The Farewell Discourses Adrienne von Speyr,2012-03-22 Von Speyr continues her wonderful reflections on the Gospel of John concentrating here on The Farewell Discourses of Jesus which reveal both the heart of John s Gospel and the Heart of Our Lord Adrienne von Speyr was a contemporary Swiss convert mystic wife medical doctor and author of some 70 books on spirituality and theology She entered the Church under the direction of one the greatest theologians and spiritual writers of the 20th century Fr Hans Urs von Balthasar who became her spiritual director and confessor for the last 30 years of her life Her writings recognized as a major contribution to the great mystical writings of the Church are being translated and published by Ignatius Press Among her most important works are *Book of All Saints Confession The World of Prayer Handmaid of the Lord and The Passion from Within* *British Drama, 1533-1642: 1609-1616* Martin Wiggins,Catherine Teresa Richardson,2012 This is the sixth volume of a detailed play by play catalogue of drama written by English Welsh Irish and Scottish authors during the 110 years between the English Reformation to the English Revolution covering every known play extant and lost including some which have never before been identified It is based on a complete systematic survey of the whole of this body of work presented in chronological order Each entry contains comprehensive information about a single play its various titles authorship and date a summary of its plot list of its roles and details of the human and geographical world in which the fictional action takes place a list of its sources narrative and verbal and a summary of its formal characteristics details of its staging requirements and an account of its early stage and textual history **The Prejudged** Lynne D.M. Noble,2015-08-20 This autobiographical account records events that unfolded during the particularly dynamic cultural revolution of the fifties sixties and early seventies This was the post war era when the Church slowly began

to lose its influence over the day to day life of ordinary folk Furthermore Dr Spock s ideas about childcare began to encourage parents to be less rigid and more affectionate with their children and to treat them as individuals This contrasted with the authoritarian style of parenting which had hitherto demanded absolute obedience and offered little if any affection Such parenting was and is often based on a false understanding of what Christianity is all about and at its worse can be abusive The book is intended to stimulate reflection on why overt abuse is accepted and tolerated but goes unreported It would not be an exaggeration to say that the majority of my relatives friends and neighbours had expressed concern at the physical and emotional abuse I had suffered and yet none wanted to interfere What mechanisms were in play there Is this still as likely to happen today and if not what has changed And could the conditions which led to a culture that tolerated abuse ever return

TIRUKKURAL English Translation and Commentary Tiruvalluvar, Love and Death Ross

Channing Reed PhD,2009-02-10 Philosopher Ross Reed Ph D refers to an eclectic array of thinkers in Love and Death an Existential Theory of Addiction in particular existential philosophers Soren Kierkegaard 1813 1855 and Jean Paul Sartre 1905 1980 According to Dr Reed addiction is usually the result of existential or life conditions rather than underlying physiological problems Therefore it may involve not only drugs or alcohol but also relationships belief systems activities and even emotional states Anything that can serve to deflect ones consciousness from reflectively apprehending the task of becoming oneself can serve as an object of addiction If the object is another person one might ask whether in fact addiction can masquerade as love Is it possible to believe that you are in love with someone when in fact you are merely addicted to him or her In this creative and provocative work Reed argues that Sartres theory of love is in fact a theory of addiction

A study of the 7 churches of Asia Minor June M Russell,2015-08-04 This is a study of the 7 churches in the book of Revelation Jesus critiqued the churches shortly after the birth of the church and told them what they lacked needed to improve and rewards for overcoming We can take the message of these and apply the critiquing principles to our churches today in order to meet the challenges of our day and prepare for Christ s return

The Work of Faith Justin Nickel,2020-08-31 Many scholars assume that Luther advocates for a Christian life in which human beings are always passive recipients of God s grace as it is delivered in preaching and mere instruments through which God works to serve their neighbors The Work of Faith Divine Grace and Human Agency in Martin Luther s Preaching offers a different reading of Luther s views on human agency by drawing on a fresh source Luther s preaching Using Luther s sermons in the Church Postil as a primary source Justin Nickel argues that Martin Luther preached as though Christians have real if secondary agency in the lives they lead before God and neighbor As a result Nickel presents a Luther substantively concerned with how Christians lead their lives
