

Death Love

POETIC T

I had a relationship with death, she had a grip
on my heart. Saying I was her only one,
but I knew there were others.

That I wasn't her only one, she had an embrace
of love on others hearts. She was by my bedside
whispering what was and could have been.

Her breath is cold on my soul, does she realize the
pain in my heart. I had an affair with death,
she was by my side saying we would be together forever.

She kissed me and I vacated this place, never to see
her again. I loved her till the end, but now she has
another's heart playing his strings till death does part
