Love And Money A Life Guide For Financial Success:

Love and Money Jeff D. Opdyke, 2004-04-28 The financial decisions we make in our lives are sometimes not the easiest to discuss but have long lasting effects Opdyke s advice has opened the door in my relationship to conversations that were a long time coming Josh regular reader of Opdyke s Love Money column Florida Real answers to real questions about money and relationships I have too much debt and my credit isn t very good How can I fix my financial problems And how do I break the news to my boyfriend How do I teach my kids the value of money when my parents shower them with expensive gifts My wife makes more money than I do does that give her a greater voice in our financial decisions Are we still equal How much should I give my child in allowance And will it really help him learn the value of a dollar We want to have our first baby but we don t know if we can afford it yet How much money do we really need to have in the bank If you re like most people you re struggling with questions like these Whether we like it or not money makes a big difference in the choices we make and the lives we lead Unresolved questions about money can put unwanted stress on even the healthiest relationships between spouses between parents and children and even between friends In Love Money columnist Jeff Opdyke offers practical personal finance advice as well as strategies for dealing with touchy financial topics so that money doesn t end up costing you something even more valuable **The Wall Street Journal. Dennis Bielik,2020-04-21 Your Guide to Financial Security In Money Management Mindset author Dennis Bielik begins with an analogy In the board game of Life players spin a wheel which determines how fast or slow they move through spaces that represent various life activities such as college jobs marriage and children Players may move quickly or slowly depending on where the spinner lands When it comes to a first job salary is determined by choosing a card at random Players might land on a space with an unexpected event some spaces benefit your life and others set you back The great thing about this board game is you can play it more than once You learn to create a strategy and improve your chances to win Real life of course gives you only one chance However we make our own choices about these events rather than rolling dice or drawing cards Even more importantly you can create a financial strategy that will help you manage expected landmarks like marriage children and work There are also strategies on how to handle unexpected events such as job loss divorce and illness You can learn ways to assess what you dream want and need so that your life and those of your loved ones are as secure as you can make them This book will help anyone understand how to plan for life and be financially prepared for both the expected and the unexpected **The Financial Times Guide to Wealth Management**
