand With deep affection and curiosity she followed her very own map from those bygone schooldays to take the reader on a tour of Ireland a tour like no other
