Love Poetry Paula Johanson, 2014-01-01 Humans express love in countless ways through physical actions emotional reactions or heartfelt words Capturing the perfect words to show a person's love can be challenging yet poets have done it for hundreds of years What is love to a poet Author Paula Johanson discusses eight poems and poets with chapters on William Shakespeare Elizabeth Barrett Browning Emily Dickinson and five others Accompanied by biographical information on the poet and end of chapter questions for further study Johanson closely examines each poem including detailed analysis of form content poetic technique and theme encouraging readers to develop the tools to understand and appreciate poetry A Book of Love Poetry Jon Stallworthy, 1986-12-11 Poets through the ages offer interpretations of love's changing moods and forms **How Love Poems Work** Sandra Roe, 2018-10-08 What is about love poetry that we so love Why is poetry such a popular medium for expressing love This short book will try to answer these questions by taking a look at some of the finest poetry in the English language The complex concentrated language of a poem has a lot in common with the complexity and intensity of love But poetry is never only about love Its meanings reach into other areas of our lives The popularity of love poetry suggests that readers crave literary encounters with love We want to have our feelings and experiences reflected back at us in words Reading poems we anticipate a glimmer of recognition This book starts with a look at love poetry's modern historical development Then we spend time with individual poets beginning with William Shakespeare in the sixteenth century Their verse will demonstrate different ways in which poets have written about love Classical Love Poetry Dr. Jonathan Williams, Clive Cheesman, 2004 This lovely book pairs selections of translated Greek and Roman verse from Homer Sappho Virgil Horace and Ovid among others with fine examples of paintings sculpture vases and decorative objects The excerpts which cover the period from the eighth century B C to the early Middle Ages were chosen from famous works such as Homer's Iliad as well as less well known pieces such as the writings of the Greek poet Ibycus This book demonstrates that the human preoccupation with love in all its forms has inspired writers for millennia from the expression of enduring faithfulness and familial affection in Homer's description of Hector and Andromache to the passionate intensity portrayed by the later Greek lyric poets and the light hearted depiction of love as a lost little boy by the anonymous authors of the Inacreonteia The book includes a brief introduction to Greek and Roman views on love and marriage a short biographical note on each of the major poets and a glossary of mythical and geographical names **Poetry: Essential Love Poems** Evelyn Parker, 2017-08-09 BEST LOVE POEMS COLLECTION Today only get this bestseller of love poems for just 9.99 Free Kindle eBook with Paperback purchase You're about to rediscover love This book contains a collection of some of the most popular classic and contemporary love poems of all time These poems provide magnificent witness to the fact that love is as much an act of imagination and the active feeling of mind as it is of the body Here Is A Preview Of What Love Topics You'll Get Classic Love Teen Love Romantic Love Funny Love Break Up Love Erotic Love Sad Love In Loving Memory Much much more Buy
