Handbook of Autobiography / Autofiction Martina Wagner-Egelhaaf, 2019-01-29 Autobiographical writings have been

a major cultural genre from antiquity to the present time General questions of the literary as e g the relation between literature and reality truth and fiction the dependency of author narrator and figure or issues of individual and cultural styles etc can be studied preeminently in the autobiographical genre Yet the tradition of life writing has in the course of literary history developed manifold types and forms Especially in the globalized age where the media and other technological cultural factors contribute to a rapid transformation of lifestyles autobiographical writing has maintained even enhanced its popularity and importance By conceiving autobiography in a wide sense that includes memoirs diaries self portraits and autofiction as well as media transformations of the genre this three volume handbook offers a comprehensive survey of theoretical approaches systematic aspects and historical developments in an international and interdisciplinary perspective While autobiography is usually considered to be a European tradition special emphasis is placed on the modes of self representation in non Western cultures and on inter and transcultural perspectives of the genre The individual contributions are closely interconnected by a system of cross references The handbook addresses scholars of cultural and literary studies students as well as non academic readers

Memoirs of Love Aaron Charpentier, 2009-11 Western societies are beset by what some call stress others name angst The pace of life the rapidity of change the lack of time to rest relax and find inner peace have most of us ill at ease with ourselves Common symptoms are tension substance abuse anxiety depression psychosomatic illness all topped off by an over riding lack of purpose The authors address all of the most common psychological problems in down to earth language They encourage the reader to self diagnose not only the symptoms causing discomfort but to dig up the underlying causes of psychological distress Included in this brief and concise book are chapters covering specific disorders diagnosis who can offer help and a long list of simple universally available self help aids to better mental health

Love and Exile Isaac Bashevis Singer, 1986 **The Exile's Papers: The duplicity of autobiography** Wayne Clifford, 2007 The Exile's Papers Part One considers the implications of duplicity in autobiography as they appear in the first two hundred or so sonnets of a four volume sonnet cycle completed over the past twenty years by the Lost Poet of the 1960s confronted at the end of the middle game by anonymity on the one hand and by opportunity the mass of a black hole on the other in which Rilke in his guise as Witness to the Angel speculates on raw necessary existence Disney's Jiminy Cricket remains of course unconvinced

Richard Wright Keneth Kinnamon, 2014-11-04 African American writer Richard Wright 1908-1960 was celebrated during the early 1940s for his searing autobiography *Black Boy* and fiction *Native Son* By 1947 he felt so unwelcome in his homeland that he exiled himself and his family in Paris But his writings changed American culture forever and today they are mainstays of literature and composition classes He and his works are also the subjects of numerous critical essays and commentaries by contemporary writers This volume presents a comprehensive annotated bibliography of those essays books and articles from 1983 through 2003 Arranged alphabetically by author within years are some 8 320 entries ranging from unpublished dissertations to book length studies of African American literature and literary

Wright, 2006-10-03 This collection discusses several philosophers autobiographies in the light of their authors broader work and considers whether there are any philosophical tasks for which life accounts are particularly appropriate **The First Modern Jew** Daniel B. Schwartz, 2012 Pioneering biblical critic theorist of democracy and legendary conflator of God and nature Jewish philosopher Baruch Spinoza 1632 1677 was excommunicated by the Sephardic Jews of Amsterdam in 1656 for his horrible heresies and monstrous deeds Yet over the past three centuries Spinoza's rupture with traditional Jewish beliefs and practices has elevated him to a prominent place in genealogies of Jewish modernity The First Modern Jew provides a riveting look at how Spinoza went from being one of Judaism's most notorious outcasts to one of its most celebrated if still highly controversial cultural icons and a powerful and protean symbol of the first modern secular Jew Ranging from Amsterdam to Palestine and back again to Europe the book chronicles Spinoza's posthumous odyssey from marginalized heretic to hero the exemplar of a whole host of Jewish identities including cosmopolitan nationalist reformist and rejectionist Daniel Schwartz shows that in fashioning Spinoza into the first modern Jew generations of Jewish intellectuals German liberals East European maskilim secular Zionists and Yiddishists have projected their own dilemmas of identity onto him reshaping the Amsterdam thinker in their own image The many afterlives of Spinoza are a kind of looking glass into the struggles of Jewish writers over where to draw the boundaries of Jewishness and whether a secular Jewish identity is indeed possible Cumulatively these afterlives offer a kaleidoscopic view of modern Jewish culture and a vivid history of an obsession with Spinoza that continues to this day **Love and Exile** Isaac Bashevis Singer, 1984 Love and Exile contains the three volumes of the Nobel Prize Winner's spiritual autobiography covering his childhood in a rabbinical household in Poland his young manhood in Warsaw and his beginning as a writer and his emigration to New York before the outbreak of war with the concomitant displacement of a Yiddish writer in a strange land **Memoirs of My Scars** De'Jon Simons, **Isaac Bashevis Singer** Janet Hadda, 2003-03-24 Isaac Bashevis Singer brought the vibrant milieu of pre Holocaust Polish Jewry to the English speaking world through his subtle psychological insight deep sympathy for the eccentricities of Jewish folk

custom and unerring feel for the heroism of everyday life His novels including *The Family Moskat* and *Enemies A Love Story* and his short stories such as *Yentl* and *Gimpel the Fool* prove him a consummate storyteller and probably the greatest Yiddish writer of the twentieth century **Encyclopedia of the Novel** Paul Schellinger,2014-04-08 The Encyclopedia of the Novel is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only form analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component of the Encyclopedia of the Novel is its long surveys of development of the novel in various regions of the world Mejnoun's Memoirs, an Autobiography of Love, Travel, and Romance Seraphael,1875
