That Kiss From Heaven Fell On My Heart C. Nicole Treadwell, 2009-03-16 Nicole Treadwell has a secret If she reveals it she will surely die Of course she knows it's true because certain death is what he promised her after the incident in the deep woods years ago Her fate ever in his hands keeping the secret guts her on the inside as she struggles to make ends meet serving as a law clerk to a dangerously ambitious judge in the Nation's Capitol with secrets of her own Nicole is tired exhausted toying with thoughts she's afraid to own of letting life go Her life is unraveling her sound mind frayed At the end of herself she knows she can't save herself but who can Worse does she want to be saved A swift reply to both questions comes in the way of a still small voice at an unlikely time that ushers her onto a path few dare to tread or openly discuss In contrast Nicole's former law school chum and classmate Timothy Grue is a hotshot private attorney who blazes notorious trails in and out of the courtroom Both handsome and brash owing to his kinship with privilege and social standing of a fine Philadelphia family he seems to have the world on a string every creature comfort easily within his reach including an overabundance of company from the fairer sex Despite his privilege and pedigree Tim later learns that it came at a very high price By a stroke of legal fortune or misfortune their paths collide professionally as Tim is handpicked to represent an A List Hollywood client in a lawsuit over which Nicole's boss is the presiding judge Not so secretly the judge relishes the prospect of having her fifteen seconds of fame before the world press Her staff knows that the attention from the paparazzi may prove to be her professional undoing and theirs Her job potentially on the line Nicole contacts Tim Grue for a clandestine meeting

of the minds but will Tim take the bait and sign on to Nicole's harmless solution Their former friendship on course to self ignite or implode sets in motion a chain of events that blast open the door to Nicole's secret past and their bitter sweet history and where crises of identity spirituality and morality intersect conflicting issues of race and class deepen already murky waters as Nicole is black and Timothy is white Yet as between the two they want to know why race is still an issue at all On the road from hell to higher ground both learn that anything worth having is always tried by fires of a faith that asks simply what do you really believe And more can redemption ever come too late **the falling, the becoming** Charlotte L Oakeby, 2021-03-21 This is a collection of poetry and short fiction about love and the loss of it written by a lovesick romantic who will fall so helplessly back into love's arms time and time again even when it doesn't want to catch her From loving sappy sonnets to dark bitter crime fiction and deep contemporary poems to fiery feminist verses my writing uses a blend of literary styles Inspired by the noir genre Greek mythology and the Romantics the book is divided into two sections falling and becoming and touches on profound topics such as heartbreak grief first love femininity and empowerment I refuse to shy away from the darkest truths of this mad world as much as I refuse to ignore the sublimity of its prettiest lies and fantasies This is first love This is the fallout This is the falling the becoming **Fool the World** Josh Frank, Caryn Ganz, 2006-03-21 It's the 1980s and the rock landscape is littered with massive hair synthesizers and monster riffs but there is an alternative being born in the sleepy East of America we just don't know it yet Before the Internet MTV and iPods provided far off music fans with information and communities and before Nirvana kids across the world grew up in relative isolation dependent on mix tapes and self created art to slowly spread scenes and trends It was under these conditions that four young musicians found one another in Boston Massachusetts and started a band called Pixies During their initial seven year career Pixies would play some of Europe's most gigantic festivals keep the press guessing and cultivate a fervid international fan base hungry for more and more of their unique surf punk The band worked fast cranking out four albums at a breakneck pace but ultimately pressures and personality clashes took their toll Pixies broke up just as bands were singing their praises as the rock n roll innovators For twelve years a Pixies reunion seemed impossible but a sudden announcement in 2004 proclaimed the unthinkable Pixies were getting back together Their extremely successful reunion tour finally gave the group something they'd always lacked in their homeland proof that their bone rattling music had left an indelible impact Fool the World tells Pixies story in the words of those who lived it from the band members to studio owners from A/R executives producers and visual artists who worked with them to admirers of their music such as Bono PJ Harvey Beck and Perry Farrell With new cartoons by Trompe Le Monde illustrator Steven Appleby Fool the World is a complete journey through the life death and rebirth of one of the most influential bands of all time *A Mistletoe Kiss* Jennifer Faye, 2017-12-19 Jaded by love Suzanna Simms has resigned herself to focusing on her art business But with Christmas quickly approaching she receives word that her family is returning to Marietta And Suzanna failed to mention that her latest relationship had ended abruptly Now she'll
